An Infosys Industry-Academia Partnership Program

## Memorandum of Understanding

This Memorandum of Understanding ("MOU") is between Infosys Ltd, a company incorporated under the laws of India with its registered office at Electronics City, Hosur Road, Bangalore - 560 100, India (hereafter referred to as "Infosys"); and

SHIRADI SAI ENGINEERING COLLEGE an university /  
engineering college committed to educational excellence having its office at  
SAI LEO NAGAR, SAMANOHUR POST  
ANEKAL, BANGALORE - 562106 (hereafter  
referred to as "Partner").

### RECITALS:

- A. WHEREAS Partner has been established for the purpose of enriching the technical education process and to jointly work for enhancing the quality of education imparted to students of all the engineering disciplines in the field of Information Technology (IT).
- B. AND WHEREAS Infosys wishes to collaborate with the Partner for the purpose of enriching the technical education in new subject areas, learning-teaching process and to jointly work for enhancing the quality of education imparted to students of all the Information Technology ("IT") disciplines.
- C. AND WHEREAS Partner with assistance from Infosys has goals for enhancing the quality of the technical education for students thereby enabling them to meet the industry needs and to be recognized globally.

NOW THEREFORE THE PARTIES HEREBY ACKNOWLEDGE AND AGREE AS FOLLOWS:

1. This MOU is for collaboration between both parties, for mutual benefit, to enhance the quality of the educational experience of students of the Partner and for the specific purposes detailed in Annexure I of this MOU
2. Infosys shall be responsible for providing the requisite course material, publicity material such as handouts, information brochures and posters and conducting faculty enablement programmes as agreed between the parties.
3. The Partner shall be responsible for providing the requisite infrastructure, network and internet access and any other facility required for the education and training.
4. It is agreed that the terms and conditions of any agreed cooperative project (s) as outlined in Annexure I of this MOU shall be the subject matter of separate definitive agreements to be negotiated and agreed upon by the Parties and or any third parties, wherever applicable, provided always the decision whether to initiate and/or implement any proposed cooperative projects shall be subject to the availability of funds and human resources on the part of each Party.
5. The parties, their representatives, and/or assignees, following the execution of this MOU, desire to maintain close contacts with each other to achieve the goals and objectives of, and to develop the ideas acknowledged in this MOU.
6. Both parties hereby agree to designate a representative from its side who will be the primary point of contact on behalf of that party.
7. Any expenses incurred by the parties for the purpose of this MOU shall be agreed upon and shall be borne as per the mutual agreement.
8. Notwithstanding any other provision of this MOU, neither party shall have any right to use any trademarks or trade name of the other party, nor to refer to this MOU or the obligations performed hereunder directly or indirectly, in connection with any product, promotion, or publication without the prior written approval of the other party
9. All information which has been disclosed to or obtained by either party at any time during the implementation of this MOU, is confidential information. For this purpose the parties agree to sign the binding non-disclosure agreement in Annexure II.
10. The terms and conditions mentioned herein shall commence on the execution of this MOU and shall continue for a period of two (2) years from the date thereof

or for such period as may be determined or extended by the parties from time to time by written notice, unless terminated by either party in accordance with this MOU. Either party may terminate this MOU at any time by providing three (3) months written notice to the other party.

11. Any notice required to be given hereunder shall be in writing and shall be deemed to be sufficiently served on the party if sent by hand or by registered post to the addresses of the party as stated in this MOU. Notices shall be deemed received:-
  - (i) If sent by registered mail, three (3) days after posting;
  - (ii) If by hand, on the day of delivery; and
  - (iii) If sent by telex or facsimile to the correct number or designated address within seventy-two (72) working hours.
12. Both parties agree to take all reasonable steps to ensure the successful completion of the collaboration, and co-operate with each other in duly carrying out the obligation agreed upon.
13. The expiration and termination of this MOU will not affect the terms of those activities, which are in progress at the time of notification of expiry or termination of the MOU.
14. On the termination or expiry of this MOU or when requested by Infosys, the Partner undertakes to return all materials to Infosys without any delay.
15. Each party shall ensure that they do not actively solicit the faculty of the other party who is involved in the implementation of this MOU during the period of such faculty's involvement with the program and for six (6) months thereafter.
16. Both the parties agree that Infosys is not obliged on account of this MOU to recruit any fixed number of students from the Partner.
17. This MOU is an indication of good faith and intent on the part of both parties and does not create any legal obligations between them. In the event of any differences or disputes arising from the implementation of the provisions of this MOU, the parties shall as far as possible settle such differences or disputes in good faith by consultation or negotiation between the parties.
18. Save and except for Clause 6, Clause 7 and Clause 8, this MOU is not a legally binding contract and under no circumstances does this MOU subject either of the parties to liability for breach, whether material or minor, of contract or any other liability under international law or the laws of the country of the respective parties or any other applicable law.

19. The parties hereby agree that they are not bound exclusively by this MOU and are at liberty to enter into any separate agreements or arrangements with any third party without reference to the other party.

In written whereof both parties put their hard seal on the day, month and year herein mentioned.

**ANNEXURE I**

**PURPOSE / SCOPE OF THE COLLABORATION:**

Infosys shall facilitate and share inputs with University / College for imparting technical and soft skills training to the students. The content of the training programs and the Faculty Enablement will be done by Infosys. The details shown in Annexure I are only indicative guidelines, and Infosys may change the following at short notice at its discretion.

There will not be any cash incentive for the faculty members involved in the training programs (Technical / Soft Skills) at the institution. However, value-added offerings will be there to motivate the faculty members.

**Student / Education**

1. Create a project bank for final year students
2. Publish Infosys courseware On the Web and provide access
3. Conducting special lectures for students at campuses
4. Participate in Conferences at the national/international level in the college / Seminars/ Contests
5. Increase employability by providing technical and soft skills training
6. Encouraging the students to visit Infosys Campuses

**Faculty**

1. Sharing Industry oriented-courseware and Technology
2. Faculty Enablement Program
3. Sabbaticals at Infosys
4. Interaction with subject matter experts

**University / College**

1. Share best-in-class standards (a) College-college (b) Industry-college
2. Books / CDs / DVDs etc for the library
3. Strengthen relationship with Universities / Colleges
4. Work with education bodies / universities to align the industry requirements into the college curriculum

**ANNEXURE II**

**MUTUAL NON-DISCLOSURE AND CONFIDENTIALITY  
AGREEMENT**

This is an agreement ("Agreement" hereafter) between:

- **INFOSYS LIMITED**, with its registered office at Electronics City, Hosur Road, Bangalore 560 100 ("Infosys") including its successors; and
- shirdi sai Evga college operating out of 3rd 1st stage, Saranathur (Post), Anand, Bangalore - 560106 ("Partner") including the Partner's employees, affiliates and successors at the time of the entering the agreement and during the tenure of the engagement,

that is effective 12.12.2011.

The parties possess competitively valuable Confidential Information (as hereinafter defined) regarding their past, current and future services and products, research and development, customers, business plans, software, listings, holdings, alliances, investments, transactions, intellectual property and rights associated thereto and general business operations. The parties wish to enter into a mutually beneficial relationship, and as such, wish to share their Confidential Information with the other party, including its authorized employees and agents. For the purposes of this Agreement, the party that discloses Confidential Information to the other party shall be referred to as the "Disclosing Party", and the party that receives such Confidential Information from the other party shall be referred to as the "Recipient".

The Recipient may be given access to the Disclosing Party's Confidential Information or to create new Confidential Information for the Disclosing Party.

In view of the above, the parties agree as follows:

**1. Confidential Information**

"Confidential Information" includes any information:

- specifically indicated by the Disclosing Party, either verbally or in writing, as confidential;
- under the circumstances of the disclosure, that are to be treated as confidential; or

- the Recipient creates or produces while performing its obligations under this Agreement,

regardless of the media that contains the information.

Confidential Information does not include information, which:

- is generally available to the public at the time of its disclosure to the Recipient;
- becomes known to the public through no fault/action of the Recipient in violation of the terms herein;
- is legally known to the Recipient at the time of disclosure by the Disclosing Party;
- is furnished by the Disclosing Party to third parties without restriction; or
- is furnished to the Recipient by a third party who to the Recipient's knowledge legally obtained said information and the right to its disclosure.
- is developed independently by Recipient without use of or reference to the Disclosing Party's information.

## 2. Restrictions on Use

- (a) The Recipient will not disclose any Confidential Information to third parties for any purpose without the prior written consent of the Disclosing Party. However, where the Recipient is required to disclose Confidential Information in accordance with judicial or other governmental action, the Recipient will give the Disclosing Party reasonable prior notice unless such notice is prohibited by applicable law.
- (b) The Recipient will not use any Confidential Information for any purposes except those expressly contemplated or authorized by the Disclosing Party.
- (c) The Recipient will take the same reasonable security precautions as it takes to safeguard its own confidential information, but in no case less than reasonable care.
- (d) The Recipient undertakes to impose the confidentiality obligations on all directors, officers and employees or other persons who work for the Recipient or under its direction and control, and who will have access to the Confidential Information.
- (e) The Recipient will return all originals, copies, reproductions and summaries of Confidential Information in its control, or confirm its destruction as requested by the Disclosing Party.

**3. Action on Breach**

- (a) The Recipient will notify the Disclosing Party immediately upon discovery of any breach of this Agreement by the Recipient, and will cooperate in every reasonable way to help the Disclosing Party regain possession of the Confidential Information and prevent further breach.
- (b) The Disclosing Party will be entitled, without waiving any other rights or remedies, to seek such injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction.

**4. Ownership and Warranties**

- (a) All Confidential Information, including the inherent intellectual properties, remains the sole and exclusive property of the Disclosing Party and the Recipient shall have no right, title or interest in the same. Similarly, the Disclosing Party does not own any of the intellectual property of the Recipient, including any proprietary methodologies, tools or practices, unless otherwise agreed.
- (b) The Disclosing Party, unless expressly confirmed, makes no warranty regarding the accuracy or reliability of Confidential Information.

**5. Applicability of Provisions**

- (a) The provisions of this Agreement are jointly and severally applicable and will not be considered waived by any act or acquiescence, except by a specific prior written confirmation. Accordingly, both parties will expressly agree in writing to any changes in the Agreement.
- (b) If any provision of this Agreement is held illegal, invalid or unenforceable by law, the remaining provisions will remain in effect. Moreover, should any of the obligations of this Agreement be found illegal or unenforceable for any reasons, such obligations will be deemed to be reduced to the maximum duration, scope or subject matter allowed by law.
- (c) If any action at law or in equity is necessary to enforce or interpret the rights arising out of or relating to this Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees, costs and necessary disbursements in addition to any other relief to which it may be entitled.

**6. Jurisdiction**

This Agreement will be governed by the laws of India on all substantive aspects, and both parties consent to the jurisdiction of the courts in Bangalore.

