## **REPORT ON MECHROCKZ AND SAIRAM WARRIORS IN SKC 2018**

"Engineering is not all about study but also implementation of things in real life". To fulfil this objective Sieger innovations has organized Sieger Karting Championship-2018 which allows engineering students irrespective of discipline to form a team to learn and to share the knowledge for designing and fabricating a go-kart.

Sieger Karting Championship is a GOKART design, manufacturing and racing competition initiated by the Sieger Innovations, Kakinada. The competition will involve static and dynamic stage and both will be held at the trackside itself. The teams from various engineering college will have to design, fabricate and race the vehicles by their own without any assistance of faculty adviser or professional engineers. However, the outsourcing of some parts is allowed. The event comprises of various categories and every category comprises of individual prize money with trophy. The process undergoes with evaluation of capabilities of the vehicle and the knowledge of the team members. Participating in this event will help the students to not only develop their technical knowledge but also build managerial skills. Two teams from Karnataka have participated in the event.

**Sri Sairam college of Engineering Team Mechrockz and Sairam warriors** comprises of 14 Engineering students from Sri Leo Muthu Innovation centre participated in National Level SKC-2018 from 12<sup>th</sup> March to 18<sup>th</sup> March 2018 in **Kakinada , Andhra Pradesh** under the captainship of Mr. Hemanth C Reddy and Ms. Divya.

**Our team secured technical Inspection award with Rs.5000 cash Prize. Our Girls Team driver Divya continuously drove the vehicle for 2 hours along with all the boys'**

vehicles without any problem. It was a good show in the event. Everyone talked about our Sairam warrior's team.

With positive support from Management Representative Dr. R. Arunkumar, Principal Dr. Y. Vijayakumar, Dr. Sivasakthi Balan Chief coordinator SLMIC and all HOD takes pleasure in appreciating the following students and faculty advisors Ms. Jeysri and Mr. Harish Babu. L for this remarkable achievement their continuous support and motivation.
