**Report on Blood Donation Camp**

On the occasion of 71<sup>st</sup> birthday of our late beloved Chairman, Sri MJF Lion LeoMuthu, Blood donation camp was organized on 2<sup>nd</sup> April 2018 by the Red Cross and Lions Club. The students and faculty optimistically participated and contributed in the blood donation.

The Dignitaries, Principal, Dr. Y Vijaya Kumar, Vice Principal, Dr. B Shadakshrapa, Management Representative, Dr. R Arunkumar, Red Cross Member, Sri. Shamsundar, and Dr Naresh Babu, graced the occasion. The Camp was inaugurated by the Principal, Dr. Y Vijaya Kumar, SSCE.

In the presidential address, Principal, Dr. Y Vijaya Kumar, stated about the Significance of the Lifesaving facet for the Life, is blood.

In a special address, Management Representative, Dr. R Arunkumar spoke about the late visionary Founder Chairman, Sairam group of Institutions, who was born in a middle class family, began his career as a government employee and rose to become a highly successful entrepreneur band, made all his fortune from real estate business spread across south India.

Despite being a busy and highly successful businessman, he always found enough time and had the passion to serve the society. He always wanted to make a significant contribution to the society.

He was actively associated with the Lion's movement and was instrumental in starting "The Academy for Blind" and "Home for Aged" under the community service program of the lions club. Besides, he is also actively associated with a large number of Educational, Social and Medical activities in south India. Today to his credit, he has 19 different Institutions under Sairam group.

In an Exclusive address, Sri. Shamsundar expressed a profound gratitude to the Sairam Management for organizing such evocative programs extremely constructive to the society. He also disseminated the certificates to the participants for their active contribution who made this program a grand success.

Your faithfully

Dept. Physical Education & Sport  
Report on the 69<sup>th</sup> Republic Day Celebrations - 2018.

27.01.2018

26th of January is a gala day for every Indian. On 26th Jan. 1950, the Constitution of India came into force and our country, India became the Republic. The 69<sup>th</sup> Republic Day was celebrated at our College Campus on 26<sup>th</sup> January 2018. The Dignitaries, The Vice Principal Dr. B. Shadaksharappa; PUC Principal Dr. Munireddy; CAM Sri. Gajendra; Trust Office Manager, Mr. Maheswar; 32 staff members of engineering and PUC of Sairam college and 402 students of engineering and PUC attended and graced the occasion. The Flag was hoisted by the Vice Principal Dr. B. Shadaksharappa.

Welcome speech was delivered by Mr. Ananda Raju.K, Lecturer in Kannada SSPUC. Dr. B. Shadaksharappa in his address highlighted the significance of the day, Republic means the supreme power of the people living in the country and the only public has the right to elect their representatives as a political leader to lead the country in the right direction. So, India is a republic country where we people elect our leaders as a president, prime minister, etc. Our great Indian freedom fighters have struggled a lot to get our freedom back. They have

struggled so that their future generations may live without struggle and led country ahead. and made the students aware that the future of their country lies in their hands.

Dr. muni reddy principal in his speech highlighted Republic day is celebrated on 26<sup>th</sup> January from since 1950. Today we all are here to celebrate 69<sup>th</sup> republic day of our nation. India got independence since 15<sup>th</sup> of August 1947, which is celebrated as Independence Day. And on 26<sup>th</sup> January 1950 the constitution of India came into force, so we celebrate this day as republic day of India. This was followed by dances and songs performed by Engineering and PUC students. The function ended with the Vote of thanks given by Manjunath PED.

Sweets were distributed at the end of the function.

## DEPARTMENT OF NSS UNIT Report for Trekking program

05.02.18

Trekking program was organized for the complete NSS UNIT on 3rd February 2018 to Antaragange, Kolar. Antargange is rocky hills range situated at kolar. Its height is about 1226 Mts. we needed to climb 150 steps to reach the temple. All the 50 students along with four faculty participated enthusiastically in this program. All the students were told about the rules and the regulations of the camp by Manjunath PED. All the amenities such as water food and first aid kits were carried.

There are 2 options to reach the top of the hill one is by walk and another is by vehicle. the road is good to reach but one cannot enjoy the trek by road. Hence we

decided to climb the hill, The trekking was of moderate risk, while climbing we found few waterfall, The cave exploration was much difficult but then it was an outstanding, After caving exploration we reached the hill-top, the entire Kolar is visible which gave all students a wow experience. While climbing the hill we found lot of plastics and we collected those plastic and placed at one place and felt the satisfaction of cleaning while trekking.

## Report on Beat Plastic Pollution held Uruganadoddi

Mr. Manjunath. K. N, Physical Education Director, Prof. Santosh Kumar & Prof. Halesh, Department of Electronics and Communication Engineering with our NSS team have arranged the program '**Beat Plastic Pollution**' in association with Forest department, on 05/06/2018.

We purchased around 50 small plants and left the college at 10.00am. Before reaching the Uruganadoddi, we given the proper instruction for our students to clean the roads without any plastic items. After that only, we have the plan of tree planting.

World Environment Day (WED) is celebrated on the 5th of June every year, and is the United Nation's principal vehicle for encouraging awareness and action for the protection of our environment. World Environment Day has grown to become a global platform for public outreach, with participation from over 143 countries annually. Each year, WED has a new theme that major corporations, NGOs, communities, governments and all celebrities worldwide adopt to advocate environmental causes.

In connection with the above celebration, our team has taken up the activity of picking up the plastic waste on both the sides of forest road stretching from Uruganadoddi to Thattekere. Later, the tree planting program was also carried near Mahadeshwara temple. The students were also made to know the importance of this day.

Total no. of students present were 23.

## Report on Save Mother Earth

22/03/2016

Planting trees are very essential to maintain ecological balance in the earth and to increase the level of rainwater. Our NSS unit from Sri Sairam college of Engineering, Anekal Bengaluru, along with the Forest Department of Karnataka, celebrated World Plantation day on 21.03.2016. A one Day camp was organized for Tree Plantation. The program was inaugurated by Mr.Ravikeerthi, Ranger, Forest Department, Anekal. a crew of officers from the forest department along with our 10 faculty members and 60 students were with us on that occasion.

NSS Program Coordinator, NSS volunteers planted more than 150 plants. The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. Eventually, the ground attained a glorious look. The committee decided to proceed with the same inspiration, enthusiasm and zeal to enhance the beauty of the college campus.

The students and lecturers selected the empty places and the roadside to plant saplings in a well-organized way. The saplings were supplied by the local municipality corporation. In order to restore the eco-balance of the afforestation drive was taken with all seriousness.

On this vocation our students also decided to ban plastic usage in our college campus and save our environment. Anyway, participants were highly enthusiastic to make it a big success. The students planted saplings, and fenced them and watered the plants. Every step of the program was appreciated by the representatives of the administration and the local forest department officials. The program created a great stir among the general public too.
