Report - Webinar on "e - Mobility & Entrepreneurship"

Department of Electrical & Electronics Engineering of Sri Sairam College of Engineering, Bengaluru in association with our MOU partner SkillShark EduTech who are the pioneers in the skill development and training in the areas of renewable energy, AI and e-mobility platforms, hosted **Webinar on "e-Mobility & Entrepreneurship"** on 16th December 2020 (Wednesday) between 11:30 am and 1:00 pm, successfully through Google meet platform.

The program is started with a video play on "A vision - Department of Electrical & Electronics Engineering" prepared by EEE students. Prof. Malini.K.V, HOD/EEE welcomed the resource person Mr. Ashhar Ahmed, Director Skill Development & Entrepreneurship, SkillShark EduTech. Dr.B.Shadaksharappa, Principal, Dr.ArunKumar, Management Representative, Sri. Patel, PRO, all HODs, Staffs & students. Dr.B.Shadaksharappa, Principal addressed the students and motivated the students to participate webinars in the emerging technologies.

The resource person encouraged the participation and involvement of the students. It was an insightful presentation and excellent session where he narrated the real scenario of EV Vehicle in the Automobile industry and the scope for electrical engineers

Feedback is collected through Google Form. The session winded up @1:00pm with vote of thanks by Prof. D.A Vennila.
