

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

22/07/2022

Submitted,

SUB: Report on “ROLE OF HIGHER EDUCATION INSTITUTIONS IN ACHIEVING SUSTAINABLE DEVELOPMENT GOALS” – reg.

31st Dr. L. S. Chandrakanth Memorial Lecture was delivered by Dr. G. T. Raju, Principal, SJCIT, Chickballapur in Sri Sairam College of Engineering in association with ISTE on 21st July 2022 for III-year students of Department of Computer Science and Engineering. The session started with Naada Geethe at 11.30 am following which lighting of the lamp was done by Dignitaries Dr. B Shadaksharappa (Principal, SSCE), the resource person Dr. G. T. Raju, Principal, SJCIT, Chickballapur and Heads of the Departments.

Prof. Malini V, Head of the Department EEE inaugurated the session by welcoming the gathering. Dr. B. Shadaksharappa, Principal delivered the presidential address. The key note address was given by Dr. G. T. Raju, Principal, SJCIT, Chickballapur. The session was effective as it was regarding the sustainable development goals and presentation of higher education institutions in achieving the goals. 110 students from III-year attended the session. It was a pleasure for us to be part of the session as the key note delivery was very useful and informative since the resource person was very interactive. All the goals were presented in such a way how to make it done by higher education institutions. Students were given knowledge about the roles and responsibilities of Institutions in achieving the goals. Quality Education, Gender Equality and Innovation were prime focus of the talk. Students were given information how to enhance themselves to achieve the goals in industry by grooming themselves in higher education institutions. These institutions are the platform for checking their sustainability in industry by achieving the sustainable development goals in their respective institutions.

Our students also conveyed that the program has been motive for exploring them with the required knowledge as needed to be achieved with sustainable development goals both in institution and industry.
