Sub: Report on ICT – Paypal -Student Enablement Programme- from 13/2/2023 to 07/03/2023

ICT academy - PayPal conducted Student Enablement Programme for 100 final year students. The programme was conducted for 20 days (140 hours) in 2 batches from 13/2/2023 to 07/03/2023.

The training programme was taken in two parts: Artificial Intelligence for first 100 hours from 13.2.2023 to 28.02.2023 and Soft skill training for next 40 hours from 1.03.2023 to 07.03.2023.

The students were divided in to 2 Batches, where Batch1 comprised 57 CSE students and Batch2 comprised 47 students among which 28 were from ECE and 15 from EEE .

For Batch - 1, the AI course was taken by the trainer Mr Madhukur Wakare and the soft skill training was taken by Mr. Dhruva Das.

For Batch - 2, the AI course was taken by the trainer Mr. Syed and the soft skill training was taken by Mr. Ramakrishnan.
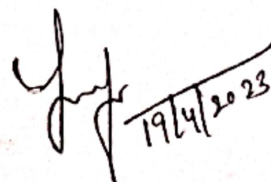

The course content for AI was:
- -Understanding AI
- - Understanding capabilities of AZURE
- -Monitor Cognitive Service
- - Use of Pre-built Models
- -Create Language Understanding Client App

The course content for Soft skill Training was:
- -Communication
- -Self_Presentation
- -Resume-Preparation
- -Emotional Intelligence
- -Interview Preapration
- -Mock Interviews

The students attended 3 mockup assessments and 1 final assessment conducted by ICT academy and Certificates were issued for all.
