GOVERNANCE, LEADERSHIP & MANAGEMENT

DECENTRALIZATION

The institution defines the **Decentralization** in working through delegation of authority. Personnel at different level implement the decisions. The delegation of authority can be organised in the form of a pyramid.

Top-level managers Responsible for controlling and overseeing the entire institution. It includes the Chairman, Governing council, Vice Principal and Principal. The Governing Council assists the Chairman with regard to broad guidelines, policies and framework for the improvement of quality of education in the institution. The management through the Principal involves the faculty Members in various activities related to the development of the Institute. The Principal, who is the academic Head of the institution, is given sufficient freedom by the Management to fulfill the Vision and Mission of the institution. Academic responsibilities are fairly divided among all the staff members. Committees are appointed for the various academic and co-curricular activities to be conducted in the course of the academic year. This ensures transparency in policy execution. The responsibilities are communicated to the faculty members through regular faculty meetings. Various co-curricular and extra-curricular activities are conducted through student committees, with a Faculty-in-charge as a coordinator. The Principal of the college conducts regular meetings with the teaching and supporting staff. In these meetings, various issues are taken up for discussion before arriving at a final decision

Middle-level Act as an intermediary between top-level management and low-level Management. It includes Head Of the Departments (HOD's), Placement Officer, Librarian, Physical Education Director. They help in the execution of institutional plans. The Heads of Departments monitor the function of their department and they conduct regular meetings with the faculty.

Low-level managers Include faculty, non teaching staff and others. They help the middle level Managers by coordinating the activities delegated to them. The participative decision-making ensures total participation of all the people concerned

Note Submitted to the Chairman, SSCE, Bengaluru

Sub: 17th Graduation day Celebration - Brief Report- Reg.,

With reference to the above subject, we are glad to inform you that we had successfully conducted 17th Graduation day on 4th March 2018 at our college campus. Dr. Karisiddappa, VTU- VC has attended the program as Chief Guest and Shri. Divyanshu Verma - Intel has attended the program as Guest of Honor.

The function was presided by our beloved CEO, Sri Sai Prakash LeoMuthu. The brief report submitted by the program coordinator is enclosed for your perusal.

Thanking you

Yours truly,

PRINCIPAL

17th Graduation Day

18.02.2018

Committees Responsibilities

Organizing Committee and Program Committee

- i) Overall Organizing
- ii) Periodic review of work status
- iii) Additional Support for all the committees
- iv) Preparation of minute to minute programme list
- v) College Profile presentation
- vi) Information to the Police Department (If any VIP is the chief Guest)
- vii) Security arrangements for the VVIPs, if necessary
- viii) Collecting feedback from the parents about their experience with the Institution

3) Reception Committee

- i) Invitations (Printing & Dispatch)
- ii) Receiving Guests & Students
- iii) Enquiry & Help Desk
- iv) Send off to guests

4) Stage Arrangement Committee

- i) Stage arrangements
- ii) Stage Backdrop
- iii) Lightings & PAS as per requirement
- iv) LCD Projections, if any
- v) Seating Arrangements as per protocol
- vi) Seating Displays

5) VIP Robe

- i) Facilitating the guests with their respective robes
- ii) Collecting back the same

6) Registration Committee

- i) Ensure the number of attendees
- ii) Registration Desk
- iii) Communicating the registration status with the department

7) Graduands Robe

- i) Issuing the robes as per the registration status after collecting deposit.
- ii) Giving guidelines to the students by assembling them in a classroom before they enter the hall
- iii) Collecting back the robes after the ceremony and return the deposit.

8) Certificates & Prize Distribution

- i) Collection of degree certificates from the office as per registration status
- ii) Identification of department toppers and communicating the same to the respective students in advance
- iii) Arranging the certificates as per the names on the roll

9) Catering Committee

- i) Breakfast for Delegates
- ii) Refreshments for the guests
- iii) Special Lunch for Delegates
- iv) Lunch for Participants & Parents

10) Transport Committee

- i) Transport Arrangements for Out station delegates
- ii) Transportation arrangements for delegates (from Bangalore)
- iii) Transport for Participants & Parents
- iv) Transport Arrangements for Press, if necessary
- v) Transport Arrangements as and when required during the programme

11) VIP Transport Committee

- i) Transport Arrangements for Chief guest & Guest of Honor
- ii) Transport Arrangements as and when required during the programme

12) Photo / Video

- i) Complete coverage of the function right from arrival of guest to Lunch session
- ii) Group photo session department wise with the graduates
- iii) Photos to be handed over to the Press committee before evening for press release

13) Seating Arrangements

- i) Seating arrangement should be organise as per the registration by the graduands
- ii) Seating arrangement should be made department wise
- iii) Seating arrangement should be made separately for VIP's, HOD's, GC Members, Special Invites, Parents & Press
- iv) Proper display must be provided thro plaque cards

14) Media, Doordarshan, Press, Public Relations & Advertisements

- i) Invitations to press and notification of the event in today's engagement column in all leading news papers
- ii) Release of Advertisement in leading newspaper as per Chairman's direction
- iii) Arranging Doordarshan coverage of the complete programme
- iv) Felicitating the reporters attending the programme
- v) Sending News report the same day to the editors of the newspapers of publication of the new article prepared by the Press report Preparation committee
- vi) Collection and filing of all the publications

15) Press Report Preparation

- i) Preparing a brief as well as detailed report on the event in English as well as Kannada
- ii) Selecting photos in consultation with the press committee and identifying the persons in the photos to report to press
- iii) The report to be submitted to the press committee on the same day after Principal's approval

16) Band Set

- i) Identifying the students who have knowledge to perform / experienced.
- ii) The entire team of student must maintain proper dress code
- iii) Complete arrangement till the procession reaches the hall.

17) Purchase Committee

- i) Fulfilment of the request given by committees.

18) Master of Ceremony

- i) Complete Hosting of the Programme on stage
- ii) Coordinate with programme committee.

Date: 04.03.2018

Sub: Report on the 17th Graduation Day Celebrations - reg.

The Sri Sairam College of Engineering celebrated its 17th Graduation day on Sunday, the 4th March 2018 in its campus.

The celebrations started with the academic procession in which the dignitaries namely, Dr. Karisiddappa, Vice Chancellor, Visvesvaraya Technological University, Belagavi, Shri. Divyanshu Verma, Senior Manager, Intel Research Development, Bengaluru, Sri Sai Prakash LeoMuthu, the Chief Executive Officer of Sairam Group of Institutions, Dr. Y. Vijayakumar, The Principal and The Heads of various departments were escorted with the college band into the graduation hall. The dignitaries' occupied the dais and after the customary invocation song and lighting the lamp.