**7. Tenure and Survival**

All obligations created by this Agreement shall survive change or termination of the parties' business relationship for a period of two years from the date of the disclosure of the Confidential Information or the change in termination of the business relationship of the parties whichever is later.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by their duly authorized representatives as of the date first set forth above.

CORPORATE TRAINING AGREEMENT

This Corporate Training Agreement (hereinafter referred as "Agreement") is made and executed on this 6<sup>th</sup> day of June 2018 (hereinafter referred to as "Effective Date") by and

**Statutory Alert:**

1. The authenticity of this Stamp Certificate should be verified at "www.shcilestamp.com". Any discrepancy in the details on this Certificate and as available on the website renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.

**BY AND BETWEEN:**

**Escorts Limited**, a company incorporated under the provisions of the Companies Act, 1956 having its registered office at 15/5, Mathura Road, Faridabad, Haryana, India(hereinafter referred to as "**Escorts**") which expression, unless repugnant to the context hereof shall mean and include its successors, nominees, representatives and assigns, of the **FIRST PART**.

**AND**

Sri Sairam College of Engineering, Bengaluru, India, represented by its Principal, Sri Sairam College of Engineering,(herein after referred to as "**SSCE**") , which expression shall unless it be repugnant to the meaning or context thereof, be deemed to mean and include its successors and permitted assigns of the **SECOND PART**.

(Hereinafter Escorts and SSCE shall be collectively referred to as the "**Parties**" and individually as a "**Party**".)

**WHEREAS**

1. Escorts is a company inter-alia engaged in the business of manufacturing, sales and service of agricultural tractors and other equipments and it also runs an Training and Development Centre at Bangalore - India ("**ETDC**") for the sole purpose of benefitting the farmers and other people who enroll themselves under various programmes.
2. SSCE is inter-alia engaged in offering UG programmes in four disciplines of engineering.
3. SSCE has approached Escorts for providing training in the fields of agriculture and related domain at Escorts ETDC premises for its various students and candidate enrolled with SSCE.
4. In pursuance of the foregoing, SSCE and Escorts have agreed to co-operate for the delivery of the Programs at the ETDC premises, in accordance with the terms and subject to the conditions of this Agreement.

**NOW THEREFORE IN CONSIDERATION OF THE PREMISES AND OF THE MUTUAL COVENANTS AND AGREEMENTS HEREIN SET FORTH, THE PARTIES HEREBY AGREE AS FOLLOWS:**

**1. DEFINITIONS AND INTERPRETATIONS**

In the context of this Agreement including the recitals, the following words and expressions shall have meanings assigned as under:

"Confidential Information" means any information or data, in any form or storage medium whatsoever, of a scientific, technical, financial, operational or commercial nature in relation to Escorts/ETDC or SSCE specifically or any of its affiliates generally, that may be provided by one Party to the other on a restricted and confidential basis in terms of this Agreement.

"Programs" shall mean the courses offered by Escorts in the domain of agricultural education, etc. as more detailed in Schedule 1. The duration of the course and the term of the session shall be governed by Escorts.

"Participants" shall mean those students of SSCE who are nominated by SSCE for being trained by Escorts at its ETDC premises for undergoing the Programs in accordance with the terms of this Agreement. Escorts will facilitate testing facility for students project and mentor them.

## 2. SCOPE

- 2.1 SSCE intends to provide to the Participants an opportunity to participate in various Programs offered by Escorts shall be solely responsible for providing the Programs as undertaken in accordance with the Schedule-1 through its faculty and SSCE hereby agrees and confirms that neither SSCE nor its participants shall have any objection to the content of the Programs or the faculty providing such Programs.
- 2.2 Escorts shall have absolute and sole discretion in offering to the Participants the opportunity to receive training under the various Programs.
- 2.3 Each individual course of the Program(s) may differ in its duration. The duration of the Programs and the term of the session shall be in the manner as determined by Escorts.

## 3. CONSIDERATION

In consideration of conducting the programmes, SSCE shall pay Escorts the fees as per the payment terms outlined in Schedule-1 (hereinafter referred to as the "Fees").

Escorts shall be entitled to revise the fees after giving 30 days advance notice to SSCE.

## 4. ESCORTS Obligations

- 4.1 Escorts shall be responsible for (i) provision of, and access to ETDC Centers to the Participant; (ii) providing the study materials to the Participants for the Programs; & (iii) requisite documents, infrastructure

and support systems necessary for the effective delivery of course(s) under the Programs;

- 4.2 Escorts shall enable examination of the Participants to be conducted by their faculty after completion of the relevant Program at ETDC.
- 4.3 Escorts shall be responsible for the delivery of the approved Program to the Participants students within the timeframe specified in Schedule 1.
- 4.4 Escorts shall be responsible for proper and timely maintenance of the ETDC Centre and for providing an academic environment conducive for enhancing the learning process for the Participants.
- 4.5 Escortsshall provide proper certification to each Participant upon successful conclusion of the relevant Programs.
- 4.6 The single point of contact and Escorts's representative for the purposes of this Agreement ("Escorts SPOC") shall be Ms. Swathe Ilango,.
- 4.7 Escorts shall provide the accommodation of the participants at the charges as mentioned in Schedule -1 hereto.
- 4.8 Escorts shall not be responsible or held liable for the safety of the Participants as it shall be providing the accommodation only to such Participants and it shall be the sole responsibility of SSCE to make the Participants aware of the standard and safety measures.

## 5. SSCE's OBLIGATIONS

- 5.1 In order to meet the objectives outlined above, and in consideration for the same, SSCE shall provide reasonable assistance to Escorts in launching the Programs including:
  - (i) providing to Escorts, a list of Participants who will enrol for the Programs to be conducted by Escorts under this Agreement;
  - (ii) Assisting Escorts in communicating key Program-related information to the Participants who enrol for any specific Program;
  - (iii) Providing inputs on development/administration of the courses to be completed by all Participants who have enrolled for any specific Program; and to the best possible efforts.
  - (iv) Ensuring that the Participants interested in joining any of the Programs applies for such Programs as per the rules of application for such Program as laid-out and communicated by Escorts.
- 5.2 The single point of contact and SSCE's representative with regard to the Programs for Escorts ("SSCE SPOC") shall be Prof. Bheemeshwara Reddy,

Training and Placement Officer, Sri Sairam College of Engineering, Bengaluru.

- 5.3 SSCE shall communicate to the Participants the academic calendar for the relevant Programs as provided by Escorts.
- 5.4 SSCE shall provide true and correct particulars of the Participants to Escorts for the purposes of enrolment of such Participants in the relevant Program.

## 6. MUTUAL OBLIGATIONS

- 6.1 Each Party shall do all such acts and things reasonable requested by the other Party to give effect to the Parties' intentions under this Agreement. Each Party hereto shall cooperate fully with the other in all reasonable respects in order to accomplish the objectives of this Agreement including proceeding diligently and in good faith and using all commercially reasonable efforts in furtherance of this Agreement.
- 6.2 Neither of the Parties herein shall make any announcement in relation to any matter contained in this Agreement without first obtaining the written consent of the other Party. However, Escorts shall be entitled to provide the information related to the Participants to the applicable/relevant authorities with prior consent of SSCE.
- 6.3 Each Party shall not solicit or enrol, directly or indirectly, an employee of the other engaged in the course of performance under the Agreement either directly or indirectly without approval or consent of the other Party (and for a period of 12 months after the expiry of the term). However, each Party shall be at liberty to employ the employees or personnel of each other when such employees or the personnel as the case may be have approached the Parties in pursuance of any public advertisement.

## 7. CONFIDENTIALITY

- 7.1 Either Party shall, at all times, during the continuance of this Agreement or otherwise:
  - (i) keep all Confidential Information confidential and accordingly shall not disclose any such Confidential Information to any other person;
  - (ii) not use or cause the use of any Confidential Information for any purpose whatsoever other than that contemplated under this Agreement;
  - (iii) use all reasonable endeavours to ensure that all persons to whom Confidential Information may be disclosed in furtherance of this Agreement, including but not limited to officials and employees of

the respective Parties as well as employee thereof, keeps the same confidential and does not use the same except for the purposes for which the disclosure is made.

7.2 Obligations of either Party in terms of this Clause, shall not apply to the extent that such Confidential Information:

- (i) is at the date hereof, or hereafter, enters the public domain through no fault of the receiving Party;
- (ii) can be shown by the receiving Party, to the reasonable satisfaction of the disclosing Party, to have been known to it prior to being disclosed by the disclosing Party;
- (iii) is required by any court or other similar judicial body or authority to be disclosed, published or communicated;
- (iv) is independently developed by the receiving Party;
- (v) is furnished by the disclosing Party to third parties without restriction; or
- (vi) is furnished to the receiving Party by a third party who to the receiving Party's knowledge legally obtained said information and the right to its disclosure.

## 8. INDEMNITY

8.1 SSCÉ shall indemnify, defend and hold harmless (i) Escorts, (ii) each of Escorts associates, assigns and successors in interest, as the case may be; and (iii) each of the director, employees etc. of Escorts, which may be incurred or suffered by any such party and which may arise out of or result from:

- a) Any breach of any representation and warranties, confidentiality obligations, covenants, intellectual property rights or agreement as contained in this Agreement;
- b) Any third party claims made for loss or damage of whatever description caused to such or any other third party as a result of conduct of the Program under this Agreement;
- c) Any and all acts or omissions, suits, proceedings, claims, judgments, costs, expenses, incurred in enforcing this indemnity.
- d) On account of any injury or death of the Participants enrolled for the Programme.

8.2 Neither Party shall be liable to the other for amounts representing loss of profits, loss of business or any indirect, incidental, consequential, ancillary or exemplary loss, damage, or claim, against, or suffered by such other Party, even if the Party has been intimated of the same by the other Party, except to the extent that such provision or use constitutes a breach of this Agreement.

## 9. TERM AND TERMINATION AND RENEWAL

9.1 This Agreement shall come into effect and be in force from the date of signing hereof and shall remain in force for an initial term of Six (06)

months ("Term") or till the date of completion of the Programs at the ETDC, whichever is earlier.

9.2 Each Party shall have the right at any time to terminate this Agreement, without prejudice to any other legal rights to which it may be entitled, in case of any material breach of this Agreement by the other Party; provided in case of any breach of Agreement, the Party alleging the breach will be required to give a notice to the other Party, providing a one month remedy period. In case the Party who is alleged to have committed the breach and does not remedy the same within the said one month period, the Party alleging the breach shall have the right to terminate this Agreement forthwith.

9.3 Either of the Party shall have the right to terminate this Agreement forthwith if bankruptcy, composition, reorganization, insolvency or liquidation proceedings are instituted against the other Party and the same is not dismissed for a period of 180 days.

