Chairman's Message

"Perfection is not attainable, but if we chase perfection we can catch excellence"

Indeed, I am happy and appreciate the efforts of the principal and his team in bringing out the 11th issue of the news letter minchu. Campus activities help our students how to face the reality in their life and build team work and unity. I congratulate each and every one concerned to keep continuing the good work.

Principal Message

Dr.T.V.Govindaraju

Dear Staff & Students

"True happiness is the full use of your powers along lines of excellence in a life affording scope"

I am delighted to congratulate SSEC staff and students in bringing out 11th issue of minchu. The newsletter minchu has given a very good platform to exhibit talents of our students. I wish our faculty members and students to excel in their career and achieve their goal.

SSEC

Hearty FAMILY Welcomes

50th Teacher's Day

Teacher's day (Dr. Sarvapalli Radhakrishnan's birth day) was celebrated on 5th September 2012 at our campus. All the faculty members and staff were honored in this occasion for rendering service to students' community. Our Principal Dr. T.V. Govindaraju addressed the gathering. Our Management Representative Sri. R. Arun Kumar & Trust office staff Sri. Patel graced the occasion.

Our Principal
Dr. T.V. Govindaraju
paying tribute
to our Ex. President
Dr. Sarvapalli Radhakrishnan

Our SSEC Family was honored in this occasion.

EXHIBITION

PROJECT 2012

CARPEDIEM - SIEZE A DAY

A project exhibition and contest was arranged under the aegis of the 'Industry Institute Partnership cell' by the Shirdi Sai Engineering College on 4th May 2012 wherein 130 projects done by the final year and lower semester students of the four engineering branches were exhibited.

The exhibition was flagged off at 10am in the morning and experts acting as judges evaluated the projects and chose one among the final year projects and one among the lower semester projects as the best projects for each of the four engineering branches.

The honorable judges were:

- 1) **Dr. K. Ramachandra**
- 2) **Sri. Gururaj Rao**
- 3) **Sri. S.A. Sathymurthy**
- 4) **Sri. J. Guganathan**
- 5) **Sri. Ananth.**

The best project award comprising a memento and a cash prize of Rs. 2,000 was awarded to each of the winners in a colourful valedictory function at 3pm in the afternoon, chaired by the Principal Dr. T.V.Govindaraju.

Chief editor :
Dr. T.V. Govindaraju
Principal

Editor :
B. Ammani Kuttan
Asst. Professor Dept of Maths

Department of computer science Engineering

There were 31 project entries in the exhibition. The project entitled "Secured WSN Integrated cloud computing for U-life care" under the guidance of Mrs. Asha S Manek (Asst.Prof), CSE, was judged the best project. The project students are Ms. Priyanka Sonaly, Ms. Meenakshi, Ms. Reshma U, Mr. Animesh Tripathy. S

Department of Electronics & Communication Engineering

Our Student Ranjeet Kumar Gupta from ECE has attended a project Exhibition named Srishti in Sahyadri college of Engineering, Mangalore from 12th to 14th May 2012. His Name of the project is Automated Rescue Robot.

Department of Electrical and Electronics Engineering

Our final year students Geethanjali, Manojkumar, Atpitha & Abhishek Nag have participated in KSCST 35th Series Seminar and Exhibition of student project program and exhibited a project "PROTOTYPE VAN DE GRAFF GENERATOR" On 13th & 14th July 2012 at Shree Dharmasthala Manjunatheshwara Institute of Technology, Ujire.

Department of Mechanical Engineering

Our students Mr. Sheshadri Sathyan, Mr. Sree Vallaban, Mr. Nikhil kumar, Mr. Rakshith, Mr. Sharath Kumar from MECHANICAL have attended Srishti 2012, a state-level project exhibition and competition at Sahyadri College, Mangalore organized by the Akhila Bharathiya Vidhyarthi Parishad (ABVP) and won the SECOND place for their project "Hybrid Air Compressed Car".

11TH GRADUATION DAY

19TH MAY 2012

11th Graduation day was organized in our college auditorium on 19th may 2012. Honorable Minister **Dr. M. Veerappa Moily** Union Minister of Corporate Affairs was chief guest of the function. In his speech, he highlighted **John Dewey**, the famous American educationist quote.

