Connect with People to Advance your Career by : Sri Vidya

The higher education cell conducted the program on dated 9th Sep 2013 in seminar hall. In this regards I have communicated with Higher Education people from TIME's and invited them for a talk. And I took an approval to conduct this program for final year students of all the departments (CSE,ECE,EEE,AND MECH) of our college.

As we have conducted this program with **Mrs. Sri Vidya placement** training expert from Havya Technologies Private Limited. She discussed the following.

Here are five steps you can take to meet the right connections, and foster beneficial work relationships to get your career started!

- Figure out what value you have for **others**. ...
- Make **a** list. ...
- Go to networking events. ...
- Reach out on LinkedIn. ...
- Know **your** goals, so you know **the** right **people** to help you reach them.

The session was very successful and from our college total 278 students are attending from our college.

Thanking you,

Report on

Gate Coaching Class from Byju's

With respect to above subject from higher education cell conducted the program on dated 12th Nov 2017 in seminar hall. In this regards I have communicated with Higher Education people and I took an approval to conduct this program for final year students of all the departments (CSE,ECE,EEE,AND MECH) of our college.

As this was the need of the hour, we have conducted this program with **Mr. Girish from Byju's** Gate coaching expert. In the seminar hall session between 11:30 to 1:00 pm and the response from the students was good. As these programs are planned one year before most of the students had an enquiry with Mr. Girish and in turn they have communicated with me also.

As per my review this program can be conducted in our college calling the people from Byju's during weekends. Total 251 students are attended this session from our college.

Report on

CAT and GRE Training by: Rajeev

With respect to above subject from higher education cell conducted the program on dated 03rd Jul 2016 in seminar hall. In this regards I have communicated with Higher Education people from TIME's and invited them for a talk. And I took an approval to conduct this program for pre-final year and final year students of all the departments (CSE,ECE,EEE,AND MECH) of our college from your good self sir.

As this was the need of the hour, we have conducted this program with **Mr. Rajeev** CAT and GRE coaching expert in the seminar hall first session between 11:30 to 1:00 pm and the response from the students was good. As these programs are planned one year before most of the students had an enquiry with Mr. Rajeev and in turn they have communicated with me also.

2nd session started with final year students from 2:00 to 3:30pm from the same resource person and the response was not so encouraging, as very few were interested in writing GRE and Foreign Languages.

As per my review this program can be conducted in our college calling the people from TIMES giving some slots on Sunday or in holidays as they need 68 hr of coaching on these. We have to discuss with students and also with them sir. Total 259 students are attended from our college for this session.

Following attached the CAT and GRE training session images.