The principal, Dr. Y Vijayakumar, in his invitational address invited the Chief Guest; the Guest of Honor, and the other dignitaries, parents, faculty, all the department heads to the 17th Graduation day Celebrations. He felt that it was an honor to celebrate this event at the College campus. The Chief Guest and the guest of honor were felicitated on this occasion with a bouquet, garland and memento.

The CEO, Sri Sai Prakash LeoMuthu declared the graduation day open and in his presidential address he admitted this 17th Graduation day celebrations to be extremely exceptional and historic, as the VTU topper and gold medalist, Ms. Bindhu. S from Department of Electronics & Communication Engineering, being one of the grandaunts form SAIRAM family and congratulated her. He also appreciated today's Guest of Honor for denying lots of opportunities in abroad, decided to stay in India to serve the country. He recognized and applauded the CEO's of the topmost companies in the world to be Indians. He acknowledged that the SAIRAM Bangalore campus has produced outstanding projects. Though the Institution was initiated by the visionary Founder Chairman Late: Sri Lion Leo Muthu, the legacy is still being continued. He mentioned that the success can be achieved by the new innovations and inventions with the dominant artificial intelligence, where the present engineers with the current technologies can always change the face of the society and country as well. The engineers have a great responsibility towards the society. He also acknowledged that the learning process is not an overnight but a lifelong process. He advised the engineering to use the current technology to achieve greater things in life.

Dr. Karisiddappa, in his address applauded the VTU Rank holder and Gold medalist Ms. Bindhu. S, for her achievement. He stated that for every good professional like engineers just sky is the limit to achieve greater things in life. The engineered engineers are the people who have Skills set, capability, expertise and talents always blessed with a job. He recommended the engineers to utilize the best available resources and facilities and achieve greater and good things in solving the current problems of a common man in the society and the country as well. He also advised the alumni's to share the latest technologies, books and articles available with the faculty to be updated to the upcoming engineers in future. He also appreciated that SAIRAM is affiliated to VTU, where KSCST is financing Rs. 5000 for the projects every year.

The Management Representative, Dr. R Arunkumar, appreciated Ms. Bindhu. S, for receiving 5 top gold medals, who was a consistent top rank holder even in her PUC in Sairam Pre-University College, Her engineering study was completely sponsored by the management. She was issued a 24 carat gold coin as mark of appreciation from the management for her outstanding academic accomplishment. He also announced the department wise Rank holders' from all the departments. He also mentioned and commended the student's fraternity for taking the SAIRAM's legacy to the next level.

Shri. Divyanshu Verma, in his exclusive address, advised the graduates to believe in oneself to accomplish greater things and dreams in life to reach the next level. He stated that this present generation is a no compromise generations always making the parents, Institution, and the country pride. The entire world is always found looking towards the fastest growing economy, India, which filed the 2nd largest patents, for any kind of solutions for the technological problems.

He also appreciated the Sri LeoMuthu Innovation Centre and the outstanding projects produced at SAIRAM. He insisted the students to seek help from him at any time, to focus on the projects to reach the finished and final product. He also advised the students to be a job provider than a job seeker.

Parents expressed a joyful gratitude to the faculty and the management in molding their wards as professionals in the course of study at Sri Saiaram College of Engineering.

The CEO then declared the graduation day closed.

Dr. B. Shadaksharappa, the Vice-Principal delivered the vote of thanks and the function ended with the national anthem.

Dr.Y.Vijayakumar, Principal, SSCE, vividly exhibited the College infrastructure and activities through PPT to the members, mainly to give overview of the institution activities, which will make easy in designing Quality Policy, Vision & Mission. The following are the agenda:

Agenda

- Overview of the Institution
- Review & Re-design of the existing Vision, Mission and Quality policy of the Institution
- Formation of vision and mission for the Departments
- Experts views/comments/suggestions
- The meeting has been called mainly to get the views from experts to update the Vision, Mission and Quality policy for our College and the Departments.
- Vision, Mission and Quality policy to suit with current technical scenario.
- The stake holders from various organizations and alumni and student representatives of our College were participated and suggested the following points to set the Vision, Mission and Quality Policy of College as well as Departments.
- Mission should be achievable, observable and measurable.
- Pre-information from management should reflect in Vision and Mission and Quality Policy.
- Vision and Mission should be based on Outcome Based Education (OBE).
- Vision and Mission should include ethics, human values and easily memorable
- Vision and Mission should be brief and easy to understand.
- Mission - Reading and Teaching should suit Corporate expectations
- Set Vision like "To be top 10 colleges in Karnataka",
- Students should have professional and core knowledge and skills after completion of their BE.
- Implementation of apt and world class educational standards resulting in multi-talented professionals in future.
- The above remarks to be considered to re-design the Vision, Mission and Quality Policy of the College and the Departments. The committee members assured that they would extend their support and cooperation for the betterment of the Institution.

Meeting ended with thanks from the Chair.

GOVERNANCE, LEADERSHIP & MANAGEMENT

The college does promote a culture of PARTICIPATIVE MANAGEMENT.

The college is keen on the involvement of staff for improvement of effectiveness and efficiency of the institutional process. The college is keen on the involvement of staff for improvement of effectiveness and efficiency of the institutional process. The institute has always been in favor of participative management.

CASE STUDY: SLMIC

Sri Leo Muthu Innovation Centre is initiative of Sri Sairam College of Engineering, Bangalore, India, which was established in August 2015, where our students are encouraged to work 24X7 in developing new socio relevant technical projects/products, beyond the scope of the university curriculum.

To convert projects into products, the innovation centre has 3 verticals namely Automobile, IT & Circuitry. Later with support of college and students interest two more innovation centers are established in department level - **Sri Leo Muthu Innovation Centre_ CSE Wing started functioning from August 2016** and **Sri Leo Muthu Innovation Centre_ Embedded wing functioning from March 2018**, where respective department are provided with a independent platform to implement their ideas to develop projects and support to convert them as products.

The innovation centre CSE has 3 verticals namely IT & Circuitry, Virtual Reality and Android Development

Some of the Projects/Products innovation centres are,

- Students Satellite
- Autonomous Underwater vehicle
- Fire Extinguishing drone
- Farming Drone
- Go-karts
- Solar vehicle – single seat solar vehicle
- Solar vehicle – Multi seat solar vehicle
- E- bike
- All Terrain Vehicle
- Student Formula Vehicle etc.
- Alternative bio fuels
- EDUVISTA
- Nivartaka – Fertilizer Drone

GOVERNANCE, LEADERSHIP & MANAGEMENT

- Swatchh Bharath – Waste Management System
- Krushi Robot – Multitasking Agriculture Robot
- Silla De-Ruedas – Head Movement Control Wheelchair
- Avkrikaa – Smart Waste Management.
- KapiDhwaja – Smart Traffic Control Management.
- Krushi Rakshaka – IOT Based Agriculture System.
- SNGE- SMART New gen electricity for Smart City
- Bore Well Child Rescue Robot Team.
- Smart Streetlight Control System.
- Smart Speed Breaker.
- Wild Life Surveillance Robot.
- Automatic ATM Security System.

