

SRI SAIRAM COLLEGE OF ENGINEERING

ANEKAL, BANGALORRE - 562106[[

Core Values:

Excellence:

- We are committed to providing the best educational experience possible to every student.
- We build up and hunt the utmost standards in all that we do, and encourage an ambience for continuous improvement.

Responsibility:

- We endeavour for excellence in staffing, amenities, programs, and services.
- We promote sincerity and precision in support of student and employee success.
- We give confidence in responsible decision-making and divergence declaration that respects the decorum of others.

Community & Diversity:

- We trust that divergence and multiplicity make stronger our community.
- We respect and value all the people and their viewpoint.
- We cultivate a community of open and straightforward discussion that support a creative exchange of ideas, with good manners and respect, for the empowerment of all.

Social Responsibility:

- We believe in the value of society service, and in being energetic citizens of the Nation.
- We are dedicated to developing responsible citizens of the nation who are committed to social impartiality for all by providing opportunities for service, impartial education, and commitment.
- We contribute to fervour for making our community and the nation a better place.

Integrity:

- We uphold behaviours that contribute to the development of a positive community.
- We stick on to the strategy that respects all members of the community.
- We act ethically toward each other and to those in the communities we serve.
