Respected Sir,

Sub : Report - Mock Interviews – Eligible students for TCS – On 27th July 2019 – Alumni - Reg .

With reference to the above subject, As TCS scheduled in First week of August 2019, Training & Placement Cell along with Sri Sairam College of Engineering Alumni Association organized Mock-Interviews to the eligible students of TCS (2020 Passed out students) on 27th July 2019.

Ms. Philomina, who is working in Volvo and alumni of Sri Sairam College of Engineering (2011 Passed out Batch), Ms. Aswini Chandran, who is working in Wipro and alumni of Sri Sairam College of Engineering (2016 Passed out Batch), Ms. Aswini Kumar, who is working in Infosys and alumni of Sri Sairam College of Engineering (2015 Passed out Batch), Ms. Anitha, who is working in TCS and alumni of Sri Sairam College of Engineering (2016 Passed out Batch), Mr. Nagendra Prasad, who is working in Thomson Reuters and alumni of Sri Sairam

College of Engineering (2011 Passed out Batch) conducted Mock Interviews for the TCS eligible students.

Ms. Philomina requested her colleagues Mr. Uma Shankar, Mr. Govind and Mr. Muralidharan also to join for Mock Interviews and they also conducted the Mock Interviews.

They have taken 2 rounds of Mock Technical and 1 round of Mock HR for every student.

After completing Mock- Interviews, They all had given feedback to the students individually and they motivated them to come out with their problems of facing interviews. Later all the Mock Interviewers explained how to crack interview questions and how to behave themselves in interviews to the TCS Eligible students.

The students were very happy for the real time experience of the interview by the industry people and for their suggestions to crack interviews successfully.

Training and Placement Officer, Principal and Management Representative conveyed gratitude to the Mock Interviewers for spending their valuable time on holiday and giving valuable tips to the students.

This is for your kind Information.

Dear Manjunath S

Greetings from **Sri Sairam College of Engineering, Bangalore!!!**

It gives us immense pleasure to inform you that, we are organizing TEQIP Sponsored six days workshop on **“Design and Fabrication of Go-kart Vehicle – For Women”** from 25th July 2019 to 30th July 2019 in our institution.

This aims to make girl students to get exposed to the intricacies of designing and fabrication of Go-kart from scratch to an industrial assembly line.

We request your good self to accept our invitation as resource person for the workshop on 28th July 2019 at college campus. You will be the right person to motivate the girl students to empower them to meet their goals. Around 40 girl students across Karnataka are attending the workshop.

We will be very much obliged if you accept our invitation. For any other information please feel free to contact the Coordinator – **Mr. HARISH BABU L – 9036527118.**

Vivesvaraya Technological University

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 20 years of Tradition of excellence in Engineering & Technical Education, Research and Innovations. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. University has very successfully achieved the tremendous task of bringing various colleges affiliated earlier to different Universities, with different syllabi, different procedures and different traditions under one umbrella. The university having 218 affiliated colleges, 1 constituent college and 17 Autonomous colleges with undergraduate courses in 35 disciplines, PG program in 94 disciplines and Ph.D & M.sc Engg.) with research programs in 592 departments, over 4 lakhs Engineering Students study in the various institutes affiliated to the University. The University has 13 Quality Improvement Programme (QIP) centers in various affiliated colleges and 16 extension centers for offering PG programs. The University has revised the syllabus for UG and PG from the academic year 2014-15. It has four regional centers across the State of Karnataka in Belagavi, Bengaluru, Kalaburagi and Mysuru respectively. University is comprised of a multi-disciplinary and multi-level institution offering wide ranging programmes in engineering, technology and Management.

About TEQIP 1.3

The project focus on the following

Improving Quality and equity in engineering institutions in focus states viz., Seven Low Income States (LIS), eight states in the North-east of India, three hill states viz., Himachal Pradesh, J & K, Uttarakhand, Andaman & Nicobar Islands.

Twinning arrangements to build capacity and improve performance of institutions and ATUs participating in focus states.

As a twinning partner VTU is conducting various activities to improve quality of education in affiliated colleges and mentree university partners namely Aryabhata Knowledge University Patna, Bihar and Biju Patnaik University of Technology, Rourkela, Orissa.

About Workshop

Nowadays, designing and fabricating Go-Kart/ Quad Bike/ Baja/ Student formula has become a dream for most of the students pursuing engineering across the country. This course is for the students wanting a kick start to develop their own vehicles. The workshop is developed by the Industry experts and academicians allow the students to learn from the basic automobile concepts to Design and fabrication of Go Kart. On a broader picture, this course enables students to learn about Design and Fabrication Methodology of a Vehicle.

WHAT CAN BE LEARNT FROM THIS COURSE?

- An ability to handle big projects at the college level and achieve proficiency in project management.
- Assembly and disassembly of all the subsystems of the Go Kart.
- Selection of the parts as per the availability in the market and their compatibility in the vehicle assembly.
- Engine mounting and its overhauling. Engine accessories compatibility in assembly of the vehicle and mounting.
- Designing the CAD Model of the complete vehicle.
- Design and analysis of the subsystems of automobile.
- Preparation of Engineering Reports and design supported documents like Design Report, DVP, DFMEA, Cost Report and Gantt chart.

