Nature and Wildlife conservation committee

Sri Sairam College of Engineering arranged a Programme 'Kadu Pranigala Samrakshane' for the students of Chudahalli Primary School on 10/01/2016. The students were given information about wild animals protection and what are the responsibility and benefits in conserving forests.

We whole heartedly thank Sri Sairam College of Engineering Principal, administrative staff and teaching staff for their initiative in organising this program and Expecting your favourable cooperation in future too.

Sri Sairam College of Engineering arranged a Programme 'Rain Water Harvesting' for the villagers of Mattanahalli, Sarjapura, Anekal Taluk on 10/06/2017. The team has presented the beautiful video and power point presentation rain water harvesting and benefits of rain water harvesting. The students were given the knowledge on their responsibility in saving water.

We whole heartedly thank Sri Sairam College of Engineering Principal, administrative staff and teaching staff for their initiative in organising this program and expecting your favourable cooperation in future too.
