Prof. Sivaprakash C, Head of the Departments CSE and AI & ML inaugurated the session by felicitating the dignitaries. Dr. R. Arun Kumar, Management Representative delivered the welcome address. Dr. B. Shadaksharappa, Principal delivered the presidential address. The key note address was given by Ms. Urmi Chatterjee (Vice President – HR, APAC). The session was effective as it was regarding the communication development and presentation of oneself in industry. 95 students from II-year attended the session. Students were given counselling how to inculcate themselves into a working environment. It was a pleasure for us to be part of the session as the key note delivery was very useful and informative since the resource person was very interactive. The key note address regarding choosing the career was given by Ms. Dipankana Paul (Senior Director, APAC). She was very inspiring and it was delighted to be a part of this and she conveyed with the wave approach on society with this positive speech. The students are enlightened with the knowledge of choosing their own career with their own interest and skill in spite of thinking about others perspective. She ignited the students with the job opportunities that are available today and the ways to approach it.

Prof. Guruprasath V (Placement and Training Officer of SSCE) was invited to brief about REAP Scholarship Distribution for PEGA Certified students. REAP is acronym of Reward for Excellence in Academic Performance. Our College Management has rewarded the total scholarship amount of Rs.4,28,000 for 37 III-year students of various departments who has undergone PEGA Certification Course according to their academic performance and achievements. The rewards are distributed to the students by the dignitaries. Later the students who received scholarship shared their experience and importance of the course with their juniors in order to educate them regarding the upcoming placements.

Our students also conveyed that the program had given an ignite for skilling up with the required knowledge as needed to the present scenario. The vote of thanks to the speakers was given by Prof. Jenifer A, Assistant Professor, Department of CSE, Sri Sairam College of Engineering.