In last three year we had participated various event both in National as well as international level competitions / events and brought Laurels to our centre & college.

Few of our notable accomplishments are,

- Our **Team Varuna's Autonomous Underwater Vehicle Got the Research Grant of Rs. 10,00,000/- from DST-Lockheed Martin- Tata Trust - IIGP 2.0 - University Challenge 2018.**
- Our Team Aditi, EO Satellite which is used to monitor Disaster Management, had qualified for Singapore Space Challenge 2019, Singapore for Space Design Challenge
- Our Two Innovative Project has got selected for Chennai Start-up final Pitching Event.
- Our **Girls Go-kart Team Sri Sairam Warriors is the first all women go-kart team in Karnataka** where the karting vehicles are designed, fabricated & driven on the track by girls.
- Another project developed in our centre **Borewell rescue Robot** is featured in the **Indian Book of Records**
- Our Borewell rescue Robot has been selected as **one of the Top 100 Records in the World Book of Records.**
- Our **Fire Fighting Drone** had participated in **Master Piece 2017 held at Dubai** organized by Living Talents.
- Our **Mars Rover Team** is going to participate in **European Rover Challenge 2018.**
- The project team 'Varuna', the autonomous under water vehicles (AUV) has successfully participated in **Students AUV competition** held at Singapore organized by National University of Singapore (NUS) during 2016 & 2018.
- Our Electric Bike 'Raiders' is selected and displayed at the **International Green Mobility Expo** held at New Delhi during 2017.

CRITERIA 6.1.2

- Team **INFERNO** of project **Swatch Bharath** secured 3rd place in final round (All over Sub-Continent Level). 1st place (infrastructure domain) in the Competition with cash reward of Rs. 10,000 held at **Vel Tech Dr.Rangarajan Dr.Sakunthala Engineering College 2016**. 6th place in **IIT, Bombay**. Got selected for the final round in **Karnataka Student Innovator Award 2018.**
- Team **Krusha** Robotter Secured 1st place in **INVENTECH 2018 State Level Project and Maker's Competition Jain University** and rewarded cash prize of Rs. 10000.00.
- Team **EDUVISTA** won 1st place in **State Level Project Competition** conducted by Adichunchanagiri Institute of Technology, Chikkamagaluru and awarded cash prize of Rs. 10,000. Participated in the **National Level Project Competition** conducted by Dr. Ambedkar Institute of Technology, Bangalore and selected as top 10 teams for the final round.
- Projects **Avkrikaa and Movers Accident Detection using GPS, GSM & Black Box System** are funded under **VTU- Financial Assistance for student's project** with 5000.00 each.
- Team **KapiDhwaja** was funded with 5000.00 from **KSCST**.
- Our team **Titans** was shortlisted one among to 10 teams in a competition conducted by **Facebook School of Innovation VR Program** organized by **sv.co** and students are provided with **Oculars go** worth 30,000.00 and **Unity** software license worth **1,500 USD.**
- Team **Krusha Rakshaka** has won 2nd place in project competition held at **AMC Engineering College.**
- Team **728** of project **Automatic Dimmer Dipper Control** as participated and place top 4 in **Buyancci Product innovative challenge** held all over India.

Press meet report for FB post in Sairam Institutions Page

1 message

Arunkumar Rajendran <arunkumar@sairamce.edu.in>

Sat, May 7, 2016 at 3:25 PM

To: Muthamil I-Tech <muthamilselvan.s@itech-india.com>, CEO Sairam Group <ceo@sairamgroup.in>

Cc: Sathish Sairam <sathish@sairamgroup.in>, Principal Sairam Bengaluru <principal@sairamce.edu.in>, bichagal@sairamce.edu.in, muthuvel A <muthuvel.mech@sairamce.edu.in>, webmaster@sairamce.edu.in, Webmaster I-Tech <webmaster@itech-india.com>

Yesterday was a Big day to our Sairam Bengaluru !!!! It was a day to share our students accomplishments with the Public through the media.

Yes, our Management along with the students of Sri Sairam College of Engineering did hold a press meet at the Press Club at Cubbon Park, Bengaluru to mainly exhibit the innovation and accomplishments of our Sairam students at various National & International level competitions. It was gala moment for our students as the press reporters interacted and appreciated all our student projects during the meet.

Hard work surely pays. But, yesterday indeed it showered in form of cash award / Scholarship for the students. Our CEO Sri. Sai Prakash Leo Muthu participated in the press meet and announced around Rs. 5 Lakhs worth of cash award for all the exhibited 4 projects in form of "Shri. Leo Muthu Scholarship" in memory of our Founder MJF. Ln. Leo Muthu. The students did expressed their sincere gratitude our Management, especially to our CEO for encouraging these causes and supporting them financially which is motivating them to reach further heights.

Lets have a look at these four interesting projects and its accomplishments in brief.

1. **ASHWA – the solar electric car** team has participated in events **Electric solar Vehicle Championship 2016** organised by Imperial Society of Innovative Engineers from 25th March to 29th March 2016 at Bhopal and **Indo-Asian solar Vehicle challenge 2016** organised by Robotics and Intelligent System Community (RISC)-LPU from 4th April to 8th April 2016. Team showed the outstanding performance in the Endurance round (racing event) and Driver Kiran Kumar covered 43 laps approximately 85 km in 4 hours without any mechanical and electrical problems bagging the runners-up title with Rs.10,000/- cash award.
2. **VARUNA – the Autonomous Underwater Vehicle** participated in the 4th International Competition on Singapore Autonomous Underwater Vehicle #SAUVC2016 - Finals - organized by National University of Singapore in association with India Partner IEEE-OES from 4th March to 6th March 2016. Around 19 teams registered for the event from various parts of the world which included Russia, China, Singapore, Thailand, Malaysia, Egypt, Bangladesh, etc. and only 11 teams could successfully complete their AUV and participate in the event. VARUNA is also one among them and the only team to represent the state of Karnataka.
3. **MECHROCKZ – the Go-Kart Vehicle** participated in **Vishnu Karting championship 2016** organized from 22nd to 26th January 2016 held at Bheemawaram, Andhra Pradesh. Out of the registered 60 teams MECHROCKZ has successfully cleared the Virtual round in 2nd Position and completed the final Endurance (track race) event in 2nd position completing 42 laps covering 95 km within 2 hours.
4. **Raiders – the E-Bike** is an eco-friendly electric bike participated in the National event **E-BIKE RACING CHALLENGE 2015-16** organised by Robotics and Intelligent System Community (RISC)-LPU from 23rd to 25th April 2016. Out of the participated 25 teams, RAIDERS have completed their AUTOCROSS round in 2nd position securing overall 5th position.

