As a part of CASH or ICC our principal Dr. B. SHADAKSHARAPPA sir and Management representative Dr. R. ARUNKUMAR sir encouraged to conduct an "awareness program on Safety of Girl child" to primary school children. The Program was organized by the ICC Committee Coordinator Dr. P GANGAVATHI and the same was conducted at "SARKARI HIRIYA PRATHAMIKA SHALE"-Thamnayakanahalli on 11/03/2020 for school children by the Student representatives of the Committee Members MANAGALA A (1SB17CS042), SANDHYA D (1SB17EE025), SWATHI S (1SB17EC053), RASHMI K (1SB17EC036) and Staff Committee Members. The awareness session was conducted for both the genders falling in the age group of 8 – 12 years. The awareness is given to the children with respect to 'GOOD TOUCH & BAD TOUCH' and also they were made to understand and aware what kind of behavior they should watch out among adults. They were also told about the body parts which no one should touch and in case somebody tries to touch them inappropriately, they should raise their voice and say 'NO'. The awareness is given through pictures and award winning videos for better understanding. In case of any danger and emergency the Kids were told to reach out for help to the person whom they trust most. The most trustable person includes mother, teacher, father, somebody from neighborhood or some close relatives. Some simple activities were conducted with the children so that they are able to relate themselves with what they were taught. The session helped the children shed their inhibitions and reservations linked with the topic of sexual abuse. The program concluded with thanks giving. This activity by our institution members was appreciated by BOE Anekal taluk and School officials.