9.4 Upon termination of this Agreement,

- (i) SSCE shall forthwith cease and desist from using the Intellectual Property of Escorts and shall return all the Confidential Information and Intellectual Property of Escorts;
- (ii) SSCE shall forthwith return all the Confidential Information of Escorts.

9.5 Any subsequent renewal or extension of this Agreement shall be on terms mutually agreed in writing by the Parties. Any renewal or extension of this Agreement has to be finalized and agreed upon at least 30 days prior to the expiry of the Term.

## 10. NOTICES AND LANGUAGES

Notices under this Agreement shall be sent by registered airmail/mail or postage prepaid, or Telex or by Fax and shall be regarded as properly given seven (7) working days after mailing date, unless otherwise proved, or the date of submission of Telex/Fax and shall be regarded as properly addressed to the SSCE or to Escorts respectively as follows:

### SSCE

Address:

Sri Sairam College of Engineering  
Sai Leo Nagar, Guddanahalli Post,  
Anekal, Bengaluru - 562106  
Karnataka

### ESCORTS

Address:

Escorts Limited, Training &  
Development Centre,  
Ramakrishnapura,  
Anekal Road, Bengaluru  
Karnataka - 560099

or to such other address that SSCE or Escorts, as the case may be, shall specify in writing to the other Party.

11. **WAIVER**

No term or provision hereof will be deemed waived, and no variation of terms or provisions hereof shall be deemed consented to, unless such waiver or consent shall be in writing and signed by the Party against whom such waiver or consent is sought to be enforced. Any delay, waiver, or omission by either Party to exercise any right or power arising from any breach or default of the other Party in any of the terms, provisions, or covenants of this Agreement shall not be construed to be a waiver by such party of any subsequent breach or default of the same or other terms, provisions, or covenants on the part of the other Party.

12. **HEADINGS NOT CONTROLLING**

Headings used in this Agreement are for reference purposes only and shall not be deemed a part of this Agreement.

13. **ENTIRE AGREEMENT**

This Agreement and the Schedules constitute the entire agreement between the Parties hereto relating to the subject matter hereof, except where expressly noted herein, and all prior negotiations, agreements, and understandings, whether oral or written, are superseded or cancelled hereby. In the event of any discrepancy between terms of this Agreement and any Schedule, the terms of this Agreement shall prevail.

14. **MODIFICATION**

This Agreement (including the Schedules hereto) may not be amended or modified except in writing by both Parties.

15. **SEVERABILITY**

If any provision of this Agreement is declared or found to be illegal, unenforceable, or void, this Agreement shall be construed as if not containing that provision, the rest of the Agreement shall remain in full force and effect, and the rights and obligations of the parties hereto shall be construed and enforced accordingly.

16. **RELATIONSHIP**

Nothing contained in this Agreement shall be construed as constituting a partnership, joint venture, or agency between the Parties hereto.

## 17. FORCE MAJEURE

Excused Non-performance: Neither Party shall be liable for any delays or failures to perform any of its obligations hereunder (except payment of money) due to a Force Majeure.

Notice and Alternatives: If performance of any of the obligations under this Agreement is interrupted or delayed by a Force Majeure, the Party whose performance has been interrupted shall immediately provide the other Party with written notice thereof, and such performance shall be suspended for the period during which the cause or circumstance exists and only to the extent that performance has been prevented hereby. During the period of suspended performance, the Party to whom such performance was owed may make whatever alternative arrangements are necessary to mitigate the consequences of such suspended performance and the Party owing such performance shall, if requested, use its best efforts to assist in making alternative arrangements.

## 18. DISPUTE RESOLUTION

All matters, questions, disputes, difference or claims arising between the Parties in relation to or in connection with this Agreement, its interpretation, validity, construction, enforceability or application or as to the rights, duties or liabilities of the Parties there under, or as to any act matter or thing arising out of or consequent to or in connection with this Agreement shall be resolved by mutual discussions. If the parties are unable to resolve the dispute within thirty (30) days through negotiation, then, such dispute shall be finally resolved through arbitration to be conducted by three arbitrators in accordance with the provisions of the Arbitration and Conciliation Act, 1996 in force as at the date of the invocation of the arbitration. Any arbitration pursuant hereunder shall be a domestic arbitration. Both the Parties shall appoint one Arbitrator each and the two Arbitrators so appointed shall appoint the third Presiding Arbitrator.

The venue of arbitration shall be at Faridabad, Haryana and the language of arbitration shall be in English.

The award shall be rendered in English Language and shall be final and binding upon the Parties.

## 19. GOVERNING LAW & JURISDICTION

This Agreement shall in all respects be governed by and construed in accordance with the laws of India and subject to arbitration, the

competent courts at Faridabad, Haryana shall have exclusive jurisdiction in relation thereto.

20. SURVIVAL

The provisions of Clauses 9, 10, 11, 12 and 19 shall survive the termination or expiration of this Agreement.

The batch size for students training shall be minimum 10 members and maximum 15 members per batch.

The batch size for professors and assistant professors training shall be minimum 5 members and maximum 12 members per batch.

**Sri Sairam College of Engineering and Srisha Robotics Academy** shall be hereinafter be collectively referred to as "**Parties**" and individually as "**Party**"

WHERE AS:

- A. **Sri Sairam College of Engineering, BANGALORE** is specialized in providing value-added, holistic engineering education to students at affordable costs, in conducive academic ambience, leading to Personality development and intellectual growth.
- B. **Srisha Robotics Academy** is a R&D Innovation Hub, educational institute which is focused on providing quality education on latest and cutting edge technologies to students also specializing in software/ hardware Development. Recognizing the importance of joint collaborations and research and development in the mechanical and electrical engineering with specific reference to embedded and VLSI systems, bio-medical engineering, sensors and technologies, DSP, Robotics and Automation, Energy Systems, Solar Solutions, Innovations, Robotics and Automations and allied industries in imparting industrial training to the engineering/technology/sciences/management students, etc. The goal of the company is to promote innovation, entrepreneurship and also increasing employability quotient thus making them Job- Ready.

**NOW THEREFORE THESE PRESENTS WITNESSETH AND THE PARTIES HEREBY AGREE AS FOLLOWS:**

1. The scope of this MoU is to provide a framework of reference to build a strong and on-going relationship between **Sri Sairam College of Engineering (SSEC)** and **Srisha Robotics Academy** in various areas of mutual interest and benefit. The
2. The primary goals are:
  - I. Conducting Faculty Development Programs (FDPs): Faculty Development / Certification Programs are to be conducted in the Sri Sairam College of Engineering Campus for the Faculty members of the college / other colleges to get trained in technologies/domains like Advanced Engine Management, automotive technologies, Engine tuning Virtual and Augmented Reality, Artificial Intelligence, Machine Learning, IOT, Data Science, Robotics etc.
  - II. **Conducting Workshops/ Events/ Training Modules:** Workshops/ Events / Training Modules are conducted in the in the above-mentioned fields for the benefit of the Students.
  - III. Courses and Expertise support would be provided on Internet of Things (IoT), Intelligence (AI), Virtual and Augmented Reality, Robotics, Automations, 3D printing, Internships and Project Work facilitation, Expert Lecture on need basis.
  - IV. Support for Industry recognized certificate for AICRA based on the competitive exams.
  - V. Eligibility for National and international level competitions for SSEC Students.
3. **Sri Sairam College of Engineering and Srisha Robotics Academy** establishes a Team of "Innovators". Both the Parties shall ensure that the "**Innovators**" comprises of appropriate personnel from both parties to discuss and implement the ideas. Both sides

will also have Single Point of Contact for coordinating various activities and for administration purpose.

4. **Sri Sairam College of Engineering** shall be represented by Principal along with the team of designated faculty members or Department Heads as and when necessary.
5. **Responsibilities of Srisha Robotics Academy:**
  - a) Provide the platform for all the students to encourage and support innovation
  - b) Allowing all students to take up internships based on the university regulations. Creating the clubs and organizing the events and activities on the regular basis.
  - c) All courses, projects, workshops on the cutting-edge technologies would be provided
  - d) Industry recognized certificate from **All India Council of Robotics and Automation(AICRA)** as per the cost and the requirement,
  - e) Internship certificate for your students who has successfully completed the program with us.
  - f) Supporting students to exhibit their innovation at national level.

#### **Responsibilities of Sri Sairam College of Engineering**

- a) Provide the basic facility and infrastructure like but not limited to classroom, projects, computers and so on.
- b) Encouraging students to join the programs and the clubs.

#### **Cost and Liabilities:**

6. Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.
7. Courses that we conduct are very high in demand and are highly priced in the Market. However, in the interest of the students, **Srisha Robotics Academy** will provide training at very reasonable rates without compromising on the quality of education. Here is the mutually agreed fee structure:
  - a) Training fee structure will be fixed by both the parties.
  - b) The Cost for the Board/ Kits /other training materials shall be charged to the students.
  - c) The minimum strength of students required to run the On-Campus Training Program is 50 students per program and maximum strength shall be 100.

#### **8. Joint responsibilities of Sri Sairam College of Engineering and Srisha Robotics Academy**

**Sri Sairam College of Engineering and Srisha Robotics Academy** jointly agree:

- a. To closely work together to bring paid Workshop/Training opportunities for Colleges nearby. The workshops will be technically supported by **Srisha Robotics Academy**. Travel and accommodation of the trainers/trainees will be taken care either by college or **Srisha Robotics Academy** decided on case to case basis.

- b. If any project carried out in a joint venture leads to a potential Product/service, then incubation center terms and conditions will be laid down on **Srisha Robotics Academy**
- c. In case of additional funding required developing expertise on consulting, **Sri Sairam College of Engineering** and **Srisha Robotics Academy** put up joint project proposal for funding by Govt or any other agencies.
- d. To work towards success of projects and relationship fostering
- e. To enter into a separate non-Disclosure MoU to safeguard and protect each other's data confidentiality and other interests.

#### **MoU Validity**

9. This MoU shall come in to effect from date of execution and shall remain in effect for a period of thirty-six (36) months. After a period of thirty-six months, MoU can be further extended on mutual understanding and agreement.
10. Either Party shall have the right to terminate this MoU by giving ninety (90) days prior written notice to the other Party.

#### **Prohibitions and Exceptions:**

11. **Sri Sairam College of Engineering** shall be deprived of the right to use the brand name of **Srisha Robotics academy, All India Council of Robotics and Automation** along with all kinds of material and promotional material of Srisha robotics academy immediately after termination or expiry of this MoU.
12. Both the Parties agrees to keep each other indemnified against all claims, proceedings, losses, cost and expenses of any willful or negligent conduct by itself or its agents in relation to this MoU.

