Dear sir

I am handling Mechatronics course (17ME753) for the 7th semester mechanical students.

we are interested to conduct a special guest lecture on
" Microprocessor Architecture" for 7 sem students. This guest lecture will enhance the student's knowledge in the
microprocessor field.
we are interested to invite our professor C.Sivaprakash ,Prof & Head, Electronics and communication Engineering as
our guest for the lecture on 11/12/2020.

This is for your kind persual

with regards,
VIJAI.R
Asst.,Professor
Department of Mechanical Engineering,
Sri Sairam College of Engineering
Anekal
