REPORT ON AQUACULTURE FIELD VISIT

We would like to inform you that our students visited the Anekal Aquaculture farms and for the development of surface vehicle. This vehicle will support the farmers for the production of more yields.

With the continuous support from the Principal Dr.Shadaksharappa , Management representative Dr.Arunkumar Rajendran, Dr.K. Sivasakthi Balan Chief coordinator SLMIC with all HOD, Ms. Sasikala IIC cell coordinator and students visited the Anekal Aquaculture farm.

ENTREPRENEURSHIP BOOTCAMP AND VENTURE COMPETITION REPORT

We would like to inform you that Our Varuna (AUV) team "Cage fishing Project" participated in the finals of **"TOGETHER 21- Entrepreneurship Bootcamp and Venture Competition with Schulich School of Business & Start-up India".** Our students **Shravani S and Shreya Keshri** 2nd year CSE students, **Persis Dastoor and Divyanshu Singh, International Master of Business Administration (I/MBA), Schulich School of Business, York University, Canada. Hisham Amer, Bachelors, Lassonde School of Engineering, Canada** international students joined with our team and represented the event behalf of our Institution start-up.

First Round

The Bootcamp (7-days, week of January 4th, 2021) will feature 50 pairs of inspired student entrepreneurs handpicked from over 17,000+ Indian colleges and 700 + universities as they attempt to innovate across several sectors of national importance to unlock business opportunities fit for the Indian commercial landscape, **we are one among them.**

Second Round

Out of 50 pairs of inspired student entrepreneurs 10 pairs of inspired student entrepreneurs handpicked for the finals and **we are one among them.**

Semi finals

Out of 10 pairs of inspired student entrepreneurs 6 pairs of inspired student entrepreneurs handpicked for the finals **and we are one among them.**

Benefits for our team

The handpicked 10 pairs of inspired student entrepreneurs will get the exclusive interview access with **Schulich School of Business, York University, Canada incubation support** and **Thub, Hostel Funds, KAE Capital and Startup Reseau venture partners.**

About Together 2021

The Bootcamp (7-days, week of January 4th, 2021) will feature 50 pairs of inspired student entrepreneurs handpicked from over 17,000+ Indian colleges and 700 + universities as they attempt to innovate across several sectors of national importance to unlock business opportunities fit for the Indian commercial landscape.

The 100 Indian student entrepreneurs will be supported by teams of top Masters Students from the Schulich School of Business and Lassonde School of Engineering, at York University, throughout the Bootcamp.

50 Mentors from India would also be paired with 50 Mentors from Canada to support these student entrepreneurs to help them refine their pitches for the judges.

The new businesses will be owned by Indian student entrepreneurs and the winner of the competition will be rewarded with access to powerful start-up tools, a global network, and monetary support to realize their dream.

This event will witness several successful innovation leaders and venture capitalists from Canada and India wearing the hats of an event speaker, mentor, judge, or coach. This initiative is also being supported by leading global organizations.

PROGRAM OVERVIEW

Startup India (**Government of India**) is partnering with the **Schulich School of Business** in Toronto (ranked among the world's leading business schools by a number of global MBA surveys, including The Economist, Forbes, CNN Expansión, and Corporate Knights) to organize a one of a kind **entrepreneurial bootcamp and startup hackathon that features:**

- **50 Student Teams** (**100 Indian Students + 100 Canadian Students**) - A team of 2 Indian students will be supported by 3 Canadian students to work on 'joint ventures'. (*Please note: The IP shall belong to the Indian students*)
- **100 Mentors** (**50 Indian Mentors + 50 Canadian Mentors**) - Each student team will be assigned 2 mentors from the Indian and Canadian Startup Ecosystems.
- **7 Day Entrepreneurship Bootcamp** - The bootcamp will take the students through ideation to pitch development.
- **Pitch Day** - The top 10 teams will get the opportunity to pitch their startup ideas to top global investors.

INCENTIVES & OPPORTUNITIES

- **Prize Money** - The top 3 teams will get cash prizes of **upto INR 28,00,000** (**INR 28 Lakhs**).
- **Pitching Opportunities** - The top 10 teams will get the opportunity to pitch to investors from India and Canada, and get funding of upto **INR 50,00,000** (**INR 50 Lakhs**).
- **Attend Together 2021 Roundtable** featuring Nikhil Kamath, Founder, Zerodha, Sai Srinivas Kiran G, Founder, MPL, Ankit Nagori, Founder, EatFit, CureFit, Brice Scheschuk, Founder, WIND Mobile, Sahil Barua, Delhivery etc.

4 QUALITY EDUCATION

REPORT ON
IIC-INNOVATION AMBASSADOR TRAINING PROGRAM

Dr. K SIVASAKTHI BALAN
Convenor – Sairam IIC

We glad to inform you that 13 faculties from our institution have undergone innovation Ambassador training organized by Institute Innovation Council from 30th June 2021 to 31st July 2021.

