ISTE Program on

"Industrial Expectation Awareness Program – 3rd and 4th year students"

24th August 2019

The Department of Electronics & Communication Engineering has organized Industrial Expectation Awareness Program in Bangalore under ISTE Banner for the students of ECE on **24th August 2019.** The aim of the Program was

- To make our students to understand how Object-Oriented Programming System works in industries and its practical applications using Java and C++.
- Giving exposure to our students to exhibit their talents in industry.
- Alumni Samith has interacted with students to discuss about industry expectation from freshers such as Strong basics in coding.
- Facing Interviews with confidence.
- Briefed about Ability of multitask, Flexibility and analytical skills.

Students have given positive feedback and have interacted with joy and enthusiasm, Students requested to have a hands on session under the topics of OOPs using Java and C++ during the weekend days.
