

28 April 2023

Submitted to the Principal:

Sub: Report on Placement Awareness Program – Pre Final Year Students on 26/04/2023.

The TAP Cell organized a placement awareness program for the pre final year students (2024 Batch) on 26 April 2023.

Dr. L. Arunachalam, Dean, Sairam Group of Institutions addressed the students and given orientation on placement preparation. Around 185 pre final year students from all branches attended the program.

The program started at 11.00 AM with the welcome address by Dr. Arunkumar, Management Representative, Sri Sairam College of Engineering. Dr. Arunkumar explained the main objective of the program and insisted the necessity of acquiring technical skill to get better placement. Dr. B.Shadaksharappa, Principal, Sri Sairam College of Engineering, addressed gathering. He explained about points to be noted during resume preparation. He further explained about the importance of developing students' coding skill.

The Dean shared his experience in placing the students in various companies. He discussed the importance of having industry required skill sets apart from CGPA. Further, he added that undergoing certification course like will help to acquire the required skill sets. As a case study he explained about Amazon Web Services (AWS) Certifications, Infosys SpringBoard Certifications. He insisted the student to practice coding, aptitude in Skillrack portal. He said, Skillrack plays a vital role in placement preparation. Further, he added that giving false information to the company or indulging in malpractice during the interview assessments would lead to trouble.

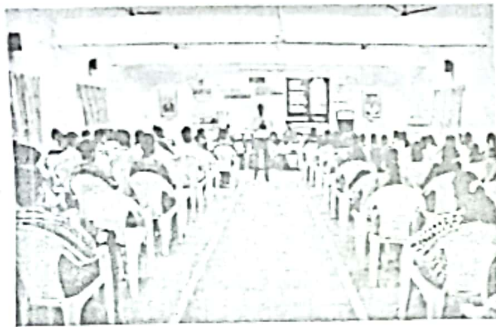

The program ended at 12.30 PM.
