**Industrial Visit – IMTEX 2023 /Tooltech 2023 /Digital Manufacturing 2023 -21<sup>st</sup> Jan 2023– International Exhibition Center – Tumkur Road.**

Department of Electronics & Communication Engineering arranged Industrial visit for 3<sup>rd</sup> year students to IMTEX 2023 held at International Exhibition Centre, Tumkur Highway, Bengaluru on 21<sup>st</sup> Jan 2023. 35 students and Accompanying Faculty Mr. P.Venugopal registered for IMTEX 2023.

We started our journey on 21<sup>st</sup> Jan 2023 at 11 AM from our College, reached International Exhibition Centre at 1.15 PM, registered students and Accompanying Faculty manager were verified by Security officials and then we all entered in to the exhibition hall. 23 Countries including our great nation India participated in the exhibition.. All categories of live projects were exhibited in the exhibition. Categories like Embedded systems, Robotics, IOT based projects, Mechatronics projects, Electrical projects, Solar based projects and many smart devices.Our students went in discussion about their projects demonstrated by experts. Our students collected various information and innovative ideas from their models. Almost 2 hours our students enjoyed in their involvement in the exhibition. Arrangement was mesmerizing. Such type of Industrial visits is very much useful for Engineering students to be inspired by their models and products designed. This will also inspire our students to become Entrepreneurs. We returned to college from the IMTEX at 4 PM and reached college by 6 PM. I extend my sincere gratitude to our Beloved Principal Dr. B. Shadaksharappa, Management Representative Dr. R Arunkumar and our Head of the Department Dr. T.N Prabakar.