A big kudos to all the students & staff who are dedicated and instrumental in achieving this massive feat and lets wish them the best for their future events too. Also a big thanks for the management for encouraging our budding engineers to think out of box.

--

PRESS MEET 2017

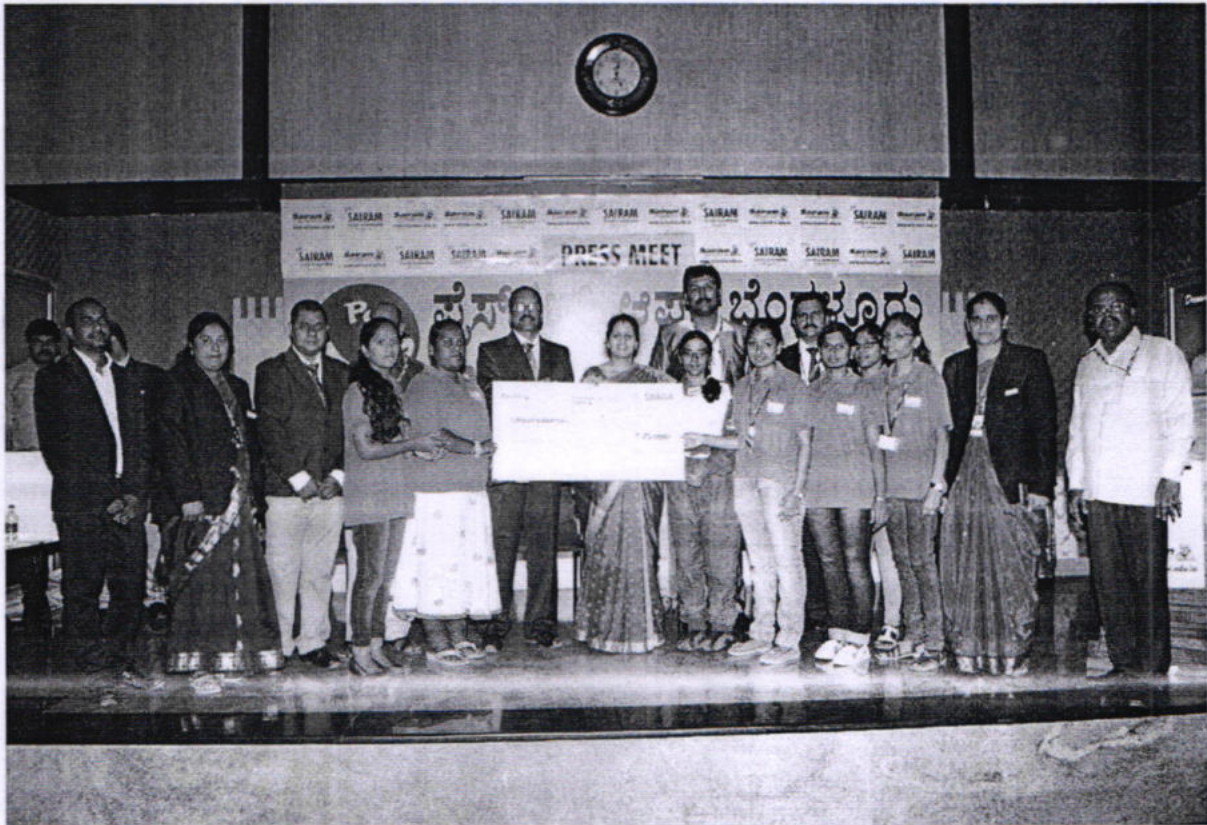

This is to inform that Press Meet event being held on 25.05.2017 at the **Bangalore Press club, Bangalore, India.** This event showcases products like Electric vehicles, Solar vehicle single seater and multi-seater, AUV, Go-karts, RC craft , Quadcopter, smart new gen power generation and Automatic wet dry collector projects.

