Principal welcomed all the TO members, MR, HOD's, All region Coordinators and the members of Sairam Gnana Sourabha for the Sairam Gnana Sourabha Brand Builders 2nd meeting held for Academic Year 2017-18. He recalled and briefed the previous meeting agenda points and discussion had.

The following agenda points are discussed.

1. Activities of SGS_AY 2017-18

Firstly the discussion is started with previous year activities of SGS 2016-17 like CET Mock Test and career guidance program. Convener of SGS informed that Career guidance program is given a very good impact and we are received a very good response after every career guidance program and also he informed that we faced little bit problem for the conduction of CET Mock test at various regions of the Karnataka. Principal & Convener of SGS are requested the members of SGS to propose the activities for SGS 2017-18. This discussion went in brief and almost all members are expressed their planned activities and are given brief below;

Sl. No	Suggested Activity	Suggested by	Discussion based on Proposed activity
1	CET Coaching for 2 nd PU Students at our Campus for CET aspirants for AY 2017-18	Prof. Harish Babu. L	Principal is informed that CET coaching is common & base for all the institutes now a days, so he felt it may not give much effect. Convener of the SGS is expressed that last two years back we organized and it doesn't provide much effect and also he felt that its bit difficult to organize for the other college students. Also he informed that for our SSPU students we started the CET Coaching form the beginning of AY 2017-18. TO Manager informed that if we attract the student's means we can make them to come for CET coaching.
2	Science Exhibition	Prof.P.Venugopal	Vice principal sir informed that if we are do

			thi type of activities in anekal and surrounding are is means it will be more effective and he su: gested that if we do this type activities through PU Board with our SSPU support this activity may be successful.
3	Quiz Competition	Prof. Raghavendra Rao Dr. Gangavathi.P Dr. Hari Krishna. S	Members of SGS are expressed if this activity we are doing means, we should organize such way that it should be conducted by college wise, region wise and state wise. If we conduct this event in professional way means it may give us a huge impact.
4	Three day event: Science day Sports Day & Cultural Day	Prof. V.Balaji	During this proposed event discussion time Prof. V.Balaji expressed that conventional CET Mock test may not provide much effect since every institutes are conducting CET Mock examination on regular bases, so we should do different kind of programs such that we can attract the students from various PU college. Members of SGS are expressed that if we are doing this event in our campus itself means it will be effective by inviting the PU college science students from various places.
5	Tech-Talk	Prof. Malini K V	If we organize Technical talk event/activity for the second PU science students it may give a good impact.
6	CET Mock Test	Dr. R Arunkumar	This is the basic level activity which is very essential one for the second PU science students so Convener felt and he informed that let us plan for this year also CET Mock test for only selected colleges and potential colleges which are responding for this event positively for such institutes only.
7	Career Guidance Program	Dr. R Arunkumar	Principal expressed his opinion about this event that this is one of the best activity under CSR initiative and it will gives more effective impact on students based interaction and career counsel and even all members of SGS are agreed the same.

Principal expressed based on the above listed activities will do brainstorming and will finalize the activities, all the members are agreed the same.

2. Suggestions from coordinator/members of SGS

Secondly discussion is started with by welcoming the suggestion from various region coordinators and members. Coordinators are expressed that if we are doing CET Mock test means we should maintain the standards as per the PU board, also we need to announce the Mock results in right time. SGS members suggested that this time will concentrate more on residential PU Science colleges. Few coordinators suggested that we should build a better coordination and relationship between respective Science PU college faculties for this if we do some program for science faculties like giving some awards based on their achievement in the academics. Some members are suggested that during the time of admission give some fee concession at least for meritorious students based on their second percentage, convener of SGS briefed that we are already doing this process.

3. Any other matter.

Convener of SGS is expressed that we are doing all the activities by putting lot of efforts and everyone are contributing equally but still we are not reaching the students effectively, to overcome this if we do any attractive activities means media should be present and our college name should be exposed through media and social media frequently. Also coordinator of SGS suggested that we are not sharing our succeed students stories to the publics. It may also give a very good impact that everyone starts speaking positive about the college.

Principal is welcomed all the discussions and appreciated everyone for their moral support and he requested everyone to support this SGS activities for brand building of the college to attract more students in the upcoming year. Also he informed that we will plan properly feasible activities and make it success.

