## CHAIRMAN'S MESSAGE

I am extremely ecstatic to present the most recent information reminder "MINCHU". It is the most munificent and contingent citations of the basic accessible procedures of our organization.

Sri Sairam College of Engineering has a bequest of publishing instruction to the uninformed in the community stirring the homeland into the ascendancy of superiority. None the less achievement depiction is deliberate desparately; it indefatigably refers to a panel work.

I incalculably comprehend the indubitable, unwavering and inexorable hard work of the principal & the staff in engendering the 16th astute newscast.

Pertaining the accessible and pragmatic ambiance, we are exceedingly convinced of dominating with novel and ingenious pinnacle in the domain of education in the imminent subsistence. Again I would like to regurgitate the significant team work of SSCE family.

## PRINCIPAL MESSAGE

**Dr. Y. Vijaya Kumar**

Sri Sai Ram College of Engineering has scholastically and pertinently accomplished seventeen prevalent existences and is inflowing into its eighteenth year of its service in Engineering & Management Education. This is the accurate occurrence to manuscript and platform all the performances that are conceded in the campus. The candid efforts by the editorial panel, faculty and staff drawn in formulating the 16<sup>th</sup> issue of news bulletin are exceptionally substantial.

SSCE time and again assures the students' an acquiescent and benevolent ambiance with an exclusive learning discernment. Students conceded from our college in the precedent persistently had a prospect of transporting the most dominant evidence of their erudition.

The advanced observes of competent proceedings of the minutiae of all the recitals from the aperture have facilitated us to convey this news broadcasting a short time. This is irrefutably a conceited occurrence for all the SSCEians to have a conceit glimpse at the concerts packed yesteryears. Seminars, workshops, research paper publications and presentations, sports & games, blood donation camps, NSS, FDP, project grants, industrial expeditions, placement training and placement activities and many more, and moreover persuades all of us to accomplish additionally. The absolute applause of this realization goes to the entire faculty, technical staff, administrative staff, supporting staff and students of SSCE for their contribution, allegiance and resilience.

Pertaining the accessible and pragmatic ambiance, we are exceedingly convinced of dominating with novel and ingenious pinnacle in the domain of education in the imminent subsistence.

Again I would like to regurgitate the significant team work of SSCE family.

# EXTRAORDINARILY APPLAUDABLE ACCOMPLISHMENTS

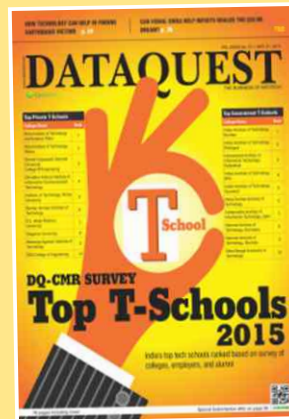

Ephemerally after the IEDC was proclaimed in our organization, the impending contrives from SSCE ascertained their competence adorning it with conquering accomplishments phenomenally.

GLOBAL ENTERPRENUERSHIP SUMMIT was organized by Innovators India in Association with AIESEC at Bangalore on 10th October 2014. Thirteen teams from assorted Departments from SSCE contributed in this agape and gargantuan competition. Out of which three teams substantiated their competence. As a traditional practice every year, This year also SSCE demonstrated their potentiality by grabbing all the 1st, 2nd and 3rd, all the three places with Gold, Silver and Bronze medals among all the 60 contributed teams globally all over India. The first place, gold medal was bestowed for proposing B-PLAN on Launching "E-COMMERCE TOOL" called "TRADITIONS.COM". The Second place, silver medal was bestowed for proposing B-PLAN on "BIO-DIESEL GENERATION". The Third place, bronze medal was bestowed for proposing B-PLAN on "COMMERCIALIZING ATTENDANCE SYSTEM".