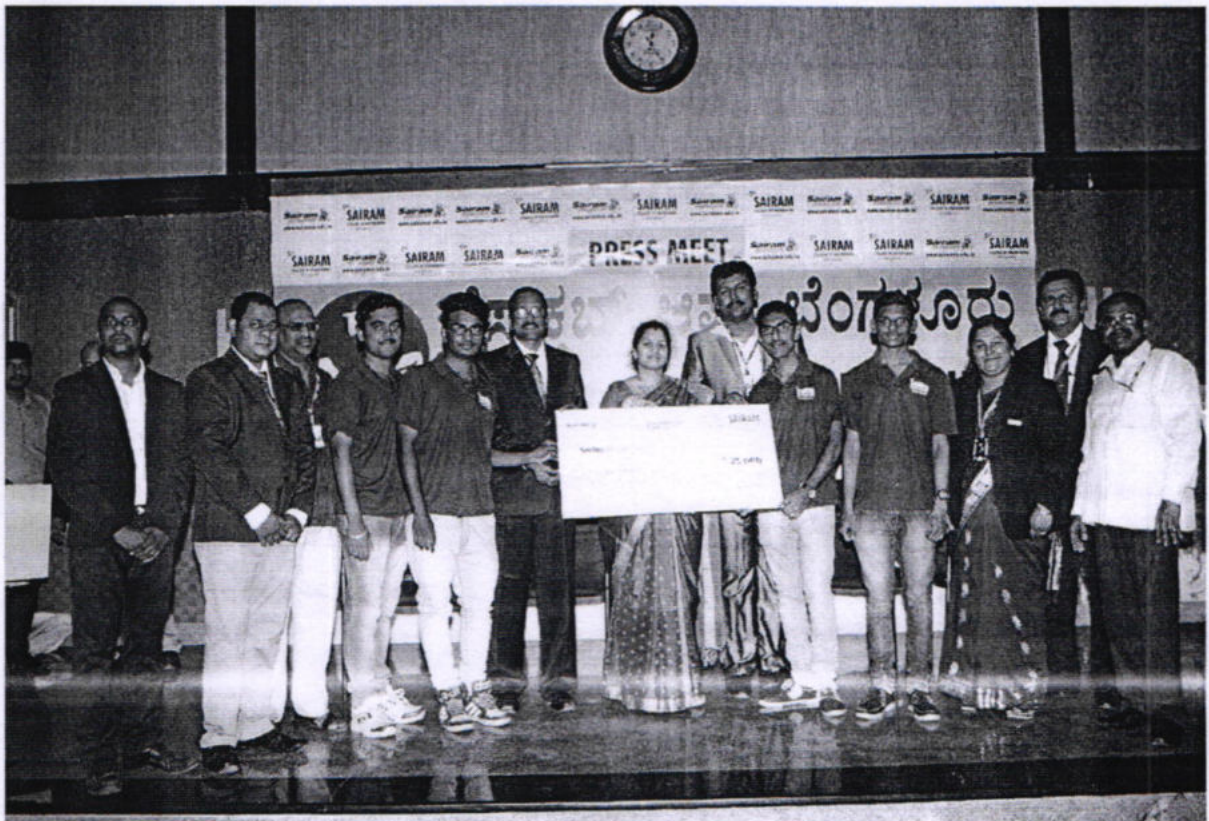

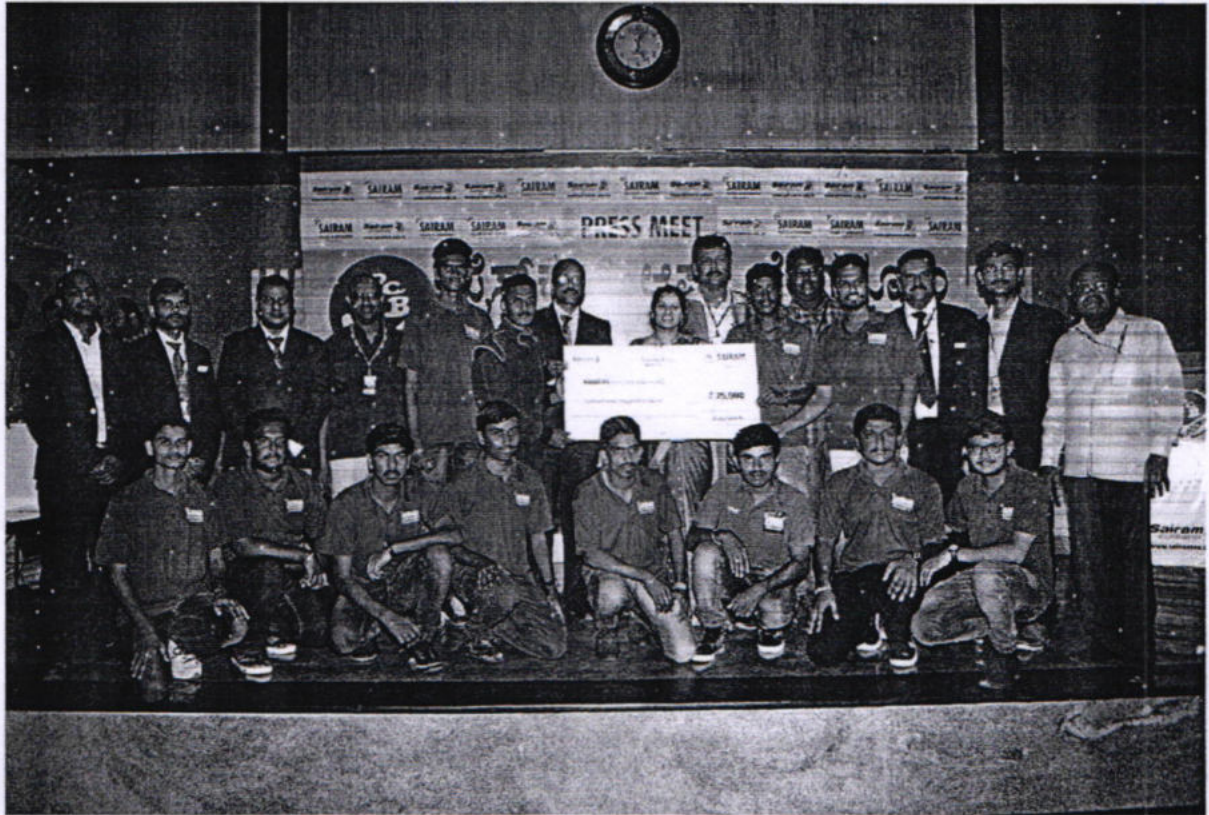

Dr. Y VIJAYAKUMAR, Principal, SSCE Welcomed the gathering with brief description about the projects. Presidential Address was delivered by Mrs. SHARMILA RAJAA, Treasurer, Sairam Group of Institutions and she had appreciated the students for their involvement and creation. Introduction about the projects and announcement of prizes was delivered by Dr. B Shadaksharappa, Vice Principal and finally the Vote of Thanks was given by Dr. R. ARUNKUMAR, Management Representative..