#### **Intellectual Property and Confidentiality:**

13. Neither Party shall, without the prior written consent of the other Party disclose to any third party the contents of this MoU or any information obtained by either Party in performance of or in connection with this MoU. The Parties agree to take all reasonable measures to maintain the confidentiality of all Information which in no event will be less than the measures it uses to maintain the confidentiality of its own information of similar importance.
14. The obligations of confidentiality shall come into effect upon the signing of this MoU and shall survive even after the termination of this MoU.
15. This MoU and its privileges are nontransferable.

#### **Dispute Resolution and Jurisdiction:**

16. Any dispute arising out of this MoU shall be addressed initially through mutual discussions and later referred to an independent arbitrator appointed by Srisha Robotics Academy per the arbitration act.
17. Jurisdiction for the MoU shall be that of the courts of Bangalore, exclusively.

18. This is the whole MoU between Sri Sairam College of Engineering/ Srisha Robotics Academy and there is no other MoU

## MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (MoU) is made and entered into as of the 10<sup>th</sup> day of January 2018 by and between

**Loginware Softtec Private Limited**  
#40/163, 1<sup>st</sup> Floor, Opp. Bharathi Associates  
B M Bypass Road, Boovanahalli  
Hassan, Karnataka, India - 573201  
(Henceforth referred to as "**Loginware**" in this document),

And

**Sri Sairam College of Engineering,**  
Sai Leo Nagar. Guddanahalli (Post), Anekal,  
Bengaluru – 562 106.  
(Henceforth referred to as "**Sri Sairam College of Engineering**" in this document)

Loginware and Dept. of ECE, **Sri Sairam College of Engineering**, on mutual agreement have decided to collaborate for a MoU. The MoU is to be signed with regards to the following articles and clauses:

### Article I: Purpose and Scope

This article aims to explore the scope of a collaboration based on mutual interest and benefit (hereby referred to as the "**Opportunity**") and in connection with the opportunity, this document highlights points of general agreement that help establish common understanding.

### Article II: Objectives

The primary purpose of this company will be embedded product research and development, to utilize a carefully designed and integrated set of training programs, entrepreneurship, development components, cooperative concepts and technology services to select and train individuals of tier II and tier III cities to become new generation skilled workers cum entrepreneurs and community builders.

The programs carried out in Loginware will attract, screen, motive, prepare and assist individuals of tier II and tier III cities to utilize effectively the new generation technology.

**Loginware Softtec Pvt. Ltd.,**

#40/163, 1st Floor, Opp. Bharathi Associates, BM Bypass Road, Boovanahalli, Hassan - 573201

M: info@loginwaresofttec.com | www.loginwaresofttec.com

© 08172 - 297179, +91 79969 90240/47

### Specific Objectives of Loginware:

- 1) Creating a one-stop technology platform or a knowledge hub to support all kinds of technology needs of Tier II and III cities.
- 2) Make available at one location all of the essential technology facilities, training and support services needed by individuals of tier II and tier III cities.
- 3) Systematically create substantial number of new modern small business enterprises and worker cooperatives.
- 4) Generate economic growth and employment opportunities for youth and poor people in tier II and tier III cities.
- 5) As one of the fastest-growing innovators in the education technology and skill development space, Loginware sees great value in working with COLLEGE and developing this ecosystem of well-trained, practical and innovative Engineering graduates. By bringing in the combined expertise of industry professional from diverse technology streams, Loginware is well positioned to make this a win-win engagement.

### Article III: Roles and Responsibilities of Loginware

As a practicing industry partner, Loginware will contribute in multiple capacities:

- ❖ Loginware will provide training and internships, based on trending developments of embedded systems, Internet of things and software solutions and as required by **Sri Sairam College of Engineering**.
- ❖ Loginware will provide open platform for the students to get in to the real time product development in the identified space provided at **Sri Sairam College of Engineering**.
- ❖ Loginware will provide training and workshops at **Sri Sairam College of Engineering** as per schedules provided by Institute at affordable fee from the student community.
- ❖ Loginware will also provide certificate of participation to those students of **Sri Sairam College of Engineering** who undergo training and workshops.
- ❖ Technology support from Loginware for embedded systems research and development in **Sri Sairam College of Engineering**.
- ❖ Loginware will provide employment opportunity for the selected students who have undergone internship program.

### Article IV: Roles and Responsibilities of Sri Sairam College of Engineering

Providing the availability of the **Computer Lab Infrastructure** (where the classes will be conducted) will be the responsibility of **Sri Sairam College of Engineering**.

#### Loginware Softtec Pvt. Ltd.,

#40/163, 1st Floor, Opp. Bharathi Associates, BM Bypass Road, Boovanahalli, Hassan - 573201

**Sri Sairam College of Engineering** will also provide, subject to personnel and budgetary limitations and as may be mutually agreed upon:

- a) Internet, library facilities and other such requirements, which may be necessary for conducting the classroom sessions, workshops and other relevant events such as Hackathons, will be the responsibility of **Sri Sairam College of Engineering**.
- b) Relevant space to Loginware on the online / offline notice areas of the **Sri Sairam College of Engineering** for program related communications.
- c) Recognition to Loginware as "**Knowledge Partners**" for conducting classroom sessions, workshops and Research related to Embedded systems design and development, Industrial Internet of things, Web Development, App Development, Scientific Computing, Artificial Intelligence and other disciplines to be identified from time to time.
- d) Inviting **Loginware** to sponsor /participate in National/International workshops/conferences /seminars and other important technology business meetings relevant to them.

#### **Article V: No Obligation**

Each party understands and agrees that nothing herein requires either party.

- a) To disclose any confidential information, which shall be disclosed, if at all, solely at the discretion of the disclosing party subject of course to such conditions as may be thought fit.
- b) To proceed with the opportunity or any relationship in connection with which confidential Information may be disclosed.

As used herein, the party disclosing Confidential Information is the "Disclosing Party" and the party receiving the confidential Information is the "Recipient".

#### **Article VI: No License**

All of the Disclosing Party's Confidential Information shall remain the sole property of the Disclosing Party. Nothing in this MoU is intended to grant any rights to either party under a patent, copyright, trade secret or other intellectual property right of the other party, nor shall this MoU grant either party any rights in or to other party's Confidential Information except as expressly set forth herein. However could be arrived with suitable conclusion with mutual consent from both the parties.

#### **Article VII: Permitted use**

The recipient agrees that it shall use the Disclosing Party's confidential information solely for the purpose of evaluating the opportunity and shall not reverse engineer, disassemble or decompile any prototypes, software or other tangible objects which embody the Disclosing Party's Confidential Information unless explicit written consent to such actions is received from the Disclosing party.

If such a prohibition is not permitted pursuant to applicable law, the recipient shall provide the Disclosing Party Written notice prior to undertaking any such reverse engineering and shall give the Disclosing party a reasonable amount of time to provide any interface information required by law prior to commencing such reverse engineering. If such interface Information is provided, then the recipient is prohibited from such reverse engineering.

#### **Article VIII: MoU extensions**

- a) This MoU may be supplemented by work plans to be developed jointly, which describe more specifically the activities to be carried out under this collaborative program and which set forth the envisaged contribution of each party.
- b) Sri Sairam College of Engineering and Loginware may name members of their respective staff to work out further details for proper and effective implementation of this MoU.
- c) Such details as agreed upon, including any other amendments, will be confirmed by exchange of letters between Sri Sairam College of Engineering and Loginware and such letters will form part of this MoU.
- d) These work plans will require the approval of both parties for implementation.

#### **Article IX: MoU Revocation**

Either party may terminate this MoU on 60 days' written notice to the other party. Termination may occur upon the breach of this MoU by one of the parties. A breach of this MOU includes, but is not limited to, a violation of the policies and rules of the Sri Sairam College of Engineering, the making of a misrepresentation or false statement by one of the parties, non-performance of the party's duties, or the occurrence of a conflict of interest between the parties. Each party has 30 days to cure the breach. If this MOU terminated during an academic term, students enrolled in classroom program/sessions under this MOU will be allowed to finish their coursework and receive appropriate certification.

## Memorandum of Understanding

This MOU IS MADE AND EXECUTED on this day of **1<sup>st</sup> Aug 2017** between **HAEGL Technologies**, a Company registered under The Companies Act, 1956, having its registered office at Shop No 10, Ground Floor Nandageri Complex Hubballi -580020 the which term shall unless excluded by or repugnant to the context, include its successors and assignors representatives thereof of the First Part / Party No. 1.

AND

**Sri Sairam College of Engineering, Bangalore** an entity incorporated under the laws of India and having its Principle place of activity at Bangalore, India represented by its Principal.

**Sri Sairam College of Engineering, Bangalore and HAEGl Technologies** shall be hereinafter be collectively referred to as "**Parties**" and individually as "**Party**"

### WHERE AS:

- I. **Sri Sairam College of Engineering, Bangalore** is specialized in providing value-added, holistic engineering education to students at affordable costs, in conducive academic ambience, leading to Personality development and Intellectual Growth
- II. **Haegl Technologies** is a company based out of NSRCEL IIM Bangalore providing Hospital Information Management Software Solutions. A unified solution in Healthcare/Hospital Information Management Systems (HIMS) for large to midsized hospitals and polyclinics, facilitates managing the functioning of the whole Hospital day to day activities. It integrates all the information regarding Patients, Doctors, Nursing Staff, hospital administrative details, pharmacy and inventory management etc. into one platform.

### NOW THEREFORE THESE PRESENTS WITNESSETH AND THE PARTIES HEREBY AGREE AS FOLLOWS:

1. The scope of this MoU is to provide a framework of reference to build a strong and on-going relationship between **Sri Sairam College of Engineering, Bangalore (SSEC)** and **HAEGl Technologies** various areas of mutual interest and benefit. The
2. The primary goals are:
  - I. **Conducting Faculty Development Programs (FDPs):** Faculty Development / Certification Programs are to be conducted in the Sri Sairam College of Engineering Campus for the Faculty members of the college / other colleges to get trained in technologies/domains like Advanced Engine Management, automotive technologies, Engine tuning Virtual and Augmented Reality, Artificial Intelligence, Machine Learning, IOT, Data Science, Robotics etc.
  - II. **Conducting Workshops/ Events/ Training Modules:** Workshops/ Events / Training Modules are conducted in the in the above-mentioned fields for the benefit of the Students.

- III. Courses and Expertise support would be provided on Internet of Things (IoT), Intelligence (AI), Virtual and Augmented Reality, Robotics, Automations, 3D printing, Internships and Project Work facilitation, Expert Lecture on need basis.
  - IV. Support for Industry recognized certificate for AICRA based on the competitive exams.
  - V. Eligibility for National and international level competitions for SSEC Students.
3. **Sri Sairam College of Engineering, Bangalore and HA EGL Technologies** establish a Team of "Innovators". Both the Parties shall ensure that the "Innovators" comprises of appropriate personnel from both parties to discuss and implement the ideas. Both sides will also have Single Point of Contact for coordinating various activities and for administration purpose.
4. **Sri Sairam College of Engineering, Bangalore** shall be represented by Principal along with the team of designated faculty members or Department Heads as and when necessary.
5. **Responsibilities of HA EGL Technologies:**
- a) Provide the platform for all the students to encourage and support innovation
  - b) Allowing all students to take up internships based on the university regulations. Creating the clubs and organizing the events and activities on the regular basis.
  - c) All courses, projects, workshops on the cutting-edge technologies would be provided
  - d) Industry recognized certificate from **All India Council or Robotics and Automation(AICRA)** as per the cost and the requirement,
  - e) Internship certificate for your students who has successfully completed the program with us.
  - f) Supporting students to exhibit their innovation at national level.

