Submitted,

Sub: Report on Two Days Workshop on “Virtual Accelerator on Java” during 6th - 7th January 2022 for ECE Students – Reg.

With respect to the above subject, We Department of Electronics & Communication Engineering organized Two Days Workshop on **“Virtual Accelerator on Java”** for students of ECE 6th & 7th January 2022 in the campus. The Workshop provided an interactive atmosphere between the resource persons and the participants. The objective of the Program is to enhance the programming skills in the JAVA for the students to expose their Knowledge in soft skills.

The program inaugurated on 6th January 2022 by our beloved Principal Dr.B. Shadaksharappa, Dr. Prabhakar T.N and the Chief of Guest Sri.K Uday Bhargav and Ms.Nidhi Shrivastava.

Dr. Prabhakar T.N, Head of the department, Electronics & Communication Engineering welcomed the Chief Guest and the gathering. Our beloved Principal, Dr. B. Shadaksharappa delivered the presidential address, in his address he motivated the students to enhance the Programming Skills through Java . Chief Guest Sri. K Uday Bhargav briefed about the current technology like Java,Python. The inaugural session ended with vote of thanks by Dr.T.N Prabhakar, ECE, SSCE.

The session started with “Introduction to “JAVA” and continued by Operators,Classes,OOPS Concepts,Daa Structures,Syntax and its coding Practice has been done with examples. Participants got familiar with coding in Java and it went as very interactive session.

As per the instruction from government and VTU unable to continue it on January 7th so the hands on session Continued on January 13th through online.The **valedictory** was held through online on 13th January 2022 between 3.30 pm to 4.00 pm. The function was presided over by Principal Dr.B. Shadaksharappa and Dr.T.N Prabhakar, ECE, Head of