Sri SAIRAM College of Engineering has been Conferred as the Utmost, Prime and Desired Engineering College of the year 2014 Engendering Dispersed Assortment of Engineers for the past Eighteen Years in the Realm of Technological Education bestowing for the Comprehensive Global Expansion Ephemerally after its Establishment in the year 1997 in Bangalore, affirmed by Higher Education Review Magazine.

Deliberating the 2015 exploration upshots, Dataquest has proclaimed Sri SAIRAM College of Engineering being reckoned and catalogued amid the Preeminent and topmost T-Schools in the Karnataka state.

The DATAQUEST magazine Once again ceremoniously categorized Sri SAIRAM College of Engineering in the 10th place in Bengaluru city, 13th place in the state of Karnataka and 83rd place amid all the topmost and preeminent Private Engineering Colleges in India. We are Exceedingly Conceited to procure this exceptional approbation successively and incessantly for the second time as well.

# SAI LEO TROPHY

The 7th state level Sai Leo Trophy Inter Collegiate sports meet began at 10 a.m. on 20th April 2015, at Sri Sairam College of Engineering. Nearly 13 Engineering Colleges from Karnataka have found reported to contribute in this Gala competition. Apart from the regular practice of the event "KABADDI", this year "VOLLEY BALL" was also incorporated into the duel.

The festivity was inaugurated by the Ekalavya Awardee, International Volley ball Player and Referee, Sri. Balaji Prabhu M.S, with the lighting of the lamp. Followed by felicitation to the Chief Guest with a bouquet as a mark of approbation. Dr. Y.Vijayakumar, Principal, SSCE, presided over the foundational gathering.

Valedictory function was schematized on 22nd April 2015 at 3 p.m., Sri K. N. Ananthram, Sub Inspector of police; Anekal was the Chief Guest. He highlighted the significance of sports events on par with the academics. He even recollected his nostalgias' and remarked sports & games alone can procure a virtuous physical competence. The winners were announced and honored with medals and mementos' based on their individual talents along with the most prestigious Sai Leo trophy. In "Kabaddi" New Horizon Engineering College was the winner with runners up as SSCE and in "volley ball" Jain Engineering College was the winner with the MSRIT as runners up.

Vote of thanks was proposed by the Management Representative, Mr. R. Arun Kumar.

## “PROUD to be an SSECIan”

Dear SSCE ians,

A journey of thousand miles begins with a single step!

The SSCE Alumni Association has been envisaged to foster a closely knit network, bridging the gap between budding SSCE'ians and Alumni. Every Alumnus of our institute has made us proud every time and again by achieving laurels around the Globe and we wish to showcase the same to our SSCE family. Moreover, it will acknowledge you with latest news and updates about the association's activities.

Every year college is organizing Alumni meet since 2005. Our 9th Alumni meet was held on 14th September 2014 (Sunday), at our institution. More than 60 alumni were present in this event, It was a great opportunity to interact with our alumni to relish & refresh the time spent together. It was a platform to rejuvenate the relations, share knowledge, new ideas and thoughts with our fellow mates, from their experiences.

We organized the 47th Engineers Day & 154th Birthday of Bharat Ratna Sir. M. Visvesvaraya . We had our Alumni Mr. Sarweshwar P Thoke , MD, Webfosys Pvt Ltd as our Guest of Honour.

# LIBRARIAN'S OCCUPATIONAL INTERROGATE

**Mrs. P. Rathna**  
Librarian

## 1. What are Your Professional Objectives?

First entity I would like to articulate about my occupation is that I am ardent and honored to be in a career associated with the gateway to knowledge. The most exquisite thing in present knowledge society & facilitating the students and other scholastic patrons to become enthusiasts by providing treasured information. I would always like to substantiate my role.

### Such as:

- To expand indulgence level of the library patrons by enriching library with assorted practices of information with the preeminent prospective assets of substantial accomplishment.
- To amplifying the prominence of library by augmenting interaction with the patrons.
- To construct SSCE library to be the 'Centre of excellence for learning'

## 2. Explicate the fundamental principles behind your vocation moves?

My most preferred fundamental ideologies are Fortitude, Commitment, diligence, value & ethics, Mortality, and responsibility.