"Education is a social process. Education is growth. Education is, not a preparation for life; education is life itself." India has declared the current decade as the "Decade of Innovation". We have to change the way we work; think differently about how to solve problems and constantly seek to be at the top of the scientific and technological curve that defines the pathway of modern civilisation.

You need to understand values, goals, and how to make your dreams take flight. Growing up to the expectation of the world is not a mean task. It calls for delivery of quality at the right time without buckling under pressure. Excellence is to be sustained in all spheres. Also, our **C.E.O Sri. Sai Prakash Leo Muthu**, our **Secretary Sri.M.Vasu**, **Dr. S. M. Suresh**, **Director (Finance) AICTE**, New Delhi and **Dr. S.A Kori**, Registrar, VTU, Belgaum graced the occasion.

Dr. M. Veerappa Moily Union Minister of Corporate Affairs, Accepting the guard of honor during Graduation Day.

Dr. M. Veerappa Moily, Lighting the lamp.

Mr. Shanmuganathan, Topper of Electrical and Electronics department, receiving memento and degree Certificate from Corporate Affairs minister Dr. M. Veerappa Moily

MASTER OF BUSINESS ADMINISTRATION GRADUATES

PROUD TO BE AN SSEC-IAN

Our final year Mechanical students Mr. Sharath Kumar L, Mr. Sheshadri Sathyan, Mr. Sreevallabhan, Mr. Nikhil Kumar G H and Mr. Rakshith T R have designed the next generation, zero emission, eco friendly, high efficient four wheeler HYBRID AIR COMPRESSED CAR which reduces the fuel consumption, air pollution & in turn increase the efficiency of the vehicle. This project draws attention from various sources like print media & TV channels.

Chief Minister of Karnataka Sri.D.V.Sadananda Gowda congratulates our students for their innovative project

15th Annual Day

The 15th Annual day of Shirdi Sai Engineering College, Sai Samskruthi was held on 30th April 2012, at the college campus. Keeping its tradition of supporting a global cause, this time, a 'Go Green' initiative was undertaken, in sync with the current scenario of global warming. The theme was actively propagated, with the college sponsoring 50 thousand saplings, which were given away to students, parents and staff, among others. A presentation was held, stressing the importance of going green, and the adverse effects of what would happen otherwise.

The Chief Guest, Sri Raju N.G., Resource Management group, Tech Mahindra along with the other dignitaries, Sri. B.R. Chavali, Assistant General Manager, Central Bank of India; Dr. T.V. Govindaraju, Principal, Shirdi Sai Engineering College; Sri. Srinivasa Rao, Chief Operating Officer, Sairam Group of Institutions; Sri. Raja, Chief Development Officer, Sairam Group of Institutions; Sri. R Arunkumar, Management Representative, Shirdi Sai Engineering College, launched the 9th edition of the college magazine, Sai Spandana.

In his speech, Mr. Raju lauded the college for having taken up the Go-Green initiative, stressing on the fact that not only is a green world a healthy world, but it is also a safe world. He went on to give motivational words of wisdom to the students and was sure that they would bring laurels to the institution.

The panel then went on to felicitate the college toppers of each academic session, from all the departments. They also left no stone unturned in honoring the faculty members whose guidance ensured that the students delivered the very best results.

They then distributed prizes to the winners of various events such as poster making, dumb charades, street football, gully cricket, etc., that had been organized at college, the past week.

The Alumni association showed why they were unique from other organizations, as they went on to hand out 2 scholarships, and a best Cricketer trophy.

After the vote of thanks, and a rather delicious lunch, it was time for the cultural events to begin. This was greeted amidst heavy cheering. The crowd was treated to skits, mad-ads with some tongue in cheek lines, and a variety of electrifying dances, right from classical to contemporary and fusion. Then it was the rock band's turn to get the crowd going, and that's exactly what they did. They belted out popular numbers that set pulses racing! After all the performances, it was time for further felicitation, only this time, it was for the most popular students of the college!! The winners were greeted by a roaring crowd. When it was time to announce the winner of the 2012 SSEC Championship Trophy, the crowd went crazy! Everyone wanted their branch to win, but ultimately, it was the department of Mechanical Engineering who were crowned champions! Students from the department rushed onto the stage, along with faculty members, and the Head of the Department to collect the trophy. The crowd applauded sportingly, and thus a day that was filled with fun and frolic, came to an end.