**Responsibilities of Sri Sairam College of Engineering, Bangalore**

- a) Provide the basic facility and infrastructure like but no limited to classroom, projects, computers and so on.
- b) Encouraging students to join the programs and the clubs.

**Cost and Liabilities:**

- 6. Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.
- 7. Courses that we conduct are very high in demand and are highly priced in the Market. However, in the interest of the students, **HA EGL Technologies** will provide training at very reasonable rates without compromising on the quality of education. Here is the mutually agreed fee structure:
  - a) Training fee structure will be fixed by both the parties.
  - b) The Cost for the Board/ Kits /other training materials shall be charged to the students.
  - c) The minimum strength of students required to run the On-Campus Training Program is 50 students per program and maximum strength shall be 100.
- 8. **Joint responsibilities of Sri Sairam College of Engineering, Bangalore and HA EGL Technologies**

**Sri Sairam College of Engineering, Bangalore and HA EGL Technologies** jointly agree:

- a) To closely work together to bring paid Workshop/Training opportunities for Colleges nearby. The workshops will be technically supported by **HAEGL Technologies**. Travel and accommodation of the trainers/trainees will be taken care either by college or **HAEGL Technologies** decided on case to case basis.
- b) If any project carried out in a joint venture leads to a potential Product/service, then incubation center terms and conditions will be laid down on **HAEGL Technologies**
- c) In case of additional funding required to develop expertise on consulting, **Sri Sri Sairam College of Engineering, Bangalore** and **HAEGL Technologies** put up joint project proposal for funding by govt or any other agencies.
- d) To work towards success of projects and relationship fostering
- e) To enter into a separate non-Disclosure agreement to safeguard and protect each other's data confidentiality and other interests.

#### **Agreement Validity**

9. This MoU shall come in to effect from date of execution of agreement and shall remain in effect for a period of twelve (12) months ie, from August 2017 to July 2018. After a period of twelve months, MOU can be further extended on mutual agreement.
10. Either Party shall have the right to terminate this MoU by giving ninety (90) days prior written notice to the other Party.

#### **Prohibitions and Exceptions:**

11. **Sri Sairam College of Engineering, Bangalore** shall be deprived of the right to use the brand name of **HAEGL Technologies, All India Council of Robotics and Automation** along with all kinds of material and promotional material of **HAEGL Technologies** immediately after termination or expiry of this AGREEMENT.
12. Both the Parties agrees to keep each other indemnified against all claims, proceedings, losses, cost and expenses of any willful or negligent conduct by itself or its agents in relation to this AGREEMENT.

#### **Intellectual Property and Confidentiality:**

13. Neither Party shall, without the prior written consent of the other Party disclose to any third party the contents of this MoU or any information obtained by either Party in performance of or in connection with this MoU. The Parties agree to take all reasonable measures to maintain the confidentiality of all Information which in no event will be less than the measures it uses to maintain the confidentiality of its own information of similar importance.
14. The obligations of confidentiality shall come into effect upon the signing of this MoU and shall survive even after the termination of this MoU.
15. This agreement and its privileges are nontransferable.

#### **Dispute Resolution and Jurisdiction:**

16. Any dispute arising out of this agreement shall be addressed initially through mutual discussions and later referred to an independent arbitrator appointed by **HAEGL Technologies** per the arbitration act.
17. Jurisdiction for the AGREEMENT shall be that of the courts of Bangalore, exclusively.
18. This is the whole agreement between **Sri Sairam College of Engineering, Bangalore / HAEGl Technologies** and there is no other agreement

## Memorandum of Understanding ( MOU )

This MOU is Made and Executed on this day of **1<sup>st</sup> Aug 2017** between **Greenberry Management Consulting & Solutions**, a Registered Company, with Karnataka under The Companies Act, 1956, having its registered office at Manpho Pavilion Apartment, Ranka Colony Road, Bilekhalalli, Bannerghatta Road, Bangalore, KARNATAKA, 560076 which term shall unless excluded by or repugnant to the context, include its successors and assignors representatives thereof of the First Part / Party No. 1.

AND

**Sri Sairam College of Engineering, Bangalore** an entity incorporated under the laws of India and having its Principle place of activity at Bangalore, India represented by its Principal.

**Sri Sairam College of Engineering, Bangalore and GREENBERRY MANAGEMENT CONSULTING & SOLUTIONS** shall be hereinafter be collectively referred to as "**Parties**" and individually as "**Party**"

### WHEREAS:

- ✓ **Sri Sairam College of Engineering, Bangalore** is specialized in providing value-added, holistic engineering education to students at affordable costs, in conducive academic ambience, leading to Personality development and Intellectual Growth
- ✓ **Greenberry Management Consulting & Solutions** is a company based at Bangalore providing consultation in Business Development projects to companies and educational institutions engineering and management institutes. Supporting clients in various projects, training, designing and conducting training programs, project evolutions, guiding on various required fields for development of students and employees of organizations. Our other main services are:
  1. End to end HRO management and solutions, including Payroll Management, HRO Management and Statutory compliances through outsourcing with latest tech and tools.
  2. Retaining and carrier progression of executives through Counseling and Mentoring, resulting in higher productivity and capability building.
  3. Organizations diagnostic studies
  4. Short term projects/ assignments, such as PMS, Incentive, comp and benefit, welfare policies and HR policies.
  5. HR, Financial and Productivity process and policy audit for standardization and recommendations.
  6. Career assessment for both students and professionals through various scientific tools. Dermatoglyphics (Multiple Intelligence Analysis)
  7. Designing and imparting training on Soft skills aligning with organization.
  8. Manpower acquisition and retention projects
  9. Training for excelling services of front office staff in retail/ service sectors.
  10. Talent development and evaluation.
  11. Proactive Employees relations and engagement.
  12. Proactive managers in business schools.
  - 13.

OD interventions include training and development 14. Customized Services, to meet the org. requirements with focus on result achievements. 15. Recommend in house training sessions with the objective to maintain low cost. 16. Each program will follow the training implementations drawn programs. 17. Etc. customized services.

Have number of Government and Semi Government organizations (Karnataka Government and MP Government ) as clients banking services. Presently actively doing projects of consulting for overseas organizations, in central Africa for eight Steel plants and Gulf countries.

**NOW THEREFORE THESE PRESENTS WITNESSES AND THE PARTIES HEREBY AGREE AS FOLLOWS:**

1. The scope of this MoU is to provide a framework of reference to build a strong and on-going relationship between **Sri Sairam College of Engineering, Bangalore (SSEC)** and **Greenberry Management Consulting & Solutions** various areas of mutual interest and benefit. The
2. The primary goals are:
  - **Conducting** Faculty Development Programs (FDPs): Faculty Development / Certification Programs are to be conducted in the Sri Sairam College of Engineering Campus for the Students and Faculty members of the college / other colleges to get trained in various soft skills /domains like communication and presentation skills, entrepreneurship and proactive thinking. Advanced man management skills in practical industrial interface.
  - **Conducting Workshops/ Events/ Training Modules:** Workshops/ Events / Training Modules are conducted in the in the above-mentioned fields for the benefit of the Students.
  - Courses and **Expertise support** would be provided on Human and Technical fields, Business intelligence, Virtual Intelligence on knowledge application in professional fields. Internships and Project Work facilitation, Expert Lecture on need basis.
  - Developing Leadership and Managerial skills in students.
  - Analyzing personality development requirement profile of students and support staff.
  - Team building and goal setting skills development in students.
  - Setting goal achievement modules and expertise inn students.
  - Support for Industry institution interface based on the competitive expertise.
  - Eligibility for National and international level competitions for SSEC Students.
3. **Sri Sairam College of Engineering, Bangalore and Greenberry Management Consulting & Solutions** establish a Team of "Innovators". Both the Parties shall ensure that the "**Innovators**" comprises of appropriate personnel from both parties to discuss and implement the ideas. Both sides will also have Single Point of Contact for coordinating various activities and for administration purpose.

4. **Sri Sairam College of Engineering, Bangalore** shall be represented by Principal along with the team of designated faculty members or Department Heads as and when necessary.
5. **Responsibilities of Greenberry Management Consulting & Solutions:**
  - ✦ Provide the platform for all the students to encourage and support innovation, entrepreneurship, communication and presentation skills.
  - ✦ Allowing all students to take up internships based on the university regulations. Representing college and participate in various competition at state and universities and India level on regular basis.
  - ✦ All courses, projects, workshops on the cutting-edge technologies would be provided
  - ✦ Designing and conducting various soft skill training programs for students on regular basis. With the focus o industry requirements.
  - ✦ Supporting students to exhibit their innovation at national level.
6. **Responsibilities of Sri Sairam College of Engineering, Bangalore**
  - ❖ Provide the basic facility and infrastructure like but no limited to classroom, projects, and computers and so on.
  - ❖ Encouraging students to join the programs and the the events.

**Cost and Liabilities:**

7. Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.
8. Courses that we conduct are very high in demand and are highly priced in the Market. However, in the interest of the students, **Greenberry Management Consulting & Solutions** will provide training at very reasonable rates without compromising on the quality of education. Here is the mutually agreed fee structure:
  - a) Training fee structure will be fixed by both the parties.
  - b) The Cost for the Board/ Kits /other training materials shall be provided by Shri Sai Engineering College, Bangalore to the students.

## Memorandum of Understanding

### Pure MCU Teaching Lab training in Sri Sairam College of Engineering

This memorandum of understanding is signed on the 17<sup>th</sup> day of July 2017, between the following institutions.

1. M/s EdGate Technologies Pvt Limited which is the University Program Partner of Texas Instruments, India
2. Sri Sairam College of Engineering, Sai Leo Nagar, Guddanahalli (Post), Anekal, Bengaluru - 562106.

This Memorandum of Understanding is proposed in order to train the students and staff members using MSP430 Launch pad in Sri Sairam College of Engineering, Bengaluru for the period of 1 year from the date of MoU signed.

Through this Memorandum of Agreement, the two parties agree to the following.

