**Industrial Visit at
TVS**

A one day industrial visit at “TVS” Hosur was organized by the Department of Electronics & Communication Engineering on 11th March, 2024. The industrial visit aimed to provide opportunities to students to enrich their learning skill and research in the field of Embedded Systems and Robotics. The Programme also intended to develop the knowledge on simulation with advanced software in the relevant field for inculcating learning values in students for guiding and monitoring their progress.

The Industrial Visit was attended by 32 students from the third year along with two of our faculties Prof.Martin Joel Rathnam and Dr.Anitha from the department of Electronics and Communication Engineering. Ms.Lavanya from the TVS Company welcomed our faculties and students into their TVS Company and completely briefed our team throughout the entire stay inside the Company.

Schedule of our Visit:

Location	Time Schedule
Departure from SSCE College Campus on 11 th March	12:00pm
Lunch before entering the TVS Company	1:30pm
Reporting inside the TVS Company Campus	2:00pm
Instruction and guidelines given to faculties and Students	2:15pm
Campus Visit	2:30pm
Departure from the TVS Company Campus	3:30pm
Arrival inside our SSCE Campus	4:10pm

OUTCOME:

The industrial visit was very much informative. The discussed areas are of great benefit for the students as the topics matched with the current working domain. All the students were enlightened with the most widely used advance technologies in this domain. This in turn will help in research activity and their overall perspective towards studies. We Specially thank our college Management, MR Sir Dr. R. Arun Kumar, Principal Sir Dr. B Shadakshrappa, ECE department HOD Dr. A.Poonguzhali and Industrial Visit Co-ordinator Dr.Jayakumar S for arranging such a wonderful industrial visit for us.