Rock band by Mr Manish & co. final year students

WORKSHOP / SEMINAR / SYMPOSIUM

ATTENDED BY FACULTY MEMBERS &
PAPER PRESENTED BY FACULTY MEMBERS

DEPARTMENT OF COMPUTER SCIENCE ENGINEERING...

Name of the Faculty	Designation	Workshop / Seminar/Paper	Venue & Date
Ms .Nethravathi	Lecturer	Attended conference on "State machines Alan Turing	Dr. MDS Auditorium,PESIT Campus Bangalore 22/6/12 & 23/6/12
		Attended a three day workshop on " Formal Languages and Automata Theory"	VKIT,Bangalore 22/8/12 to 24/8/12,
Mrs. Asha Manek	Asst Professor	Attended Workshop on "statistical MIC learning and game theory approaches for large scale data analysis "	MSRIT-9th July2012
		Attended conference on "Information Processing"	UVCE. B'lore 10/8/12 to 12/8/12
Mr. Nagesh R	Sr.Lecturer	Attended workshop on "Joy of Teaching Computer Networks	PESIT Bangalore 28 /6/12 to 30/6/12.
Ms. Pallavi.B	Lecturer	Attended Infosys campus connect	Mangalore, 23.4.12 to 29.4.12
Mr. T.K.Pradeep Kumar	Lecturer	Attended Soft Skill Training Programme	Infosys Bangalore April 2012
		Attended workshop on "Joy of Teaching Computer Networks".	PESIT B'lore 28 /6/12 to 30/6/12.
		Attended conference on "State machines Alan Turing	Dr. MDS Auditorium,PESIT Campus Bangalore 22/6/12 & 23/6/12
		Attended Induction Training program for newly recruited staffs	AMC-B'lore - ,21/4/12 to 23/4/12
		Attended workshop on "Propositions,Implication & MGMT. of Indian Taxation"	SSEC,Bangalore. 15/3/12
Mrs. Shanthala Mr Venkatesh Ms. K.V Shalini	Lecturer Lecturer Lecturer	Attended conference on "State machines Alan Turing"	Dr. MDS Auditorium,PESIT Campus Bangalore 22/6/12 & 23/6/12

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING...

Name of the Faculty	Designation	Workshop / Seminar/Paper	Venue & Date
Mr.C.Sivaprakash	Sr. Lecturer & Head	Attended seminar on "Matlab & Simulink for Engineering Education"	Mathworks India Pvt Ltd , B'lore , 6th March 2012
		Undergone a training program on Labview	National Instruments systems India Pvt Ltd B'lore, July 9th to 13th 2012
Mrs. Suganya.J	Lecturer	Attended FDP on Video and Image processing Design using Labview/DSP	Oxford college of Engineering, 13th March to 17th March 2012
Ms. R.D. Vidya Rani	Lecturer	Attended FDP on Video and Image processing Design using Labview/DSP	Oxford college of Engineering, 13th March to 17th March 2012
		Participated in "Induction programme for the Newly Recruited Engineering College Teachers"	AMC Engineering college B'lore , 21st to 23rd April 2012
Mrs A. Poonguzhalli	Asst. Professor	Presented a paper on "Performance Evaluation of IEEE 802.11MAC using cell processor"	M.P Nachimutu M.Jaganathan Engg college, Chennai, 20th March 2012

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING...

Name of the Faculty	Designation	Workshop / Seminar/Paper	Venue & Date
Mrs. R Gunasekari	Asst. Professor	Attended National Level workshop on " Advanced Technology in Electrical Systems"	Kings College of Engineering, Pudukkottai. 31st August 2012.
Mr. Vignesha. R	Lecturer	Participated in the "Faculty Enablement program"	Infosys, Mangalore-23rd April 2012

DEPARTMENT OF MECHANICAL ENGINEERING...

Name of the Faculty	Designation	Workshop / Seminar/Paper	Venue & Date
Mr. Yogananda B S	Asst. Professor	Attended one day Workshop on 'Intellectual Property Rights'	BNMIT, Bangalore on 2nd March 2012
Mr. H N Jagadeesh	Professor	Attended 3 days workshop on 'Entrepreneurship & Management'	PESIT ,B'lore on 2nd -4th March 2012

WORKSHOP / SEMINAR / SYMPOSIUM

ATTENDED BY FACULTY MEMBERS &
PAPER PRESENTED BY FACULTY MEMBERS

DEPARTMENT OF MASTER OF BUSINESS ADMINISTRATION...

