1. Review of previous meeting minutes – Review

- Proposal submitted for the financial assistance from VTU-TEQIP
- Feedback is collected and analyzed; responsibility is assigned to Criteria 1 head. Satisfactory work is been done by the respective in charge.
- AICTE sponsored Two weeks FDP on "Recent trends in renewable energy resources" was conducted from 16th Dec 2019 to 30th Dec 2019 at our campus.
- VR lab- SSCE is also the Nodal center, A FDP is been conducted to all faculty of Our college on 23rd May 2020 through ZOOM platform in association with NITK Surathkal, Karnataka.
- Due to covid 19 outbreak the Conference i7C will be organized through virtual platform.
- Global certification courses like ML, AIST, IOT, Cloud Computing, Data sciences, Artificial intelligence and many more trend areas.
- Many students and Faculty have successfully completed many certification courses from Udemy online platform.
- Certification course on AUTOMATION ANYWHERE is been taken by our students.
- Planned to start the Technical certification program for 13 days for circuit and non circuit branch students under Face Academy.
- Six hours program on Python only for 100 students
- Around 35 students have taken certification course on Microsoft
- In order upgrade the skills among Faculty and students in Emerging Areas and to strengthen placement activities SSCE has become the Member of NASSCOM FUTURE SKILLS.

2. SSCE is participated in NIRF ranking and result is to be announced.

| India Today | Applied | Awaiting results |
| ARIIA | 18/03/2020 | Awaiting results |

3. Global Certification courses

- Sairam institutions have given nearly 6000 licenses to most of the students and faculty to learn through Coursera platform. Many students and faculty are actively participated and completed many courses through world number one digital platform.
- At our institutions all faculty and 60% of the students are getting benefitted by Coursera

4. COVID-19 Challenges and opportunities-Education
- We switched over to digital platform for educating our students. We use Google class platform to upload the lecture videos, lecture notes and Lab videos too. We also conducted 2 internals through the same platform. Progress reports are also sent.
- Activities are done by the students and uploaded them to Google class by the students later the respective faculty have evaluated and return the same to the students as acknowledgement.
- Many faculties are attended webinar, refresher courses.
- We conducted 3 webinar for PU students and one placement webinar was organized to all 2nd and 3rd year students.

All in all nothing has stopped us to work for academics.

5. Other matters with permission
- An Academic Audit is been planned to ensure the effectiveness
 - Online classes are been conducted to clarify the doubts on request by students
 - Project review
 - Internships
 - Placements
