25th May 2022

Report on Guest Lecture on Design of 5G Antennas under IETE and IEI Banner

Department of Electronics & Communication Engineering organized Guest Lecture on Smart Agriculture using 5G Technology under ISTE Banner for 3rd Year students of ECE. 65 Students attended this programme.

Prof. Shashiranjana, Assistant Professor from DBIT, Bengaluru was invited as a resource person.

Mr. G.V Raja, Asst.Professor, SCE welcomed the HOD, Resource Person and 3rd year students of ECE.

Resource person Prof. Shashiranjana delivered the presentation on how to design 5G Antennas using software tool.

Students had given very good response during interactions.

At the end, Mr. P. Venugopal proposed vote of thanks.