## 3. Stretch an ephemeral introduction about your personal life?

I was born and brought up in a village near Hosur in Tamil Nadu. I perused my Bachelor's Degree in Science at Maharani Science College, Bangalore, and Bachelor's Degree in Library Science from Bangalore University and Master's Degree in Library Science at IGNOU. Currently perusing my PhD from Bharatiar University, Coimbatore.

I am propitiously married & blessed with two Daughters. I do have virtually 18 years' proficient experience as a pedagogical librarian. I am associated with this organization from July 2005.

## 4. Define your vocation? How do you substantiate it ?

Librarianship is a profession that necessitates assured aptitudes:

- Appropriate comprehension concerning the necessities regarding the library patrons & their categories.
- Converging and entertaining patrons enthralled assortment, pattern patrons
- Approachable expediencies incorporated with contemporary trends and technologies.
- Necessary conversant information in the domain of pioneering trends and technologies exclusively in the arena, the organization is proposing education. A Librarian ought to be cognizant with every information altogether.
- Administering reserves and human resources perceptively
- As acknowledged, I ensure prominence to 'gratification of the patrons'
- I do follow the potential practices to comprehend the patrons.
- Contemplate intentionally on constructing patron centric resources.
- Carry proportional exploration discovering and utilizing the available resources and accumulate novel resources in the library as well.
- As per the predictability, amend ancient facilities and structure novel amenities for smooth operation of the library.
- Recurrently I do pursue newspapers, magazines, various technical journals, virtuous books, exercise internet for augmenting my acquaintance and procure them.

## 5. Please do provide a transitory summary concerning your opulent experience, challenges and delights you emanated across in your position?

Throughout my career, as a librarian, I really emanated across virtually smooth impeccable and impediment accesses as well. My competencies abetted in influencing my character. I optimistically expedited all my experiences to procure a very resilient mind and even accomplished the techniques of handling circumstances reinstated.

The prime professional defy for an academic librarian could be, one has to defend exclusively for their privileges. Typically vocation achieves less significance. Additional defies I confronted was to endure patrons demands with fewer funds.

Advanced academic statutory bodies like AICTE and UGC recognition can be counted as my utmost reckoned delights of my career. These categories of establishments' will certainly facilitate any organization to construct vigorous and virtuous relationship with all pedagogic stakeholders' of the institutions. In this regard, I will incessantly remain indebted to the management for the enduring support.

## 6. What do you value most about our culture and values?

Culture is completely about procedures, guidelines and systems framed by a society for a refurbished and eloquent living. According to me, we can never ever be categorical and scrupulous human beings without culture and values. We ought to deference and follow our culture and necessitate certain values, moralities and ethics as well. I do always appreciate the Disciplined, Responsible and Facilitating people, who realize their errands and accomplish their efforts candidly and pedantically.

As far as our college culture is concerned, I will always be gratified to be associated with this acclaimed Organization which has an affluent culture, amalgamated with the right value' enfolded around holistic tutelage system that silhouettes our students into methodical human beings.

## 7. Who are you inspires with?

I am categorically enthused by the prodigious personalities like Swami Vivekananda, Mahatma Gandhi, and Mother Theresa for their sturdy & tranquil dynamism and altruistic competence.

## 8. What is your imminent counsel to the students' fraternity?

According to me, accomplishment for any human being can be reckoned from the time one realizes his errands and procures them ardently without expecting any repercussions.

I solemnly recommend the students' to realize the objective behind joining the Engineering, and their perspective of accomplishing them. I do want you to realize your strengths' & weaknesses' appropriately and emphasis on your aptitudes & utilize them to accomplish your ambitions & goals in life!

Do contemplate values and ethics. Discern and realize your cognizance recurrently, Trust yourself and you can attain whatsoever you yearn.