- (a) A steering committee will be set up to monitor the activities of the MoU. The committee will consist of the Mr.Gurpreet Singh of M/s EdGate Technologies Pvt Limited and Prof. C. Sivaprakash, Professor & Head, Dept. of Electronics & Communication Engineering of Sri Sairam College of Engineering, with mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.
- (b) Training : The College will utilize the established lab facility with MSP430 in existing lab by "Texas Instruments Lab" EdGate Technologies Pvt Limited for training the students and staff members in the respective field.
- (c) Curriculum: The College will explore ways to introduce a lab based courses using Texas Instruments TI Platforms in their undergraduate engineering curriculum.
- (d) Faculty Development Program: Under University Program EdGate Technologies and TE will organize faculty development program at the premises of the college to help the faculty members in teaching Microcontrollers using MSP430 kit, the college will provide the infrastructure and other facilities to conduct event successfully.
- (e) Workshops/Events: If the College wishes to organize a national event in the area of TI Platform, EdGate Technologies Pvt limited /TI will provide speakers.
- (f) Publicity through Media: The college does not publicize the event to other external communication about the MOU in electronic or print media without explicit permission from EdGate Technologies Pvt Limited Texas Instruments. In case the college/University wants to do so a prior approval from Texas Instruments and EdGate Technologies Pvt limited is required.

### MEMORANDUM OF UNDERSTANDING

This Agreement is made between M/s Technologics Global Pvt LTD, Bangalore - 560077. And Sairam College of Engineering, Bangalore - 562106 on 23 May,2017.

M/s Technologics Global Pvt LTD, Bangalore - 560077. (hereinafter known as "Party A") , #10, Kothanur Main Road JP Nagar 7<sup>th</sup> Phase Bangalore 560077. is the leader in BMS, Industrial Automation , Embedded System , LabVIEW, MATLAB Solution Provider and also Asia's Leading Training Institution with the state of art Lab in Bangalore.

Sairam College of Engineering, Bangalore - 562106. (hereinafter known as "Party B") Sai Leo Nagar Guddanahalli post Anekal, Bengaluru, Karnataka - 562106. "Party A" and "Party B" shall collectively be known herein as "the Parties" agree to engage in academic cooperation in areas of mutual interest.

WHEREAS, "Party A" to this MOU desire to establish a Internship, Research & Consultancy, Placement Drive and technical education to the candidates of "Party B" within this programme, Few Of Listed Scope which Is Carried Out With the Academic Cooperation are.

1. Paid Industrial Project Oriented Training on Advance Automation, IOT, Device Driver & Embedded System, LabVIEW, MATLAB, IIOT, Industry 4.0.
2. Free Internship For Qualified Candidates within a Written Test, GD & F2F from each Branch.
3. Paid Technical Workshop on Advance Technologies like Automation, Mechanical Design & Modelling, MATLAB, LabVIEW, Embedded System, IOT, IIOT, Industry 4.0.
4. Free Seminar on Advance Technologies like Automation, Mechanical Design & Modelling, MATLAB, LabVIEW, Embedded System, IOT, IIOT, Industry 4.0.
5. Free Industrial visits to faculty, researchers and students to Our Lab Facilities.
6. Free Industrial Oriented Academic Project Assistance.
7. Two Faculty Members will get free Internship at Party A Location if a minimum of 40 Students undergo Training/Workshops.

8. Research & Consultancy work would be purely based on demand and requirement of Party B.
9. Free Faculty Development Programme at Party A Location.

With respect to the above, independent and detailed agreements will be drawn up and agreed between two "Parties".

**Duration of Training:**

2-3 days or 1 week training on campus.

10 or 15 days Internship Program.

1 week, 10 days, 15 days, 1 month, 2 month or 3 month industrial oriented training off campus at "PARTY A" location.

**Departments in "Party B" Identified for interaction:**

- Electronics And Instrumentation Engineering.
- Electronics and Communication Engineering.
- Mechanical Engineering.
- Electrical and Electronics Engineering.
- Civil Engineering.
- Information Technology
- Computer Science Engineering

This Memorandum of Understanding is to be valid for a period of two years from the date of signature. In the event of either party wishing to change or terminate the agreement, Prior notice in writing must be given one month in advance of the proposed date change of termination.

The "Party A" Is Represented By Mr Ummer Shanan, Director and The "Party B" Is Represented By Dr. Y Vijaya Kumar, Principal.

For the purpose of this document the legal representatives of the aforesaid colleges are Dr. Y Vijaya Kumar, and Mr. Ummer Shanan, Director for M/s Technologies Global Pvt LTD.

## MEMORANDUM OF UNDERSTANDING

Asia's Advanced Automation Training Institute

#33, Kathir Avenue, Aandal Street, Lakshmpuram, Hope College, Coimbatore-641 004.

With

## SRI SAIRAM COLLEGE OF ENGINEERING BANGALORE

Sai Leo Nagar Guddanahalli post Anekal, Bengaluru, Karnataka 562106

Asia's Advanced Automation Training Institute

and Corporate. We have successfully trained over 10,000 candidates in India and have training partnerships with over 200 universities and colleges in the country. Our mission is to help every individual and organization to make a benchmark in the field of Industrial Automation & Robotics. The vision of the organization is to make an individual become technically sound in Industrial Automation & Industrial Robotics domain by providing world class technical training.

Sri Sairam College of Engineering formerly Shirdi Sai Engineering College Bengaluru, established in the year 1997 by M.J.F. Leo Muthu, Chairman of Sathagiri Educational Trust, is a non-profitable and non-minority institution. Located within the Bangalore city limits, SSEC is an inspirational place to study in which everything from classroom to laboratories, hostel to cafeteria is state-of-the art. The labs and other facilities, are among the best in the region making it one of the most sought after institutions by parents and students. The Ultra-modern computer labs with latest software and hardware make it a learning heaven for IT enthusiasts. Teaching rooms and work areas are well furnished and equipped with modern up-to-date facilities.

Sri Sairam College of Engineering and Axis Global Institute of Industrial Training believe that close co-operation between an industry and a technical institution would be of considerable mutual benefit. The budding engineers from a technical institution could play a key role in technological up-gradation, innovation and competitiveness of an industry. Axis Global Automation and AGIIT can give valuable inputs to the institution with respect to customization of the curriculum as well as in the teaching/training methodology so that students become industry ready. By appreciating the importance of co-operation and coordination of industries and institutions, both Axis Global Institute of Industrial Training and Sri Sairam College of Engineering execute this Memorandum of understanding to carry out joint work whose scope is outlined below

**This Memorandum of Understanding dated is between Sri Sairam College of Engineering, Bangalore represented by the PRINCIPAL, Dr.Y.Vijayakumar and Axis Global Institute of Industrial Training, represented by the Director, MR.EZHILMARAN ARUMUGAM with the registered office at #33, Kathir Avenue, Aandal Street, Lakshmipuram, Hope College, Coimbatore-641 004.**

The Memorandum of Understanding states the terms and conditions under which Laboratory erection commissioning and on-site Training Programs shall be conducted by Axis Global Institute of Industrial Training at Sri Sairam College of Engineering, Bangalore and lists herein the respective responsibilities of the institute and the center.

Axis Global Institute of Industrial Training is willing to provide the Laboratory establishment support, Training and the Services as per the terms and conditions contained in this Agreement.

**ARTICLE 1 AXIS GLOBAL INSTITUTE OF INDUSTRIAL TRAINING , SHALL PROVIDE**

- i. Training program shall be given to students
- ii. Industrial Internship For Students Of ECE, EEE and Mechanical Engineering Departments
- iii. Faculty Development Program Twice per Year
- iv. Technical Awareness Seminars for Students
- v. Workshop on Current Engineering & Automation Technologies for Students
- vi. Guest Lectures by Industrial Experts
- vii. In Plant Training For Students
- viii. Final Year Projects for students
- ix. Lead instructors to give lecture sessions for the Training Program along with practical guidance industrial internship for students of ECE, EEE and Mechanical Engineering departments
- x. Certificates to the students who have successfully completed the training program. These certificates are to be issued within 15 days of completion

**ARTICLE 2:- SRI SAIRAM COLLEGE OF ENGINEERINGSHALL PROVIDE**

- i. Computer lab with relevant systems facilities has to be provided for conducting Training Program
- ii. Disciplinary support for smooth conduct and timely completion of the entire Laboratory set-up and Training Program
- iii. One staff room with system and locker facilities

**ARTICLE 3:- TRAINING PROGRAM**

Training Program shall be given to students of all departments in PLC, Robotics, SCADA, DCS, HMI, SERVO, PAC& Field Instruments etc.

- i. Students of all departments can participate in the Technical Training Program
- ii. Value-Added Industry Institute Interaction based training programs like In-plant training and summer Internship Programs to be conducted on a periodical basis
- iii. Career Technical guidance and counseling will be provided to students
- iv. If a student who has enrolled in the training program decides to opt out, his/her training fee will not be refunded

#### **ARTICLE 4:- PROJECT MANAGER / LINK OFFICER**

The Principal shall provide a Link officer from the department, who shall liaise with Axis Global Institute of Industrial Training , and speak about the technical details of laboratory and for the participants of Training Program to make the process – friendly and effective. Axis Global Institute of Industrial Training shall work in close relationship with the Project Manager / Link Officer, who in-turn shall keep close touch with the Lab in-charges and the students. In the event of any difference of opinion between Axis Global Institute of Industrial Training and the Link Officer, the matter should be referred to the Principal; Sri Sairam College of Engineering , whose decision thereon shall be final.

#### **Training Methodology:**

1. Theoretical sessions followed by detailed practical sessions
2. Hands-On practical training for every Individual
3. We will bring the necessary (PLC/SCADA/etc.) Hardware and Software to your institute at the time of training

#### **Benefits:**

The training will equip the candidates to pursue a career in any core industries of their choice in the field of industrial automation. Upon successful completion of the above mentioned training the students will get International standard certificates from AGIIT or Global Certificate from reputed brands.

#### **Terms & Conditions**

##### **\*From Axis Global Institute of Industrial Training**

1. Trainers
2. Necessary Software & Materials as per the training Modules
3. Certificates from Direct MNC Brands like YASKAWA, AGIIT

##### **\*From College:**

1. Strength – Min. 40 Students
2. Seminar Hall, Classroom Facilities, LCD Projector & Speakers system
3. Lab Facilities with upgraded XP-2 OS systems (Max. 2 Student per system)
4. Accommodation Facilities & Food Facilities for our Trainers, if applicable
5. Vehicles Facilities for Transportation of Materials, if applicable

#### **General Terms & Conditions:**

This agreement is non-exclusive in nature and both Sri Sairam College of Engineering and Axis Global Institute of Industrial Training (AGIIT) shall retain their right to perform their obligation with any other

party during the term of this Agreement.

Axis Global Institute of Industrial Training (AGIIT) and Sri Sairam College of Engineering hereby agree that each is an independent contractor and the MOU doesn't mean that one is an Agent of the other or of each other, and neither party shall be entitled to bind, by its acts, omissions or otherwise, the other Party.

