REPORT ON FACEBOOK SOI FINAL DEMO DAY

Event was organized by, **SCHOOL OF INNOVATION INDIA FROM FACEBOOK** in association with **SV.CO (Startup Village Collective)**. The game developed over Oculus GO on the topic **The Backyard Garden** was demonstrated on the final demo day along with the rest of the teams. Several Startup companies and also enthusiasts from the reputed companies like Qualcomm, Intel and Unity3d visited to experience the developed game. This game was developed over the course of 6 months with subsequent interactions with the assigned mentor, Mr.Pratham Seghal who is also a industrialist.