Objective of Training Program

Institution Innovation councils at institutes are envisioned an instrumental role to drive innovation and startup ecosystem at campus while connecting with ecosystem enablers at the regional and national levels. For this, the role of faculty being a member of IIC is very important. They play the role of a mentor or guide for young minds in their pursuit of innovation and entrepreneurship and it is equally crucial for mentors to have the adequate and right set of mentoring skills. Considering the fact that Indian HEIs are lacking in innovation and start-up mentor capacity to guide students on IPR, Innovation, and Entrepreneurship, Institutions Innovation council of MHRD's Innovation Cell aims to build mentorship capacity of IIC members through a series of training programs exclusively for faculty members and the trained IIC members are designated as "IIC - Innovation Ambassador". IIC-MHRD's Innovation Cell has taken a target to train more than 5000 faculties to develop mentoring skills on the above four themes by end of June 2020, end of IIC Calendar.

There were two level of training organized by IIC, Foundation Level for newly nominate faculties from the institution where we have nominated 10 faculties, Advance Level for present Innovation Ambassador where we have nominated 3 faculties.

Totally we had 16 session each for both levels of training, The schedule & topics are as shown below

Innovation Ambassador Training Program 2021
Foundation Level

S. No.	Date and Time	Session Title	Expert Name
1	30th June 2021 03.00 PM to 04.30 PM (1.5 Hours)	I&E Initiatives & Programs of MoE for HEIs	Prof. Anil D. Sahasrabudhe, Chairman, AICTE Dr. Abhay Jere, Chief Innovation Officer, MIC Mr. Dipan Sahu, Asst. Innovation Director, MIC

Innovation Director, MoE's Innovation Cell, New Delhi & IIC Team

The beneficiaries of these training programs will join the network as "IIC-Innovation Ambassador" and will perform the role of mentor in their respective IICs, these Innovation Ambassadors will provide support to other IICs as a resource person in organizing various programs related to innovation and start-up and spread the message of innovation & start-up among the students and faculties. As part of the Incentive and recognition system of IIC, the brief profile of these Innovation Ambassadors will feature on IIC portal for public display. Post-training these Innovation Ambassadors are felicitated with a token of recognition and responsibility which contains the badge of Innovation Ambassador along with AICTE and MIC logo. This token of recognition will reminisce Innovation Ambassadors about the responsibilities entrusted with them by MIC & AICTE.

After completion of training, these Innovation Ambassadors will have to complete various activities as prescribed and suggested by IIC, MIC. Innovation Ambassadors will be given activities at regular intervals to create awareness, inculcate entrepreneurial mindset, and bring cognizance about start-ups, IPR, and the importance of Innovation ecosystem enablers and facilitators among students and fellow faculty members. IIC Innovation Ambassadors will help MIC & AICTE to strengthen the grassroots innovation ecosystem in the country particularly in Higher Educational Institutions.

Role of IIC's Innovation Ambassador

- Perform the role of mentor in their respective IICs
- Provide support to other IICs as resource person
- Spread the message of innovation & start-up among the students and faculties.

To retain the Innovation Ambassador tag, he/she will have to perform 4 activities voluntarily by IA

- Activities organized within the institute towards promoting & supporting.
- Innovation, IPR, and Start-up.
- Activities organized outside the institute towards promoting & supporting Innovation, IPR, and Start-up.
- Mentoring support and guidance provided to students towards participation in National Innovation Contest 2020.
- Clinic: Clinic is a kind of counseling session/time slot declared by Innovation Ambassador to mentor students/faculties.

REPORT ON

WORKSHOP – MENTORING SESSION ON "BUSINESS PLAN FOR START UP AND ITS INTELLECTUAL PROPERTY"

The Department of Electronics and Communication Engineering, Sri Sairam College of Engineering **WORKSHOP – MENTORING SESSION ON "BUSINESS PLAN FOR START UP AND ITS INTELLECTUAL PROPERTY" ON** 29th July 2021 @ 10.00am through online google meet Platform.

The webinar was Inaugurated by the welcome speech by **Dr.T.N. Prabakar**, Head of the department ECE. Our beloved **Dr.B. Shadaksharappa**, Principal Sri Sairam College of Engineering conveyed the best wishes for organizing such webinars and motivating the students of institution in the activities and enriching their knowledge in the research and innovation.

The **resource person Prof.C.Sivaprakash, Head of the department Artificial Intelligence & Machine Learning and Innovation Ambassador.** Sir was very inspiring and it was really feeling delighted to have been able to be a part of this and try to continue with the wave approach on society with this positive speech. Very interesting delivery. Around 50+participants joined the session. The important take away of the session was the students understood about the business plan is a written document that describes in detail how a business—usually a startup—defines its objectives and how it is to go about achieving its goals. A business plan lays out a written roadmap for the firm from marketing, financial, and operational standpoints. When a startup patents its ideas, its valuation increases and it is likely to attract investors. ... Unless a startup protects its patents, designs, and trademarks using Intellectual Property Rights, its rivals can copy them and steal market share.

Our students gave a positive feedback the session enlightened the idea of business startup and what are all the challenges and problems for starting a business , how to protect the IPR and Patent with the required knowledge as needed to the present scenario. The vote of thanks to the speaker was given by **Prof. Aruna R**, Assistant Professor, ECE, Sri Sairam college of Engineering.
