

**DEPARTMENT OF ELECTRONICS & COMMUNICATION
ENGINEERING**

Submitted,

Sub: Report on Heritage Centre and Aerospace Museum, Bengaluru.

DATE/TIME: - 14-02-2023/11:00 am

DURATION: - 1 Day

The Department of Electronics and Communication Engineering had organized an Industrial visit to **HAL Heritage Centre and Aerospace Museum Bengaluru** for a Group of 108 students (Second Year) Accompanying Faculty Dr. S. Jayakumar, D. S. Ramkumar, Mrs. Hema and Mrs.Mohanthi to impart knowledge on various types of Aircraft.

We started our journey on 14th February 2023 at 11 AM from our College, reached HAL Heritage Centre and Aerospace Museum at 12 P.M, HAL .Heritage Centre and Aerospace Museum is a virtual wonderland for Aviation enthusiasts and history buff, an unforgettable experience that is entertaining & enlightening at the same time. This is a first of its kind in India established in 2001, is situated in HAL Old Airport Road. There are two major halls, one displaying the photographs that chart the growth of aviation in each decade from 1940 till date. Aircraft such as MARUT, MIG-21, HT-2, KIRAN, CANBERRA, AJEET, DHRUV, HANSA, IJT, LAKSHYA is displayed in outside. A Library on Aerospace provides opportunity to trace the exciting development of the industry since the 1940s. While the Museums' prized possessions include various types of Aircraft models on static display, the availability of Audio-Video facility and display of transslides enhances the experience immeasurably.

By this industrial visit students are able to understand the different types of aircraft and identify the difference between Light Combat Aircraft (LCA) and MCA and also understand the different types of materials used for fabrication of LCA and MCA. We returned to college from HAL Heritage Centre and Aerospace Museum and reached college by 3.30 PM.

I extend my sincere gratitude to our Beloved Principal Dr.B. Shadaksharappa, Management Representative Dr. R Arunkumar and our Head of the Department Dr. T.N Prabakar.