This MOU will be valid for a period of three years. However, either party can terminate this MOU at any time if any of the stipulations are broken. A three month notice should be given by either party in case of termination.

The Instrument sets forth the entire Agreement between the Parties hereto and neither party shall do all other representations, irrelevant and unenforceable. All Modifications to the Agreement shall be in writing and only if mutually agreed to.

This Memorandum of Understanding shall come into effect from 15<sup>th</sup> September 2017 IN WITNESS WHERE OF THE UNDERSIGNED, duly authorized there to, have signed this Memorandum of understanding on

### MEMORANDUM OF UNDERSTANDING

#### SRI SAIRAM COLLEGE OF ENGINEERING, ANEKAL

And

#### IMPRESSIV AUTOMATION SERVICES, HOSUR

This Memorandum of Understanding (MOU) is entered into on this 8<sup>th</sup> day of August, 2016 by and between College and company for the period of one year from the date of MOU Signed, Sri Sairam College of Engineering and Impressiv Automation Services agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post- doctoral students at the partner institutions;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

## Memorandum of Understanding

### Pure MCU Teaching Lab training in Sri Sairam College of Engineering

This memorandum of understanding is signed on the 10<sup>th</sup> day of August 2016, between the following institutions,

1. M/s EdGate Technologies Pvt Limited which is the University Program Partner of Texas Instruments, India
2. Sri Sairam College of Engineering, Sai Leo Nagar, Guddanahalli (Post), Anekal, Bengaluru - 562106.

This Memorandum of Understanding is proposed in order to train the students and staff members using MSP430 Launch pad in Sri Sairam College of Engineering, Bengaluru for the period of 1 year from the date of MoU signed.

Through this Memorandum of Agreement, the two parties agree to the following.

- (a) A steering committee will be set up to monitor the activities of the MoU. The committee will consist of the Mr.Gurpreet Singh of M/s EdGate Technologies Pvt Limited and Prof. C. Sivaprakash, Professor & Head, Dept. of Electronics & Communication Engineering of Sri Sairam College of Engineering, with mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.
- (b) Training : The College will utilize the established lab facility with MSP430 in existing lab by "Texas Instruments Lab" EdGate Technologies Pvt Limited for training the students and staff members in the respective field.
- (c) Curriculum: The College will explore ways to introduce a lab based courses using Texas Instruments TI Platforms in their undergraduate engineering curriculum.
- (d) Faculty Development Program: Under University Program EdGute Technologies and TE will organize faculty development program at the premises of the college to help the faculty members in teaching Microcontrollers using MSP430 kit, the college will provide the infrastructure and other facilities to conduct event successfully.
- (e) Workshops/Events: If the College wishes to organize a national event in the area of TI Platform, EdGate Technologies Pvt limited /TI will provide speakers.
- (f) Publicity through Media: The college does not publicize the event to other external communication about the MOU in electronic or print media without explicit permission from EdGate Technologies Pvt Limited Texas Instruments. In case the college/University wants to do so a prior approval from Texas Instruments and EdGate Technologies Pvt limited is required.

## MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (MoU) is made and entered into as of the 2<sup>nd</sup> day of August 2016 by and between

**Loginware Softtec Private Limited**  
#40/163, 1<sup>st</sup> Floor, Opp. Bharathi Associates  
B M Bypass Road, Boovanahalli  
Hassan, Karnataka, India - 573201  
(Henceforth referred to as "**Loginware**" in this document),

And

**Sri Sairam College of Engineering,**  
Sai Leo Nagar. Guddanahalli (Post), Anekal,  
Bengaluru – 562 106.  
(Henceforth referred to as "**Sri Sairam College of Engineering**" in this document)

Loginware and Dept. of ECE, **Sri Sairam College of Engineering**, on mutual agreement have decided to collaborate for a MoU. The MoU is to be signed with regards to the following articles and clauses:

### Article I: Purpose and Scope

This article aims to explore the scope of a collaboration based on mutual interest and benefit (hereby referred to as the "**Opportunity**") and in connection with the opportunity, this document highlights points of general agreement that help establish common understanding.

### Article II: Objectives

The primary purpose of this company will be embedded product research and development, to utilize a carefully designed and integrated set of training programs, entrepreneurship, development components, cooperative concepts and technology services to select and train individuals of tier II and tier III cities to become new generation skilled workers cum entrepreneurs and community builders.

The programs carried out in Loginware will attract, screen, motive, prepare and assist individuals of tier II and tier III cities to utilize effectively the new generation technology.

### Loginware Softtec Pvt. Ltd.,

#40/163, 1st Floor, Opp. Bharathi Associates, BM Bypass Road, Boovanahalli, Hassan - 573201

M: info@loginwaresofttec.com | www.loginwaresofttec.com

© 08172 - 297179, +91 79969 90246/47

### Specific Objectives of Loginware:

- 1) Creating a one-stop technology platform or a knowledge hub to support all kinds of technology needs of Tier II and III cities.
- 2) Make available at one location all of the essential technology facilities, training and support services needed by individuals of tier II and tier III cities.
- 3) Systematically create substantial number of new modern small business enterprises and worker cooperatives.
- 4) Generate economic growth and employment opportunities for youth and poor people in tier II and tier III cities.
- 5) As one of the fastest-growing innovators in the education technology and skill development space, Loginware sees great value in working with COLLEGE and developing this ecosystem of well-trained, practical and innovative Engineering graduates. By bringing in the combined expertise of industry professional from diverse technology streams, Loginware is well positioned to make this a win-win engagement.

### Article III: Roles and Responsibilities of Loginware

As a practicing industry partner, Loginware will contribute in multiple capacities:

- ❖ Loginware will provide training and internships, based on trending developments of embedded systems, Internet of things and software solutions and as required by **Sri Sairam College of Engineering**.
- ❖ Loginware will provide open platform for the students to get in to the real time product development in the identified space provided at **Sri Sairam College of Engineering**.
- ❖ Loginware will provide training and workshops at **Sri Sairam College of Engineering** as per schedules provided by Institute at affordable fee from the student community.
- ❖ Loginware will also provide certificate of participation to those students of **Sri Sairam College of Engineering** who undergo training and workshops.
- ❖ Technology support from Loginware for embedded systems research and development in **Sri Sairam College of Engineering**.
- ❖ Loginware will provide employment opportunity for the selected students who have undergone internship program.

### Article IV: Roles and Responsibilities of Sri Sairam College of Engineering

Providing the availability of the **Computer Lab Infrastructure** (where the classes will be conducted) will be the responsibility of **Sri Sairam College of Engineering**.

**Loginware Softtec Pvt. Ltd.,**

#40/163, 1st Floor, Opp. Bharathi Associates, 6M Bypass Road, Roovanahalli, Hassan - 573201

**Sri Sairam College of Engineering** will also provide, subject to personnel and budgetary limitations and as may be mutually agreed upon:

- a) Internet, library facilities and other such requirements, which may be necessary for conducting the classroom sessions, workshops and other relevant events such as Hackathons, will be the responsibility of **Sri Sairam College of Engineering**.
- b) Relevant space to Loginware on the online / offline notice areas of the **Sri Sairam College of Engineering** for program related communications.
- c) Recognition to Loginware as "**Knowledge Partners**" for conducting classroom sessions, workshops and Research related to Embedded systems design and development, Industrial Internet of things, Web Development, App Development, Scientific Computing, Artificial Intelligence and other disciplines to be identified from time to time.
- d) Inviting **Loginware** to sponsor /participate in National/International workshops/conferences /seminars and other important technology business meetings relevant to them.

#### **Article V: No Obligation**

Each party understands and agrees that nothing herein requires either party.

- a) To disclose any confidential information, which shall be disclosed, if at all, solely at the discretion of the disclosing party subject of course to such conditions as may be thought fit.
- b) To proceed with the opportunity or any relationship in connection with which confidential Information may be disclosed.

As used herein, the party disclosing Confidential Information is the "Disclosing Party" and the party receiving the confidential Information is the "Recipient".

#### **Article VI: No License**

All of the Disclosing Party's Confidential Information shall remain the sole property of the Disclosing Party. Nothing in this MoU is intended to grant any rights to either party under a patent, copyright, trade secret or other intellectual property right of the other party, nor shall this MoU grant either party any rights in or to other party's Confidential Information except as expressly set forth herein. However could be arrived with suitable conclusion with mutual consent from both the parties.

#### **Loginware Softtec Pvt. Ltd.,**

#40/163, 1st Floor, Opp. Bharathi Associates, BM Bypass Road, Boovanahalli, Hassan - 573201

M: info@loginwaresofttec.com | www.loginwaresofttec.com

© 08172 - 297179, +91 79969 90246/47

#### Article VII: Permitted use

The recipient agrees that it shall use the Disclosing Party's confidential information solely for the purpose of evaluating the opportunity and shall not reverse engineer, disassemble or decompile any prototypes, software or other tangible objects which embody the Disclosing Party's Confidential Information unless explicit written consent to such actions is received from the Disclosing party.

If such a prohibition is not permitted pursuant to applicable law, the recipient shall provide the Disclosing Party Written notice prior to undertaking any such reverse engineering and shall give the Disclosing party a reasonable amount of time to provide any interface information required by law prior to commencing such reverse engineering. If such interface information is provided, then the recipient is prohibited from such reverse engineering.

#### Article VIII: MOU extensions

a) This MOU may be supplemented by work plans to be developed jointly, which describe more specifically the activities to be carried out under this collaborative program and which set forth the envisaged contribution of each party.

b) Sri Sairam College of Engineering and Logiware may name members of their respective staff to work out further details for proper and effective implementation of this MOU.

c) Such details as agreed upon, including any other amendments, will be confirmed by exchange of letters between Sri Sairam College of Engineering and Logiware and such letters will form part of this MOU.

d) These work plans will require the approval of both parties for implementation.

#### Article IX: MOU Revocation

Either party may terminate this MOU on 60 days' written notice to the other party. Termination may occur upon the breach of this MOU by one of the parties. A breach of this MOU includes, but is not limited to, a violation of the policies and rules of the Sri Sairam College of Engineering, the making of a misrepresentation or false statement by one of the parties, non-performance of the party's duties, or the occurrence of a conflict of interest between the parties. Each party has 30 days to cure the breach. If this MOU terminated during an academic term, students enrolled in classroom program/sessions under this MOU will be allowed to finish their coursework and receive appropriate certification.

If such a prohibition is not permitted pursuant to applicable law, the recipient shall provide the Disclosing Party Written notice prior to undertaking any such reverse engineering and shall give the Disclosing party a reasonable amount of time to provide any interface information required by law prior to commencing such reverse engineering. If such interface Information is provided, then the recipient is prohibited from such reverse engineering.