Name of the Faculty	Designation	Workshop / Seminar/Paper	Venue & Date
Mr.V Bheemeswara Reddy	Sr. Lecturer	Participated in Seminar on Risk Management in Banking sector	Brindhavan College, Bangalore 10-09-2011
Mr. S. Chandrasekhar	Lecturer	Participated in Seminar on " Mergers, Acquisitions and Corporate Restructuring"	HKBK College of Engineering, Bangalore - 24-09-2011
Mr. S. Venkatesh, Mr. K N Manjunatha	Lecturer	Participated in FDP on "Pedagogy for Management Curriculum"	Administrative Mgmt. College, Bangalore - 29-09-2011
Mrs. Dippi Verma	Sr. Lecturer	Participated in MDP on "Mystifying Taxes"	Garden City College of Science & Mgmt Studies, Bangalore,1-10-2011
Mr. N Harish	Lecturer	Participated in FDP on "Enterpreneurship"	Kongu Engg College, Perundurai, Tamil Nadu14/11/2011 to 26/11/2011
Mrs. N. Priya	Sr. Lecturer	Participated in "14th ISTE State level Faculty Development"	PESIT, Bangalore 18-11-2011 to 19-11-2011
Mr. K N Manjunatha Mr. S Venkatesh Mr.V Bheemeswara Reddy	Lecturer Lecturer Sr. Lecturer	Presented Paper on "Empowering Rural India- Challenges and Issues"	Administrative Management College, Bangalore 2/12/2011
Mrs. Dippi Verma	Sr. Lecturer	Presented Paper and Published on "Mergers and Acquisitions a leverage for corporate growth"	DONBSO college of Management, Bangalore 05-01-2012

DEPARTMENT OF MATHEMATICS...

Name of the Faculty	Designation	Workshop / Seminar/Paper	Venue & Date
Mr.R.Murugesan	Asst. Professor	Attended a Two day Faculty Development Programme on Research Thesis Compilation	Adhiyamaan College of Engineering, Hosur.Tamilnadu.11th & 12th Aug. 2011.
Mrs. Gangavathi.P	Sr. Lecturer	Presented a paper on "Peristaltic flow of a carrie fluid through porous medium in an asymmetric channel under the effect of magnetic field" in International conference on fluid dynamics & its applications.	BNMIT, Bangalore. 21.07.2011
Mrs. B. Jyothi	Sr. Lecturer	Presented paper "On Super (a,1)- Edge-Antimagic Total Labeling of Product Graphs" in International Conference on Emerging Trends in Fluid Mechanics and Graph Theory	Chirst University Bangalore 16-08-2012 to 18-08-2012

DEPARTMENT OF PHYSICS...

Name of the Faculty	Designation	Workshop / Seminar/Paper	Venue & Date
Mr. Shyam Sundar Hegde	Asst. Professor	Published paper on "Preparation and characterization of Sns Thin films for solar cell application" in "international journal of soft computing and engineering" Vol.1, Issue NCRMAT, July 2011	NCRMAT, July 2011
Mr. S. Chandrasekhar	Lecturer	Attended a workshop on "Advanced materials and their applications"	BMSIT, Bangalore 26/03/2011

DEPARTMENT OF CHEMISTRY...

Name of the Faculty	Designation	Workshop / Seminar/Paper	Venue & Date
Dr. Hanumappa . H	Asst. Professor & Head	Attended a National conference and presented a paper on Inhibition of corrosion using Benzofuron in aqueous medium of 0.5M H2SO4	RNSIT , Bengaluru On 29th & 30th Sept 2011
Mrs. Shailashree.S	Lecturer	Attended a National conference and presented a paper on Os (VIII) catalyzed oxidation of EDTA by using N- halo amides and imides	Global IT, Bengaluru On 19th & 20th Jan 2012
		Participated one day work shop on "Research methodologies and latex conducted by VTU, E-lerning center, Mysore	SJBIT BANGALORE 09 &10TH OF May
		Attended a workshop on Industrial corrosion and corrosion control technology	I.I.Sc, Bengaluru On 24th & 25th Jan 2012
Mr. Harikrishna .S	Sr. Lecturer	Attended 14th ISTE Karnataka state Faculty convention	PESIT, Bengaluru 18th & 19th Nov

