REPORT
ON
WEBINAR - ON "WIRELESS SENSOR NETWORKS – NS2"

The Department of Electronics and Communication Engineering, Sri Sairam College of Engineering Webinar on **"WIRELESS SENSOR NETWORKS"** organized on 12TH February 2022 @ 10.00am to 12.00 noon through online Zoom Platform for 2nd Year ECE & EEE students.

The webinar was inaugurated by the welcome speech by **Dr. T. N. Prabakar**, Head of the department ECE. Special Address by **Prof. Malini.K.V. V**, Head of the Department EEE. Our beloved **Dr.B. Shadaksharappa**, Principal Sri Sairam College of Engineering conveyed the best wishes for organizing such webinars and motivating the students of institution in the activities.

The **resource person Dr.B. Ezhilivan & Mr. Anto Praveen Kumar VEI Technologies Chennai** addressed the gathering about the Network Security Tools used in Wireless Sensor Networks and also given insight about the NS simulator working with simple and similar examples.

The session was open to Q&A, where the students interacted with resource person & the session helped the students to update on trending industrial developments happening in wireless sensor field.

The vote of thanks to the speaker was given by **Prof. RAJA G V**, Assistant Professor, ECE, Sri Sairam college of Engineering.

NS2
• an event-driven simulation tool that has proved useful in studying the dynamic nature of communication networks.
• Simulation of wired as well as wireless network functions and protocols (e.g., routing algorithms, TCP, UDP) can be done using NS2.
