Dear Jeevitha M,

Congratulations on accepting the job offer at Surya's MiB, Digital Services, V. Arumugaperumal & Co.! We are thrilled to have you join our team and look forward to working with you.

Regarding your enquiries, we will provide you with a detailed job description and responsibilities during your onboarding process. We have a diverse and inclusive company culture that values teamwork, innovation, and professional growth, and we encourage our employees to voice their opinions and ideas.

As per the company policy, you will have a three-month training period, after which an evaluation will take place to determine your suitability for the position. To move forward with the hiring process, please submit your bonafide and educational documents, a government-issued ID, and annexures. We will also send you an intra-form that will provide you with all the necessary information regarding your employment.

Thank you for accepting the job offer and for your enthusiasm about joining our team. We are excited to have you on board and look forward to seeing you thrive in your new role.

Best regards,

**Chief Executive Officer
Surya's MiB, Digital Services V.

V. ARUMUGAPERUMAL & CO

From
Owner & Chairperson,

Date : 15-04-2023

Ref.No.SS/MiB/2023/Iot/B-1/005

Dear Iot Internship Students,

We hope this letter finds you well. We are writing to you today as the Owner and Chairperson of Surya's MiB, Digital Services, V. Arumugaperumal & Co to express our gratitude for your hard work and dedication during your internship with us. It has been a pleasure to have you as a part of our team and to witness your growth and development throughout your time with us.

We hope that your experience has been both enjoyable and educational, and that you have gained valuable skills and knowledge that will serve you well in your future endeavors.

As the internship program comes to a close, we would like to remind you to submit any final feedback or evaluations. This feedback will be used to improve our program and provide future interns with the best possible experience.

In addition, we would like to inform you that we will be issuing certificates of completion for the internship program. These certificates will serve as a testament to your hard work and dedication during your time with us.

Finally, for those of you who are interested in pursuing further opportunities with our company, we encourage you to reach out to us. We are always looking for talented individuals to join our team, and we would be happy to discuss potential future employment opportunities with you.

Once again, we would like to express our appreciation for your contributions to our company and wish you all the best in your future endeavors.

SURYA'S MiB

INTERNSHIP AGREEMENT

This INTERNSHIP AGREEMENT (hereinafter referred to as the "Agreement") is effective as of **December 16th 2021** by and between **A.R.Kaja Kutbudeen**, an individual and a student of Sri Sairam College of Engineering (hereinafter "Contractor") and Superbolt Technologies Private Limited (hereinafter "Company") (collectively referred to as the "Parties" and each a "Party").

WHEREAS, Company and Contractor desire to enter into a business relationship upon the terms and subject to the conditions set forth in this Agreement; and

WHEREAS, each Party is duly authorized and capable of entering into this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, representations, warranties, and obligations set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Term.** The term of performance under this Agreement shall begin as of and shall continue for a period of **December 2021 to June 2022** or until this Agreement is terminated according to the terms of the paragraph below entitled Termination (the "Term").
2. **Compensation**
 - a. **Pay Structure.** Company hereby agrees to pay Contractor as follows: Contractor will be paid a stipend of Rs 7,000.00 Payment will be made as compensation for Services rendered to Company. Contractor is to be paid only for Services actually rendered while Contractor is actually performing Services under this Agreement. The pay structure may be adjusted from time to time by Company, in its sole discretion.
 - b. **Pay Period.** Contractor will be paid once per month. The pay period may be adjusted from time to time by Company, in its sole discretion.
 - c. **Business Expenses.** Unless Company gives its prior written consent to the contrary, Company will NOT reimburse Contractor for out-of-pocket and other such business expenses incurred in connection with carrying out Contractor's duties and responsibilities, and Contractor will be solely responsible for paying these expenses itself.
3. **Benefits.** Contractor shall only be entitled to such fringe benefits as may be provided from time to time by Company to other contractors occupying similar positions with Company. This Agreement is for the sole benefit of Contractor and Company, and is not intended to create a benefit plan or to modify the terms of existing plans. Any benefit plan contemplated by this Agreement shall be governed solely by the terms of the underlying plan documents and by applicable law. Nothing in this Agreement shall impair Company's right to amend, modify, replace, or terminate any and all such plans in its sole discretion, as provided by

Dear Student,

We would like to congratulate you on being selected for the **Machine Learning With-Python(Research Based)** Internship position with **Compsoft Technologies**, effective Start Date **2nd September, 2022**. All of us are excited about this opportunity provided to you!

This internship is viewed as being an educational opportunity for you, rather than a part-time job. As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts of **Machine Learning With Python(Research Based)** through hands-on application of the knowledge you learn while you train with the senior developers. You will be bound to follow the rules and regulations of the company during your internship duration.

Again, congratulations and we look forward to working with you!

Sincerely,

Nithin K. S

Dear Student,

We would like to congratulate you on being selected for the **Machine Learning With-Python(Research Based)** Internship position with **Compsoft Technologies**, effective Start Date **2nd September, 2022**, All of us are excited about this opportunity provided to you!

This internship is viewed as being an educational opportunity for you, rather than a part-time job. As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts of **Machine Learning With Python(Research Based)** through hands-on application of the knowledge you learn while you train with the senior developers. You will be bound to follow the rules and regulations of the company during your internship duration.

Again, congratulations and we look forward to working with you!

Sincerely,

Nithin K. S

Project Details

About the Company

Quikr is India's no.1 online classifieds platform, a place where people can connect with each other to buy or sell goods and services. At Quikr, we have created an online community which is simple and secure. We are constantly innovating so that users can buy and sell in the easiest and most convenient way possible. We recognized that getting a fair price could be a hurdle for our customers, and we developed a Maximum Selling Price (MSP) calculator to help users estimate a reasonable price range. We also pioneered the Missed Call service in India, enabling first time or non internet users in India to give us a missed call so that we can help them post an ad. This way we aim to make people 'Quikr' users, perhaps even before they are internet users

Project Steps

- The Project Manager will provide pre-determined Ad Posting and Response Collection Schedule to all the students. Students will be required to strictly adhere to the Dates mentioned in the Schedule while posting their Ads or Collecting the Response Details.
- Design and post advertisements in various categories on the online classifieds portals as a mystery shopper. The list of classifieds sites will be mentioned in the Ad Schedule (Students should strictly adhere to the Dates and Other Details mentioned in the schedule while posting their Ads)
- Once done, Record your Ad Details & Ad Posting Experience by 1. filling in the Ad Details Sheet (will be provided by the Project Manager along with the Schedule) and 2. taking screenshots of the Ad Postings and sharing it with the Project Manager via Google Drive.
- After the Ads are Posted, Keep them Open for at least 5 days and Record the Daily Responses from interested buyers on timely basis in terms of quality and quantity of number of calls received, SMS queries received, Emails received, Quikr Chat messages received or contact through any other social platform (eg.Whatsapp). Quality of responses would mean the seriousness of the buyer. (This is to be done using the Ad Details & Response Sheet shared with you by the Project Manager)
- **NOTE:** As mentioned above, once you have posted the ads, you will start receiving phone calls and messages from interested buyers. You will need to respond to them and then note down the details. Therefore, If you are not comfortable dealing with multiple phone calls/ messages from strangers, Do Not Apply to this project.
