The webinar was Inaugurated by the welcome speech by **Dr.T.N. Prabakar**, Head of the department ECE. Our beloved **Dr.B. Shadaksharappa**, Principal Sri Sairam College of Engineering conveyed the best wishes for organizing such webinars and motivating the students of institution in the activities during the pandemic.

The resource person our **Alumnus & Entrepreneur Shri. R Sandeep Singh [ECE, 2011 batch]** Director, Techmind Solutions P Ltd., Also **Senior Embedded developer, Shrivante technologies Pvt Ltd.** He was very inspiring and it was really feeling delighted to have been able to be a part of this and try to continue with the wave approach on society with this positive speech. Very interesting delivery. Around 50+participants joined the session. The important take away of the session was the students learnt about what are all the challenges faced by entrepreneurs and what are all the problems when starting the business. What are the key rules for starting a business and when to start. Taking the example of this pandemic sir conveyed about the now the booming business is the mask and sanitizer. So, we have to understand what is the type and when to start the business. Adding on to the above example Dr.T.N. Prabakar sir also added about how actually the OLA had started the business and how it developed, now they are starting the company in Krishnagiri, Tamil Nadu . The information was informative and also the resource person extended his support for any budding entrepreneurs.

Our students also conveyed that the program had given an awareness of challenges faced in entrepreneurship with the required knowledge as needed to the present scenario. The vote of thanks to the speaker was given by **Prof. Aruna R**, Assistant Professor, ECE, Sri Sairam college of Engineering.
