

REPORT ON IIC Mentor- Mentee Program

We are glad to inform that our Sairam Institute's Innovation council has been selected as mentor institutions for the **Mentor-Mentee Program of IIC, MIC**. A total of 50 IIC institutions are selected as mentor institutions.

Objective of Mentor-Mentee Program

The objective of Mentor-Mentee scheme for IIC institutions is to engage high performing IIC institutions specially those have secured star rating of 4 and above during the previous IIC calendar year to act as mentor to the IIC institutions those are need of guidance and support. This twining program will help IIC institutions to facilitate knowledge exchange and resource mobilization between institutions by offering inter-institutional collaborations. Scheme is designed to mentor 5 mentee IIC institutes by one mentor Institute.

Through this scheme, approximately 50-60 no's of high performing IIC institutions will act as mentor to 250-300 IIC institutions as mentee on a ratio of 1:5. Each eligible mentor institute will get funding assistance of up to **Rs. 40,000/- per mentee institute** and expected to mentor 5 mentee institute from MIC/AICTE to organise the prescribed activities for mentee institutions.

For the mentor-mentee program, MIC has received applications from 270 high-performing IIC institutions meeting the basic eligibility to join as mentor institutes. As per the scheme and budget provision, a maximum total of **50 IIC institutions** can be supported under this program, therefore the evaluation committee has considered the following shortlisting criteria to prepare the finalist of mentor institutions with financial support from MIC.

1. Consideration of IIC institutions that have secured 4.5 or 5 stars in the IIC2.0 annual performance star rating.
2. Ensuring homogeneity in the distribution of mentor institutions across all zones/states proportionate with the number of prospective mentee institutions are in zones/states.
3. Activeness of IIC institutions in the current IIC3.0 calendar year (Q1 &Q2) by taking numbers of approved activities of the IIC institutions.
4. Consider only one IIC institution with a maximum number of approved activities in the IIC3.0 (Q1 &Q2), in case applications are received from more than one IIC institution that belongs to the same group of institutions.

Expected Outcomes

- Active participation and involvement of students, faculties and staff and most importantly members of the IIC institute in the program.
- Awareness generation among students, faculties and staff on recent developments and approaches in for innovation, entrepreneurship and intellectual property and their importance in wealth creation at individual level and national level.
- Nurturing leadership potential of student innovators, and entrepreneurs by providing them coordination role to achieve the program objective.
- Program will set foundation for institute's participation in MoE's Innovation and Entrepreneurship initiatives such as IIC, ARIIA, Hackathons, NISP, National Innovation Contest, and YUKTI 2.0 and related programs at MIC and AICTE.

With continuous support from Principal, Management Representative, All HoD's, Convenor, Coordinators, Faculty members & Students we have achieved this milestone.