#### **Article VIII: MoU extensions**

- a) This MoU may be supplemented by work plans to be developed jointly, which describe more specifically the activities to be carried out under this collaborative program and which set –forth the envisaged contribution of each party.
- b) Sri Sairam College of Engineering and Loginware may name members of their respective staff to work out further details for proper and effective implementation of this MoU.
- c) Such details as agreed upon, including any other amendments, will be confirmed by exchange of letters between Sri Sairam College of Engineering and Loginware and such letters will form part of this MoU.
- d) These work plans will require the approval of both parties for implementation.

#### **Article IX: MoU Revocation**

Either party may terminate this MoU on 60 days' written notice to the other party. Termination may occur upon the breach of this MoU by one of the parties. A breach of this MOU includes, but is not limited to, a violation of the policies and rules of the Sri Sairam College of Engineering, the making of a misrepresentation or false statement by one of the parties, non-performance of the party's duties, or the occurrence of a conflict of interest between the parties. Each party has 30 days to cure the breach. If this MOU terminated during an academic term, students enrolled in classroom program/sessions under this MOU will be allowed to finish their coursework and receive appropriate certification.

**NOW THEREFORE THESE PRESENTS WITNESSETH AND THE PARTIES HEREBY AGREE AS FOLLOWS:**

1. The scope of this MoU is to provide a framework of reference to build a strong and on-going relationship between **Sri Sairam College of Engineering (SSEC)** and **Srisha Robotics Academy** in various areas of mutual interest and benefit. The
2. The primary goals are:
  - I. **Conducting Faculty Development Programs (FDPs):** Faculty Development / Certification Programs are to be conducted in the Sri Sairam College of Engineering Campus for the Faculty members of the college / other colleges to get trained in technologies/domains like Advanced Engine Management, automotive technologies, Engine tuning Virtual and Augmented Reality, Artificial Intelligence, Machine Learning, IOT, Data Science, Robotics etc.
  - II. **Conducting Workshops/ Events/ Training Modules:** Workshops/ Events / Training Modules are conducted in the in the above-mentioned fields for the benefit of the Students.
  - III. Courses and Expertise support would be provided on Internet of Things (IoT), Intelligence (AI), Virtual and Augmented Reality, Robotics, Automations, 3D printing, Internships and Project Work facilitation, Expert Lecture on need basis.
  - IV. Support for Industry recognized certificate for AICRA based on the competitive exams.
  - V. Eligibility for National and international level competitions for SSEC Students.
3. **Sri Sairam College of Engineering and Srisha Robotics Academy** establish a Team of "Innovators". Both the Parties shall ensure that the "Innovators" comprises of appropriate personnel from both parties to discuss and implement the ideas. Both sides will also have Single Point of Contact for coordinating various activities and for administration purpose.
4. **Sri Sairam College of Engineering** shall be represented by Principal along with the team of designated faculty members or Department Heads as and when necessary.
5. **Responsibilities of Srisha Robotics Academy:**
  - a) Provide the platform for all the students to encourage and support innovation
  - b) Allowing all students to take up internships based on the university regulations. Creating the clubs and organizing the events and activities on the regular basis.
  - c) All courses, projects, workshops on the cutting-edge technologies would be provided
  - d) Internship certificate for your students who has successfully completed the program with us.
  - e) Supporting students to exhibit their innovation at national level.

### MEMORANDUM OF UNDERSTANDING

between

**SHIRDI SAI ENGINEERING COLLEGE, ANEKAL**

And

**IMPRESSIV AUTOMATION SERVICES, HOSUR**

This Memorandum of Understanding (MOU) is entered into on this 1<sup>st</sup> day of August, 2014 by and between College and company for the period of one year from the date of MOU Signed, Shirdi Sai Engineering College and Impressiv Automation Services agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post- doctoral students at the partner institutions;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

  - I. Conducting Faculty Development Programs (FDPs): Faculty Development / Certification Programs are to be conducted in the Sri Sairam College of Engineering Campus for the Faculty members of the college / other colleges to get trained in technologies/domains like Advanced Engine Management, automotive technologies, Engine tuning Virtual and Augmented Reality, Artificial Intelligence, Machine Learning, IOT, Data Science, Robotics etc.

- II. **Conducting Workshops/ Events/ Training Modules:** Workshops/ Events / Training Modules are conducted in the in the above-mentioned fields for the benefit of the Students.
  - III. Courses and Expertise support would be provided on Internet of Things (IoT), Intelligence (AI), Virtual and Augmented Reality, Robotics, Automations, 3D printing, Internships and Project Work facilitation, Expert Lecture on need basis.
  - IV. Support for Industry/ recognized certificate for AICRA based on the competitive exams.
  - V. Eligibility for National and international level competitions for SSEC Students.
3. **Sri Sairam College of Engineering, Bangalore and HA EGL Technologies** establish a Team of "Innovators". Both the Parties shall ensure that the "Innovators" comprises of appropriate personnel from both parties to discuss and implement the ideas. Both sides will also have Single Point of Contact for coordinating various activities and for administration purpose.
  4. **Sri Sairam College of Engineering, Bangalore** shall be represented by Principal along with the team of designated faculty members or Department Heads as and when necessary.
  5. **Responsibilities of HA EGL Technologies:**
    - a) Provide the platform for all the students to encourage and support innovation
    - b) Allowing all students to take up internships based on the university regulations. Creating the clubs and organizing the events and activities on the regular basis.
    - c) All courses, projects, workshops on the cutting-edge technologies would be provided
    - d) Industry recognized certificate from **All India Council or Robotics and Automation(AICRA)** as per the cost and the requirement,
    - e) Internship certificate for your students who has successfully completed the program with us.
    - f) Supporting students to exhibit their innovation at national level.

#### **Responsibilities of Sri Sairam College of Engineering, Bangalore**

- a) Provide the basic facility and infrastructure like but no limited to classroom, projects, computers and so on.
- b) Encouraging students to join the programs and the clubs.

#### **Cost and Liabilities:**

6. Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.
7. Courses that we conduct are very high in demand and are highly priced in the Market. However, in the interest of the students, **HA EGL Technologies** will provide training at very reasonable rates without compromising on the quality of education. Here is the mutually agreed fee structure:
  - a) Training fee structure will be fixed by both the parties.
  - b) The Cost for the Board/ Kits /other training materials shall be charged to the students.
  - c) The minimum strength of students required to run the On-Campus Training Program is 50 students per program and maximum strength shall be 100.

8. **Joint responsibilities of Sri Sairam College of Engineering, Bangalore and HA EGL Technologies**

**Sri Sairam College of Engineering, Bangalore and HA EGL Technologies** jointly agree:

- a) To closely work together to bring paid Workshop/Training opportunities for Colleges nearby. The workshops will be technically supported by **HA EGL Technologies**. Travel and accommodation of the trainers/trainees will be taken care either by college or **HA EGL Technologies** decided on case to case basis.
- b) If any project carried out in a joint venture leads to a potential Product/service, then incubation center terms and conditions will be laid down on **HA EGL Technologies**
- c) In case of additional funding required to develop expertise on consulting, **Sri Sri Sairam College of Engineering, Bangalore and HA EGL Technologies** put up joint project proposal for funding by govt or any other agencies.
- d) To work towards success of projects and relationship fostering
- e) To enter into a separate non-Disclosure agreement to safeguard and protect each other's data confidentiality and other interests.

**Agreement Validity**

9. This MoU shall come in to effect from date of execution of agreement and shall remain in effect for a period of twelve (12) months ie, from August 2015 to July 2016. After a period of twelve months, MOU can be further extended on mutual agreement.
10. Either Party shall have the right to terminate this MoU by giving ninety (90) days prior written notice to the other Party.

**Prohibitions and Exceptions:**

11. **Sri Sairam College of Engineering, Bangalore** shall be deprived of the right to use the brand name of **HA EGL Technologies, All India Council of Robotics and Automation** along with all kinds of material and promotional material of **HA EGL Technologies** immediately after termination or expiry of this AGREEMENT.
12. Both the Parties agrees to keep each other indemnified against all claims, proceedings, losses, cost and expenses of any willful or negligent conduct by itself or its agents in relation to this AGREEMENT.

**Intellectual Property and Confidentiality:**

13. Neither Party shall, without the prior written consent of the other Party disclose to any third party the contents of this MoU or any information obtained by either Party in performance of or in connection with this MoU. The Parties agree to take all reasonable measures to maintain the confidentiality of all Information which in no event will be less than the measures it uses to maintain the confidentiality of its own information of similar importance.
14. The obligations of confidentiality shall come into effect upon the signing of this MoU and shall survive even after the termination of this MoU.
15. This agreement and its privileges are nontransferable.

**Dispute Resolution and Jurisdiction:**

16. Any dispute arising out of this agreement shall be addressed initially through mutual discussions and later referred to an independent arbitrator appointed by HAEGL Technologies per the arbitration act.

17. Jurisdiction for the AGREEMENT shall be that of the courts of Bangalore, exclusively.

18. This is the whole agreement between Sri Sairam College of Engineering, Bangalore / HAEGL Technologies and there is no other agreement

### MEMORANDUM OF UNDERSTANDING

#### SRI SAIRAM COLLEGE OF ENGINEERING, ANEKAL

And

#### IMPRESSIV AUTOMATION SERVICES, HOSUR

This Memorandum of Understanding (MOU) is entered into on this 4<sup>th</sup> day of August, 2015 by and between College and company for the period of one year from the date of MOU Signed, Sri Sairam College of Engineering and Impressiv Automation Services agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post- doctoral students at the partner institutions;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

### MEMORANDUM OF UNDERSTANDING

between

**SHIRDI SAI ENGINEERING COLLEGE, ANEKAL**

And

**IMPRESSIV AUTOMATION SERVICES, HOSUR**

This Memorandum of Understanding (MOU) is entered into on this 1<sup>st</sup> day of August, 2014 by and between College and company for the period of one year from the date of MOU Signed, Shirdi Sai Engineering College and Impressiv Automation Services agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post- doctoral students at the partner institutions;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

### MEMORANDUM OF UNDERSTANDING

between

**SHIRDI SAI ENGINEERING COLLEGE, ANEKAL**

And

**IMPRESSIV AUTOMATION SERVICES, HOSUR**

This Memorandum of Understanding (MOU) is entered into on this 31<sup>st</sup> day of July, 2013 by and between College and company for the period of one year from the date of MOU Signed, Shirdi Sai Engineering College and Impressiv Automation Services agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post- doctoral students at the partner institutions;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

### MEMORANDUM OF UNDERSTANDING

#### SHIRDI SAI ENGINEERING COLLEGE, ANEKAL

And

#### IMPRESSIV AUTOMATION SERVICES, HOSUR

This Memorandum of Understanding (MOU) is entered into on this 5<sup>th</sup> day of August, 2012 by and between College and company for the period of one year from the date of MOU Signed, Shirdi Sai Engineering College and Impressiv Automation Services agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post- doctoral students at the partner institutions;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.