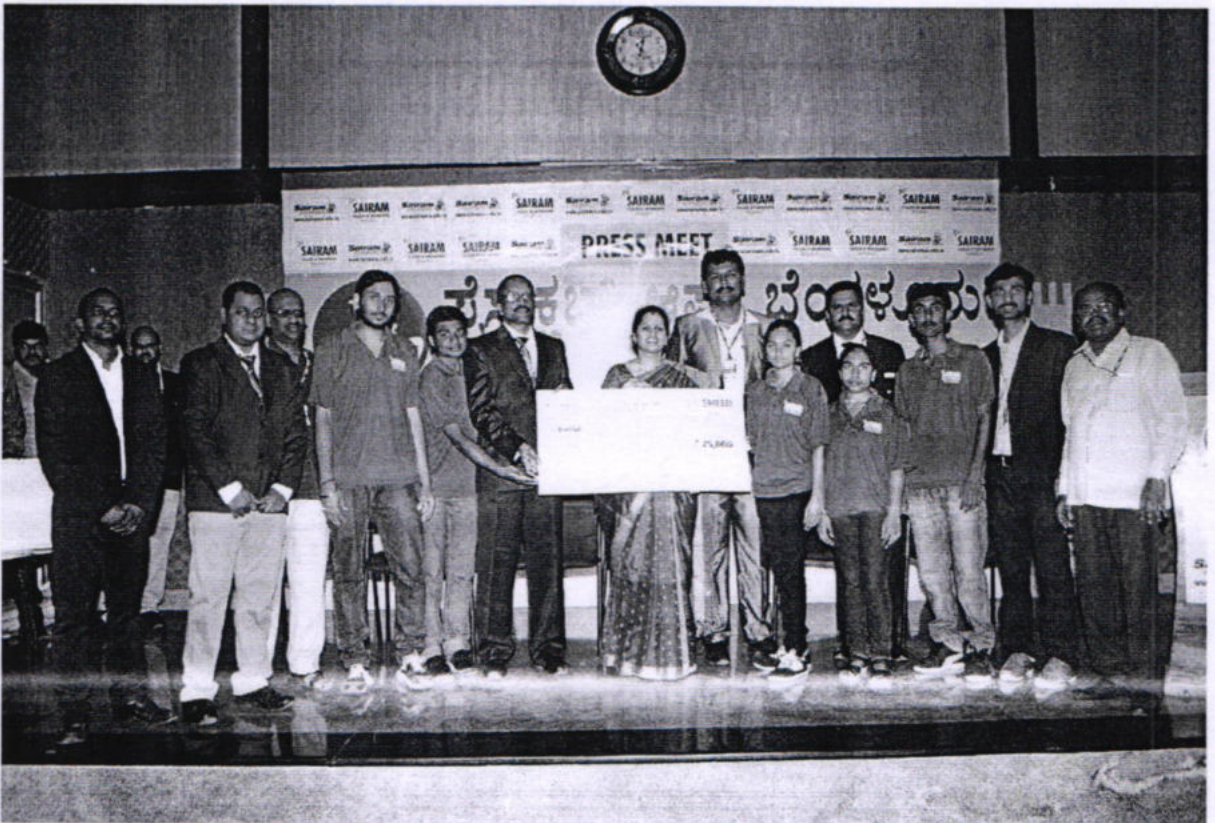

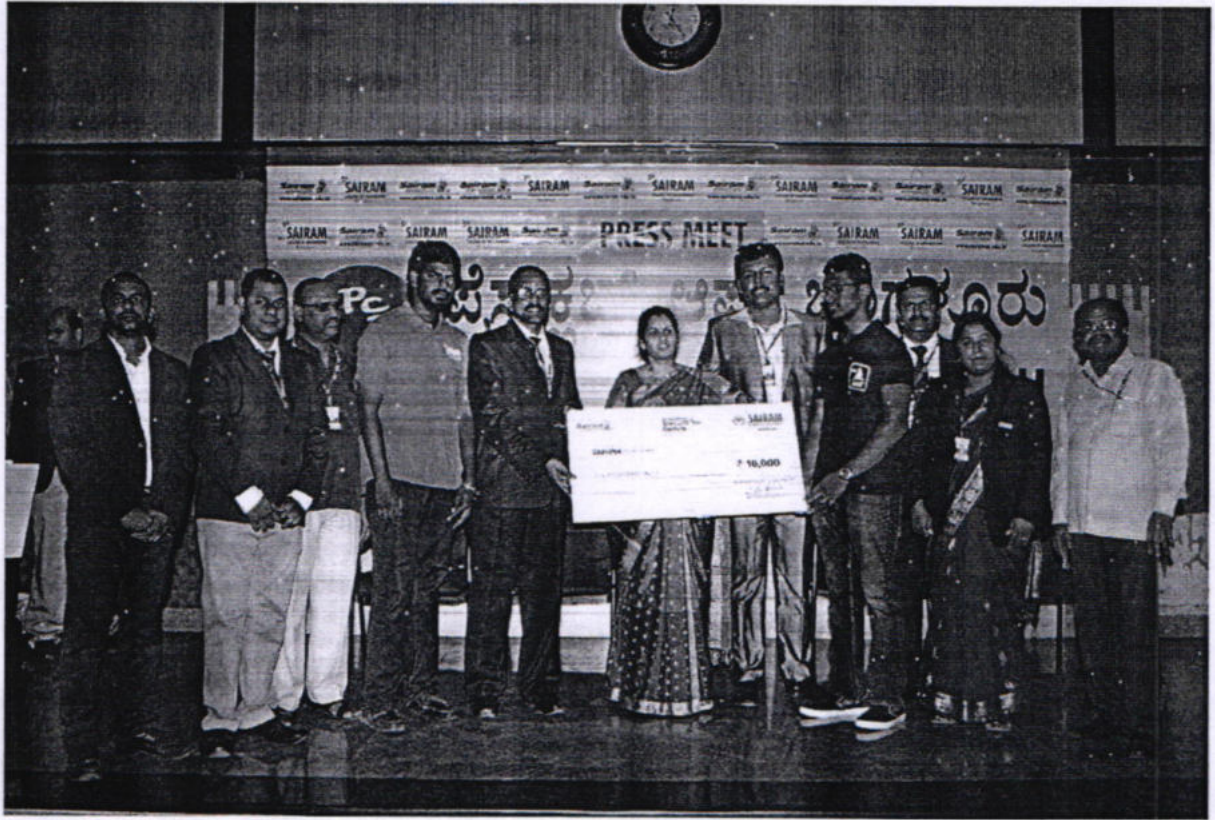

After the formal inauguration the forum was opened for the press and media people to discuss with students.