Workshop Schedule

- Day 1- Automobile Static Engineering
- Day 2- Dynamic Calculations
- Day 3- CAD Design
- Day 4- Fabrication Process
- Day 5- Fabrication Process and Testing
- Day 6- Testing of Go-kart and redesign

Sub: Report on "Gap between Industry - Institute" & "Interview tips and Techniques" – On 28th Feb 2019 – by an Industry person and Alumni - Pre-Final year students - Reg.

With reference to the above subject, Sri Sairam College of Engineering Alumni Association and Training and Placement Cell of SSCE jointly conducted a program "Gap between Industry and Academics" & "Interview tips and Techniques" to the Pre-Final Year Students.

Mr. Chethan Raj, Head – RPO Solutions & Operations, Scalenetworks was the resource person from the Industry addressed students about Gap between Industry- Institute & how to meet Industry expectations in today's scenario. He also asked students to inculcate the habit of being touch with ongoing research & recent trends in industry. He motivated students to involve them in more of outcome based projects & try being a job giver than job seeker.

Mr Harish Kumar T, Alumni- Department of Computer Science Engineering, 2012 pass out, gave many tips to pre-final year students on how to make them marketable, what to highlight in resume like projects, special skills, certificate courses etc. As an entrepreneur he too motivated students to become job givers than job seekers.

The session was very interactive, students asked many questions to Mr. Chethan Raj & Mr Harish Kumar, on how to face interviews, how to write their resume, business is better or working is better & the questions went on & on, students interacted with resource persons even after the session was completed.

The resource persons signed off by injecting positivity in our students, students too were happy with both the sessions.

This is for your kind Information Sir.

Respected Sir,

Sub : Report - Mock Interviews – Eligible students for TCS – On 8th Sep 2018 – Alumni - Reg .

With reference to the above subject, As TCS scheduled in Last week of September 2018, Training & Placement Cell organized Mock-Interviews to the eligible students of TCS (2019 Passed out students) on 8th September 2018.

Ms. Prajwala Reddy, who is working in WIPRO and alumni of Sri Sairam College of Engineering (2016 Passed out Batch) has conducted Mock Interviews. Mr. Chakrapani Reddy, who is working in Thomson Reuters for more than 14 years (Uncle of Ms. Prajwala Reddy) also, conducted Mock Interviews for the TCS eligible students.

After completing Mock- Interviews, They both had given feedback to the students and also explained how to crack interview questions and how to behave themselves in interviews.

The students were very happy for the real time experience of the interview by the industry people and for their suggestions to crack interviews successfully.

Finally The Mock Interviewers conveyed their wishes to the students to crack TCS interview successfully.

Training and Placement Officer, Principal and Management Representative conveyed gratitude to the Mock Interviewers for giving valuable tips to the students.

This is for your kind Information.

Thanks and Regards,

V. Bheemeswara Reddy.

12th Alumni Meet Report

The inaugural programme of the 12th Alumni Meet commenced @ 10.30 A.M. in Sri Sairam College of Engineering campus, Bengaluru on 15th September 2017.

The meet started by lighting the lamp by the dignitaries. The opening ceremony commenced with welcoming the Alumni and felicitating the Guests Our beloved Principal, Vice Principal, HODs, Mr.Maheshwar & all staff members present.

Our Principal **Dr.Y.Vijaya Kumar** welcomed all the participants & Dignitaries in his address & also expressed his happiness towards the growth of the Alumni Association. Principal in his address told Alumni will be registered under Karnataka Societies Act by next Alumni Meet. A request was made to the alumni present to spread information about the activities of the Association and also to register them as Alumni & be part of Association & actively participate in Alumni activities & motivate juniors when ever time permits.

Dr Arun Kumar gave a brief presentation to enlighten the audience about the activities of the Alumni association which was followed by **Mr. Girish** talk on his experience in the college as student & Alumni..

In the meet it is very happy to say that many of our Alumni voluntarily came forward to share their experience in college and now what care & respect there are having towards the college. Many of them conveyed that they will continue their support towards Alumni association.

In the closing address, **Dr. Arun Kumar** thanked the Alumni for investing their time and for their active involvement and participation in the meet. He also stated that to fulfill the mission of the Association, the continuing participation and engagement of the Alumni was desirable. He stressed on the point that more & more programs organized by the Alumni would facilitate interaction between the alumni and the Institute. An invitation was also made to the alumni present to act as "Catalysts" for their respective batches to enable more registrations of their batch mates in the Alumni website which may result in increased attendance in future Alumni meetings.

The meet conveyed that SSCE still generates a strong affinity amongst its alumni, which was reflected in the number of alumni who willingly invested their time to attend the meet. Around 80 Alumni from a cross section of batches, starting from as early as 2001 to as recent as 2017, attended the meeting.

Several games were organized to entertain the crowd. Gifts were distributed to all the Alumni present. The meet ended with the national anthem & the Alumni were served with delicious food.
