**Placement Report 2017-2018**

## **TRAINING AND PLACEMENT CELL**

### **Annual Report**

The Training & Placement Cell at Sri Sairam College of Engineering, Bengaluru functions under the directions of the Principal of the College. A Team of Professors nominated by the Principal, works to guide the students on Career opportunities.

The mission of Training and Placement Cell is to achieve maximum placements for students through dedication, attitude and complete involvement. The T&P cell holds the objective of acquainting the students of the Institute with Industries. The Placement cell organizes and extends services towards collaborative placement activities. The cell conducts training activities for the final year students mainly focusing on Career planning, Personality Development Industry- Institute Interaction, off site training, Industrial visits, Campus placements, Entrepreneurship Development. Continuous interaction of the cell with the industries also helps in achieving the above goals & motivating students to contribute in this direction.

The activities of the cell include collecting the database of the students and compiling them for use when needed. The Training & Placement Cell organizes training programs, seminars and meetings to encourage the students to plan their future.

The Training & Placement Cell of SSCE organizes workshops for informing students about emerging trends and events. It also aims promotion of discipline, healthy outlook and positive attitude towards national integration and removal of narrow provincial preferences and prejudices among students. Above all, the main function of the cell is to invite reputed companies to the campus to conduct campus interviews and find suitable jobs for the skills available among the students.

Apart from the campus recruitment programme in our college, the students were also encouraged to participate in on-line registration for firms and to attend the job fairs and Off-campus programs conducted at various institutions. Student's database has been issued to more than 50 companies on request and as per companies requirements students will get opportunities for the placements in these companies.

Placement for the batch of 2017-2018 at Sri Sairam College of Engineering, Bengaluru was marked by an increased interest from several companies, with over 40 recruiters given the opportunities to the students of the college for placements.

The relationship recruiters continued to show their faith in the outstanding abilities of the students, offering them better profiles. There was an overwhelming increase in the number of new recruiters this placement season. Their interest in collaborating with Sri Sairam College of Engineering, Bengaluru is an indication of the diversity and robust curriculum that Sri Sairam College of Engineering, Bengaluru is built upon.

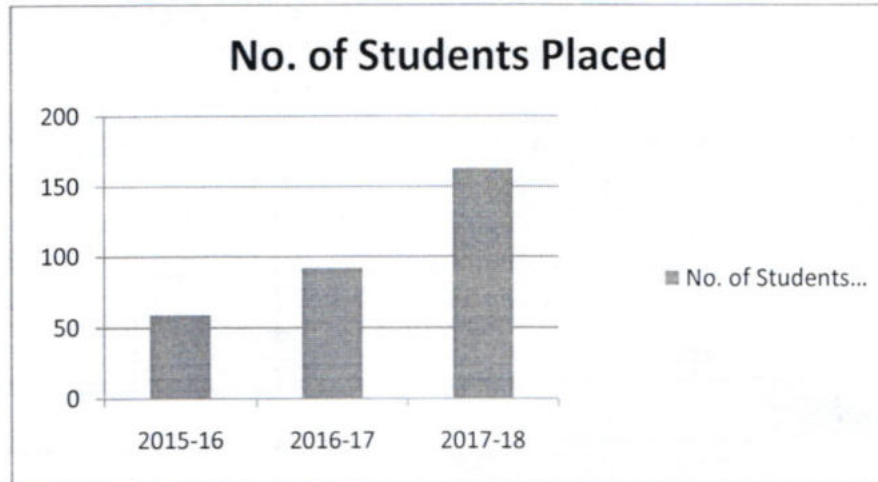

Thanks to the encouragement given by the Management, Principal, Dean, Head of Departments and the co-operation rendered by the enthusiastic colleagues both Teaching and Non-Teaching of our college.

**Sri Sairam College of Engineering,  
Bengaluru**

**Placement Report 2016-2017**

## **TRAINING AND PLACEMENT CELL**

### **Annual Report**

The Training & Placement Cell at Sri Sairam College of Engineering, Bengaluru functions under the directions of the Principal of the College. A Team of Professors nominated by the Principal, works to guide the students on Career opportunities.

The mission of Training and Placement Cell is to achieve maximum placements for students through dedication, attitude and complete involvement. The T&P cell holds the objective of acquainting the students of the Institute with Industries. The Placement cell organizes and extends services towards collaborative placement activities. The cell conducts training activities for the final year students mainly focusing on Career planning, Personality Development Industry- Institute Interaction, off site training, Industrial visits, Campus placements, Entrepreneurship Development. Continuous interaction of the cell with the industries also helps in achieving the above goals & motivating students to contribute in this direction.

The activities of the cell include collecting the database of the students and compiling them for use when needed. The Training & Placement Cell organizes training programs, seminars and meetings to encourage the students to plan their future.

The Training & Placement Cell of SSCE organizes workshops for informing students about emerging trends and events. It also aims promotion of discipline, healthy outlook and positive attitude towards national integration and removal of narrow provincial preferences and prejudices among students. Above all, the main function of the cell is to invite reputed companies to the campus to conduct campus interviews and find suitable jobs for the skills available among the students.

Apart from the campus recruitment programme in our college, the students were also encouraged to participate in on-line registration for firms and to attend the job fairs and Off-campus programs conducted at various institutions. Student's database has been issued to more than 50 companies on request and as per companies requirements students will get opportunities for the placements in these companies.

Placement for the batch of 2016-2017 at Sri Sairam College of Engineering, Bengaluru was marked by an increased interest from several companies, with over 45 recruiters given the

opportunities to the students of the college for placements. In this academic year, Aricent Company with the help of NASSCOM had given technical training on JAVA to the circuit branch students without charging money from students. Because of this training the students were happy and improved the placements also.

The relationship recruiters continued to show their faith in the outstanding abilities of the students, offering them better profiles. There was an overwhelming increase in the number of new recruiters this placement season. Their interest in collaborating with Sri Sairam College of Engineering, Bengaluru is an indication of the diversity and robust curriculum that Sri Sairam College of Engineering, Bengaluru is built upon.

Thanks to the encouragement given by the Management, Principal, Dean, Head of Departments and the co-operation rendered by the enthusiastic colleagues both Teaching and Non-Teaching of our college.

It also aims promotion of discipline, healthy outlook and positive attitude towards national integration and removal of narrow provincial preferences and prejudices among students. Above all, the main function of the cell is to invite reputed companies to the campus to conduct campus interviews and find suitable jobs for the skills available among the students.

Apart from the campus recruitment programme in our college, the students were also encouraged to participate in on-line registration for firms and to attend the job fairs and Off-campus programs conducted at various institutions. Student's database has been issued to more than 50 companies on request and as per companies requirements students will get opportunities for the placements in these companies.

Placement for the batch of 2013-2014 at Shirdi Sai Engineering College, Bengaluru was marked by an increased interest from several companies, with over 30 recruiters given the opportunities to the students of the college for placements.

The relationship recruiters continued to show their faith in the outstanding abilities of the students, offering them better profiles. There was an overwhelming increase in the number of new recruiters this placement season. Their interest in collaborating with Shirdi Sai Engineering