WORKSHOP / SEMINAR / SYMPOSIUM

Name of the Students	Sem	Workshop / Seminar/Paper	Venue & Date
Chaithanya Pawan Kumar Mahesh	VII	Attended a quiz and has secured 1st place in Esperanza'12 inter collegiate Techno-cultural Fest	BTL Institute Of Technology B'lore, 27th & 28th April

STAFF ACHIEVEMENTS

Ms. G. Gokulkumari, Asst. Professor, Department of Computer Science, had successfully completed Ph. D oral VIVA VOCE Examination on 30.7.12 on "Biometric security in online shopping".

Mr. R. Murugesan, Asst. Professor, HOD, Department of Mathematics had successfully completed Ph.D oral VIVA VOCE Examination on 08.8.12 on "Jobs of Scheduling in Hosur manufacturing Industry using artificial Immune system".

Mr. T. K. Pradeepkumar, Lecturer, CSE, **Mr. A. Ragu**, Lab Instructor, CSE & **Mr. E. Premnath**, Lab Instructor, Chemistry had completed MBA Degree successfully.

Mr. V. K. Tivari, Sr. Lecturer, ECE, & **Ms. Sadhana B.K**, Lecturer, ECE had completed M. Tech Degree successfully.

Mrs. K.P Linija Shylin, Lecturer, ECE had completed M.E. Degree successfully.

PROJECT GRANTS

Department of Computer Science Engineering

1. Project Name	: SDP-Intelligent E-Technology and web computing
Proposal Ref.No	: 1-78/RIFD/SDP/(209)/2011-12
Funding Agency	: AICTE
Sanctioned Amount	: 2,00,000/-
Name of the Co-ordinator	: Mrs. Asha S Manek
2. Project Name	: SDP-Mobile Ad-Hoc Networking
Proposal Ref.No	: 8024/RIFD/MOD/281/11/12
Funding Agency	: AICTE MODROBS
Sanctioned Amount	: 10,00,000/-
Name of the Co-ordinator	: Dr.B.Shadaksharappa

Department of Electronics & Communication Engineering

Project Name	: Modernization of Embedded system Design & Microcontroller Lab
Principal investigator Name	: Prof. C. Sivaprakash
Principal Co-investigator Name	: Ms. R.Geetha
Funding Agency	: AICTE
Grant-in-aid Amount Sanctioned	: Rs. 8,00,000/-(Eight Lakhs only)
Approved duration (in years)	: 1 year

Releasing the proceedings of Li'vaz 2012 by Dignitaries

Student in Paper presentation

Li'vaz 2012 "THAMASOMA JOTHIRGAMAYA"

A national level technical symposium Li'vaz 2012 was organized by the Department of Electronics & Communication Engineering on 26-04-2012 for the 7th time successively.

The function was inaugurated by the Chief guest Dr. P.B. Kotur general Manager, Talent Transformations, Wipro Technologies, Bengaluru. Our Principal, Dr. T.V. Govindaraju, presided over the function. Our Management Representative Mr. ArunKumar graced the occasion. Head of the department of ECE Mr. C.Sivaprakash welcomed the gathering.

Various events such as paper presentation, Circuit debugging, Puzzles, Pick & speak, Technical quiz, Sherlock Holmes of electronics were conducted and totally 75 papers presented. There was an overwhelming response from various colleges across the country.

1. You seem to be very strict. Reason?

Successful lives are lives where people are proud of what they do, and enjoy... Thus I have a say by being very strict. I contribute to their attitude, success, discipline and their achievements in their academics.

2. Previously you were working in Bellary Engg. College, now in SSEC. What is your observation?

I strongly believe that the grading of any system depends on its quality, creative encouragement, a strong belief in implementing the vision statement. I am proud to say that SSEC makes all round effort in implementing its beliefs and reserves itself a place in its strong and a efficient management to bring out a World class product.

3. According to you improvement means.....

The overall objective of college improvement planning is an enhanced level of student achievement. To effect real change, however, the process needs to focus on specific priorities. Student performance improves when teachers use curriculum-delivery strategies that specifically address the needs of their students, when the college environment is positive, and when parents are involved in their children's education.

