Sub: REPORT ON “UNIQUE CAREER“- WEBINAR BY ABHISHEK R R, ALUMNI, ECE-REG.

With respect to the above subject, Sri Sairam College of Engineering, the Department of Electronics & Communication Engineering organized online Webinar on “UNIQUE CAREER” under Institutional Innovation council (IIC) Activity for all students and faculty on 13th January 2021.

The Webinar Program was started at 10:30am through online Zoom platform. The Webinar was inaugurated with a welcome speech by **Prof. Sivaprakash C**, HOD in Electronics & Communication Engineering Department. Sir introduced the resource person **Abhishek R R**, passed out from **ECE in year 2016**. He completed ETO course from AMET University in 2017 & was the best outgoing student for the academic excellence. He has received India in 2019, presently working as **Electro Technical officer with Anglo Eastern Company which is world's number 1 ship management company** with brief introduction.

Our beloved Principal **Dr. B. Shadaksharappa** delivered the Presidential address to the gathering and he addressed to the participants about the importance of attending the webinar on the **Unique Career**. Sir conveyed the importance of knowing about the wide opportunities that is available to students in the career.

Department of Electronics & Communication Engineering

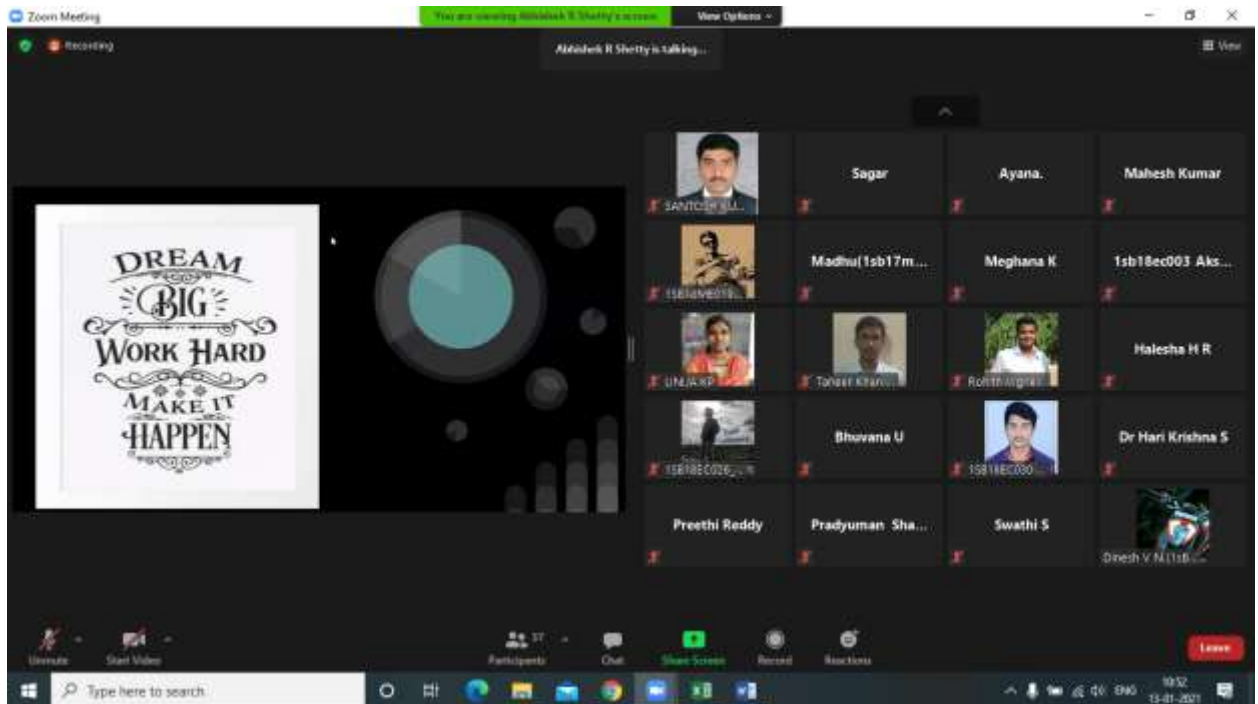

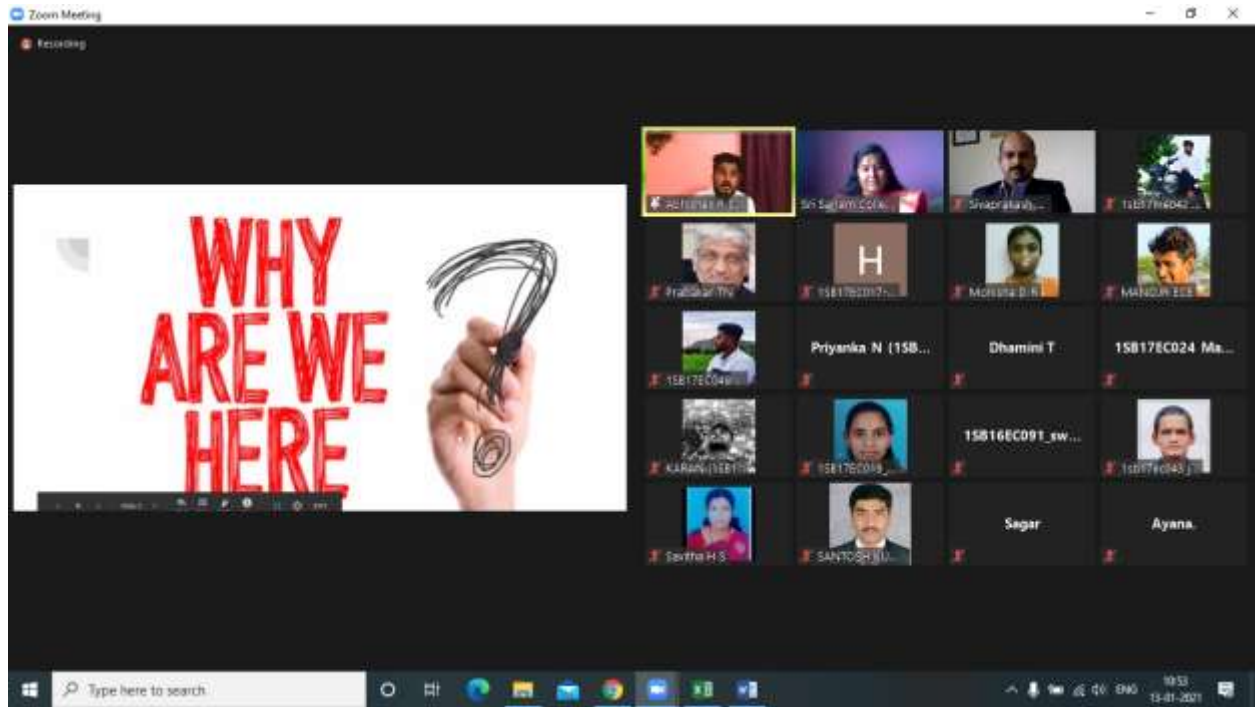

Resource Person **Abhishek R R, Electro Technical officer with Anglo Eastern Company** has delivered presentation on Unique Career. **He** focused more on Marine and Navy with practical examples, gave insight about how to compete with the competitors and had given insight for the students to share their ideas if interested in the marine and shipping career. He also gave the details of the work procedure on ship and also about the packages that they will be paid. Mainly he conveyed that not only boys even girls are also having equal opportunity in the marine.

Prof. Aruna R, Asst. Professor of ECE hosted the program and organized interactive session with Resource Person & Students. Students clarified their doubts with Resource person. The webinar is ended by proposing the formal Vote of Thanks.