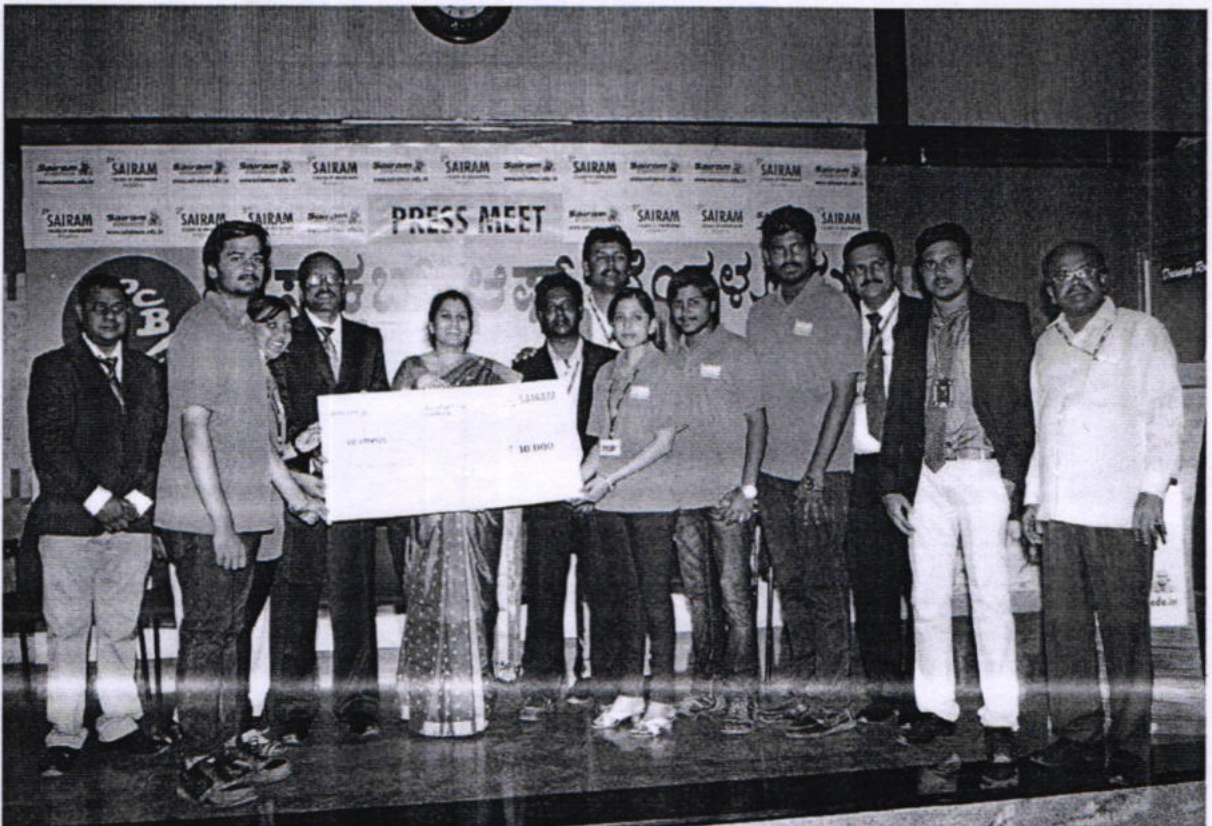

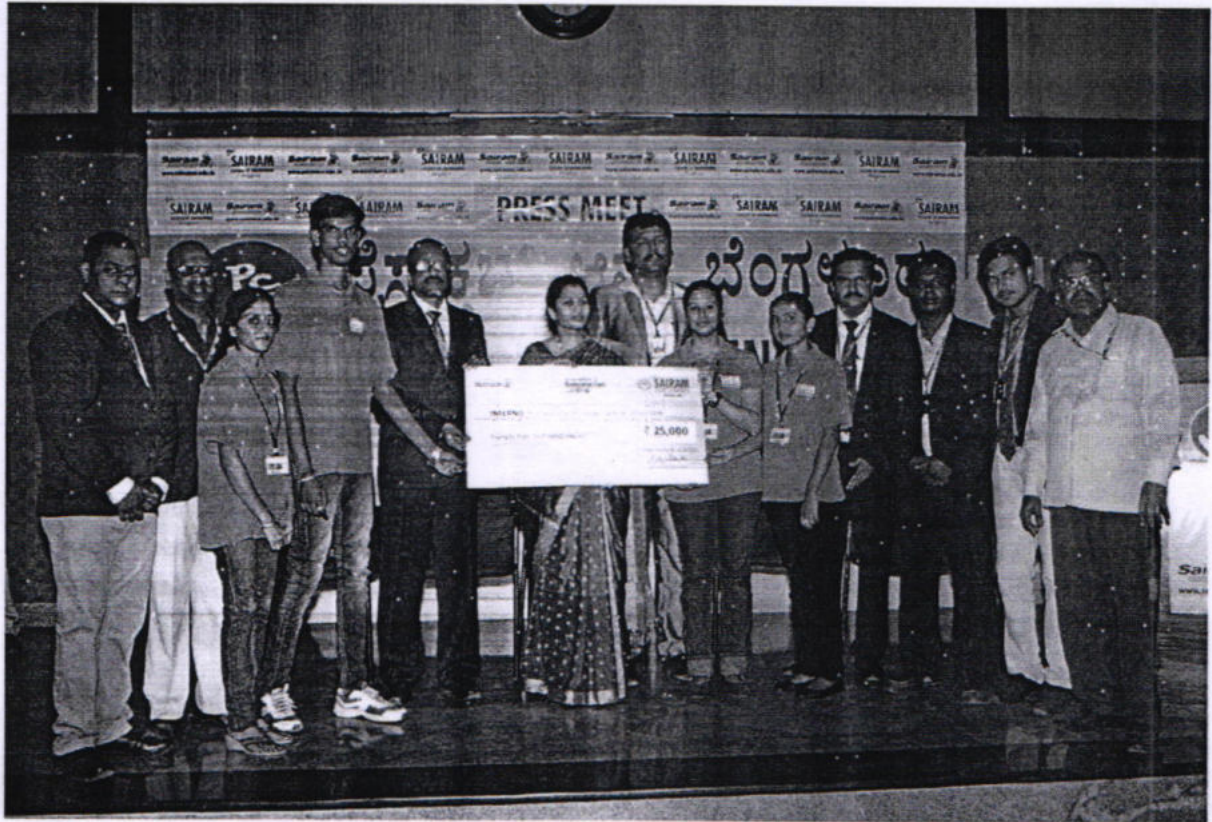

With the continuous support and motivation from Management Representative Dr. R. Arunkumar, Principal Dr. Y. Vijayakumar, all HODs and the faculty along with 100 students of our institution have done this remarkable achievement.

Report
on
Innovation Projects for
Press Meet – 18

Total No. of Projects – 04

EDUVISTA – Virtual and Augmented Reality in Education

Description of The Project:

- ❖ *Virtual and Augmented reality is enhanced digitally with the help of virtual objects that appear to be in our field of vision.*
- ❖ *Since anything can be done with augmented reality, one can create application that help students do practical experiments all at one place.*
- ❖ *The application will be mainly useful for students in learning process at any place with the app installed in their phone that makes students learn efficiently and practically.*
- ❖ *Students can learn by carrying out interaction through virtual objects and learning materials and help students actively interact in lab performing different experiments to increase their understanding and to make them learn rather than reading.*

Events Participation details:

- ❖ *Participated in State Level Project Competition conducted by Adichunchanagiri Institute of Technology, Chikkamagaluru, Karnataka.*
- ❖ *Participated in National Level Project Competition conducted by Dr. Ambedkar Institute of Technology, Karnataka.*
- ❖ *Participated in Project Expo organised by IEDC in association with Sairam College of Engineering, Bangalore.*
- ❖ *Participated in National level project competition conducted by AMC, College of Engineering, Bangalore.*

Achievements of the Project:

- ❖ *Team EduVista won 1st place in State Level Project Competition conducted by Adichunchanagiri Institute of Technology, Chikkamagaluru and awarded cash prize of Rs. 10,000.*
- ❖ *Team EduVista participated in the National Level Project Competition conducted by Dr. Ambedkar Institute of Technology, Bangalore and selected as top 10 teams for the final round.*
- ❖ *Got Contract from Haritha Seating Pvt. Ltd., for making virtual software product.*
- ❖ *Vice Chancellor of VTU had invited Dr. B. Shadaksharappa for giving presentation on EduVista and appointed as one of the Advisory Committee member for setting up Virtual Lab in VTU Campus.*

Silla-De-Ruedas

"Head Movement Controlled System to Assist the Physically Challenged People Using IoT"

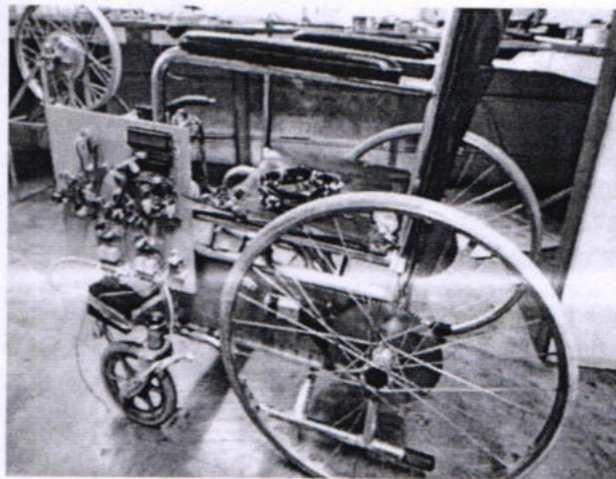

Description of the Project:

Head band that is placed around the neck of the person as soon as he sits in the chair it will sense and it will be ON.

- ❖ *The head band is wireless, and it operated using the RFID tag.*
- ❖ *All the modules are interfaced using the IoT.*
- ❖ *We have the microcontroller BCM 2835 it is interfaced with all the modules and starts to run.*
- ❖ *We have an LCD display which is used to display the information of the disables person.*
- ❖ *When the wheel chair falls it is detected using the accelerometer, and is there is any fluctuation in the temperature and all we get an alert message in the IoT app.*

Events Participation details:

- ❖ *Participated in State Level Project Competition conducted by Adichunchanagiri Institute of Technology, Chikkamagaluru, Karnataka.*
- ❖ *Participated in National Level Project Competition conducted by Dr. Ambedkar Institute of Technology, Karnataka.*
- ❖ *Participated in Project Expo organised by IEDC in association with Sairam College of Engineering, Bangalore.*
- ❖ *Participated in National level project competition conducted by AMC, College of Engineering, Bangalore.*

Nivartaka – An Agriculture Drone

Description of the Project:

- ❖ *Nivartaka is an agriculture Unmanned Aerial Vehicle.*
- ❖ *Quadcopter built using Bamboo Stick which is light and strong serves as an agriculture vehicle for spraying pesticides.*
- ❖ *Based on the points, drone is operated in a predefined path, completing the spray and returns to its original position.*
- ❖ *An Android application is designed to control the device, where the wave points are customized by the user/farmers.*
- ❖ *Drone carries the pesticides spraying tank, sprays the pesticides all over the farming land in the agriculture domain.*

Events Participated:

- ❖ *Event was organized by, Veltech Dr. RR & Dr. SR University, Chennai, on 23rd & 24th of February 2017. Around 220 project teams all over India and other countries have participated in Project Competition & Exhibition.*
- ❖ *Event was organized by AMC Engineering College, Bangalore on 20th of April 2018. Around 100 project teams all over Karnataka have participated in Project Competition.*
- ❖ *Event was organized by Dr. Ambedkar Institute of Technology, Bangalore on 14th of April 2018. Around 200 project teams all over Karnataka and India have participated in Project Exhibition.*

Achievements:

- ❖ *Team OLYMPUS secured 3rd place in Agriculture Domain.*
- ❖ *Team OLYMPUS secured 10th place in the competition.*
- ❖ *Team OLYMPUS selected for the final round.*
- ❖ *Recommended to make as a product in agriculture field.*

Krushi Robotor – Future Farmer’s Friend

Description of The Project:

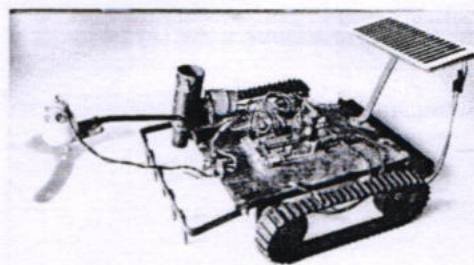

- ❖ Multipurpose irrigation vehicle that will be able to dig the Earth and so the seeds were cultivated. Robot is controlled by using android APP according to the control signal. The concept Image Processing is used to analyse the weeding process.

Events Participated:

- ❖ Participated in National level Project Competition in Dr. Ambedkar Institute of Technology, Bangalore.
- ❖ Participated in State Level Competition in AMC College of engineering, Bangalore.
- ❖ Participated in Makers Fair organised by Karnataka Government, Bangalore.
- ❖ Participated in National Level Project Competition and Maker’s Fair in Jain University, Bangalore.
- ❖ Participated in National Level Project Competition organised by Nagarjuna College of Engineering, Bangalore.
- ❖ Participated in State level Project Competition in JSS college of Engineering, Bangalore.

Achievements:

- ❖ Secured 2nd place in AMC college of Engineering and rewarded cash prize of Rs.3000.
- ❖ Secured 1st place in Jain University and rewarded cash prize of Rs. 10000.00
- ❖ Secured 1st place in Nagarjuna college of engineering and rewarded cash prize of Rs.5000.00
- ❖ Secured 3rd place in JSS college of Engineering.

Thank you for your interest in Unity's Educational License grant worth USD 1,500 per license.

Sujith Puduserry, this is proof of delivery of your request from Unity Technologies. It has been created automatically from our order processing system. In addition, you may receive additional documentation as needed from your Unity representative.

Sri Sairam College of Engineering / Unity Pro 6.x (1) / Edu grant

I'd like to take this chance to share some of the exciting educational opportunities that Unity has rolled out recently - our Courseware and Certification bundles being the most talked about! It's designed to cohesively slot in alongside a normal curriculum, and enhance a student's learning experience, adding additional in-depth skills for them to take away with them to the competitive job market.

You can read more about our Courseware on our website - <https://blogs.unity3d.com/2016/06/27/now-available-unity-certification-courseware-for-academic-institutions-and-educational-programs/>

Below, you will find your serial numbers. If you have any trouble installing or activating Unity, please contact us right away at support@unity3d.com for assistance.

Sincerely,
The Unity Team