In effect, the planning process involves answering the important questions: "What will we focus on now?" and "What will we leave until later?"

5. How, to you impart practical knowledge to the students?

Three key words.....LEARN, IMPLEMENT & EXCEL.....

Create a curiosity, Applicative mind and a practical exposure to support the theory sessions.

6. Teaching is it by choice or chance to you?

Teachers are of two kinds, one Teacher by chance. so called safe option for him/her.

The other, (I avoid using the word Second and will use Other) are those teachers who choose the profession because that's what they are passionate about. Teaching.

For me it's my passion to teach, helping students find themselves and become better in what they do.....

For me I am proud to say ITS BY CHOICE AND NOT BY CHANCE.

7. What is the secret of getting funds for various projects?

Promoting Creative thinking and latest trends in the technology market -----This is how readily the students see that the university funding is being used for their benefit. The immediate implications ones of facilities and resources that the students can use to grow beyond the classroom. The long term implication is that if the University continues using its funding in a manner beneficial to students, then the value of the students' degrees, post graduation, will continue to rise.

In my opinion, membership to prestigious bodies, student and faculty participation in the industrial activities, participation in various organizational activities, and industrial exhibitions enhances the chances for the organization to attract funds.

At the same time the faculty should be geared to update the latest trends and bring it down to project modules. To meet the expectation of the students for a knowledgeable guide, college should help in overall improvement of the faculties.

8. What is the suggestion to compete with other colleges?

The student who enrolls should be assured of the best environment to enhance learning & a good job after the successful completion of the course.

INTERVIEW

Sri Pradeep B Jyoti
Professor & Head EEE

Better Educational Quality

Better establishment of network with the industries for campus recruitments

Creativity Encouragement

Work is Useful

Faculty Accessibility

University Funding Use

9. What is your expectation from the faculties?

I believe faculties are "WALKING LIBRARIES".....Ultimately, it is an effective faculty interaction with the learners. Ideally the faculty provides access to more information, more resources, a network, and a link to the real world that the student can learn from and access.

Since the ultimate objective of institutions improvement planning is to improve the level of student achievement, the person who has the greatest impact on students during the college day the faculty plays several critical roles in the institutions improvement planning process.

Faculty Should: actively participate and assume leadership roles in establishing priorities, setting goals, and formulating implementation strategies for the plan. work closely with the management and parents to implement the plan. ensure that classroom strategies for improvement address the needs of students at all levels of learning assess students in a variety of ways and develop strategies for improving the level of student achievement (newsletters) to participate in the improvement planning process

10. Your message to students

Eleven Rules of Success: A Message for Students

- Rule 1. Care About the Process, Not Just the Outcome
- Rule 2. Talk and Write A Lot
- Rule 3. Say "Yes" Easily and Mean It
- Rule 4. Work with Others and Share Easily
- Rule 5. Keep Your Commitments
- Rule 6. Acknowledge Your Own Finitude and Behave Accordingly
- Rule 7. Acknowledge Your Own Power and Behave Accordingly
- Rule 8. Network With Your Betters
- Rule 9. Guard Your Integrity
- Rule 10. Follow Your Bliss
- Rule 11. Say "No" Easily and Mean It

A One Day Workshop on "Propositions, Implications and Management of Indian Taxation" March 15th 2012

Entrepreneurship Development cell in association with Department of Management Studies has organized one day workshop on "Propositions, Implications and Management of Indian Taxation" on 15-03-2012. The workshop held in two sessions.

Tax expense, particularly income tax is a core issue on the part of the management of corporate houses. It equally affects individual taxpayers. So tax planning and management becomes a major concern on the part of all types of assesses. Every person either individual or corporate body always tries to keep his or its tax expense at a minimum level and therefore requires good tax personnel to deal with taxation matter very effectively & efficiently. But, as a matter of fact, understanding of income tax is not very easy, as it is by nature very technical & complicated. So it needs in-depth knowledge and clear conception.

Prof. D. Gopinath,
Director of MBA
HKBK College of Engineering,
addressing the gathering

Sri. N. Raveendranath Kaushik, Chartered Accountant,
Bangalore, explaining the nuances of our Tax system
