NEWS EPISTLE

C.E.O MESSAGE

Sri. Sai Prakash LeoMuthu
Chief Executive Officer,
Sairam Group of Institutions

I am extremely delighted to present the record of suitable proof of the remainder "MINCHU". It is the most recent references of the necessary works carried out in our organization regarding the seminars, workshops, research work publications & presentations, sports & games, blood donation camps, NSS, FDP, Project grants, industrial visits, placement & training accomplishments. Which further inspires all of us to accomplish further more. Sri Sairam College of Engineering always do have a tradition of reaching the under privileged in the society contributing for the development of the nation & society as well.

Achievements are never measured individual, but it is always a meticulous team work. I would like to mention the constant hard work of the principal & the staff in generating the 24th News letter.

We do continuous attempt to remain ahead in the field of education with the most exclusive and resourceful methods of teaching in the forthcoming years.

Again I would like to appreciate the significant team work of Sairam family.

SAIRAM FAMILY CONGRATULATES ON BEING PROMOTED AS PRINCIPAL

Dr. B Shadakshrappa
Principal
Sairam College of Engineering

Excellent character and pursuit of excellence have brought you to this moment. May your new position bring you joy, There were no shortcuts on your path to promotion. Congratulations on persevering every step of the way.

PRINCIPAL MESSAGE

I am glad to present my first message as principal for our "Minchu newsletter", which is the co-operative evidence of the reports that took place in our organization, I would like to appreciate everyone who contributed for the attainments of the organization and facilitating us to inflow into the 23rd year of the service in the technological education. The honest and widespread efforts of the editorial panel, faculty and staff in engendering the proceedings and endeavours of the institution are really crucial .

It is imperative to remark now that the technological instruction in India is enduring a major transformation both in terms of prominence and capacity. The prospects of the corporate, society and parents are changing every day. To endure these challenges, we are left out with the only preference of upholding qualitative processes like seminars, workshops, research paper publications and presentations, sports & games, blood donation camps, NSS, FDP, project grants, industrial expeditions, placement training and placement undertakings and many more.

The informed bulletin proposes to treasure the tender memories of our organization empowering us to succeed and accomplish added objectives for the growth of our establishment.