Meeting ended with thanks from the Chair.

SHIRDI SAI ENGINEERING COLLEGE
Anekal, Bangalore- 562 106

SSEC/ Est/2012-13/02

Date: 22.02.2013

Note Submitted to the Chairman, SSEC, Anekal

**Sub: Conduction of Coaching class and preparatory test for the ensuing
NEET (National Entrance Examination Test) – II PUC students
Request - Reg.**

With reference to the above subject, representation from principal SSPUC requesting permission & financial approval to organize coaching classes for **NEET (National Entrance Examination Test) for our II PUC students & other College Students** of Anekal to face the entrance examination seeking admission for Engineering & Medical for the Academic Year 2013-14.

Details:

Venue : College Seminar Hall
Duration : **From 30th March 2013 to 30th April 2013.**
04 hours class, 01 hour test per day.
Resource person : 04 faculties per subject, Remuneration Rs. 500 per hr.

The proposed budget:

Each faculty will handle 10 hrs
04 faculties for each subject = 04 subject x 40 hrs = 160 hrs.
Remuneration cost = 160 hrs x Rs. 500 = Rs. 80,000/-

SSPUC Principal has identified 16 external experts to handle the subjects & further and he has taken the responsibility to arrange for the coaching classes. Last year too we have conducted the coaching classes in an organized manner.

Organizing such coaching classes will create awareness among the students and the parents and our Engineering College will be known to public, which leads to better admissions for Engineering in the upcoming years.

Submitting this is for your further approval.

Thanking you

Yours faithfully

| 8. Committee Members | |

Principal welcomed all the TO members, MR, HOD's, region coordinators and the members of Sairam Gnana Sourabha and appreciated the members for their involvement and commendable work towards the Sairam Gnana Sourabha for the Academic Year 2016-17 in the interest of Institution for filling of Intake. He sincerely conveyed the heartfelt thanks to all the region coordinators and the committee members for incredible support towards the SGS activities organized in the last year.

The following agenda points are discussed.

1. Appreciation - Completion - SGS 2016-17

Firstly Principal recalled all the activities organized in SGS 2016-17. Principal and MR sincerely appreciated and conveyed heartfelt thanks to all the region coordinators and members of SGS who showed more support and contributed more in filling the intake for the AY 2017-18.

2. Review - SGS 2016-17 Activities.

Convener of SGS took the session and briefed about the activities planned and organized during the last AY 2016-17. He informed that totally more than 30 activities were conducted in order to fill the intake of AY 2017-18. In that major activities are CET Mock test at various regions of Karnataka for second PU students, Career Guidance program, Press meet for innovative Students projects, Tele calling, Advertisement of college in both Radio and TV channels, Participated in various Educational fairs organized by famous media, Sent a college information to the individual students through group SMS and letters to the individual candidates from SGS data base, Staffs are deputed for document verification process at various palaces of the Karnataka during the CET document verification time, Vetripadigal program, and also proper transport and food arrangements were made during the admission time for students who took seat through CET and Comed-K.

3. Review of AY Admission 2017-18-Statistics-Region/District Wise

Principal and MR briefed about admissions based on the District/ Region/State wise.

1. Karnataka Admission					
District wise			Region Wise (Based on SGS)		
Sl. No	District	Total Number of admission	Sl. No	Region	Total Number of admission
1	Bangalore	119	1	Bangalore	119
2	Bidar	4	2	Davenagere & Chitradurga	10
3	Chitradurga	4	3	Bellary & Koppal	7
4	Davenagere	6	4	Kolar	12
5	Bellary	5	5	Kalburgi	17
6	Kalburgi	12	6	Other Regions	4
7	Kolar	12			
8	Tumkur	4			
9	Koppal	2			
10	Raichur	1			
	Total	169		Total	169

Out of presented statistics, its looks like Bellary region admission fetched very poor compared to other regions even though we put lot of efforts on this region. Also bengaluru region admission drastically reduced compared to last year.

2. Admissions State wise		
Sl. No	Other States	Total Number of admission
1	Karnataka	169
2	TamilNadu	35
3	Bihar	18
4	A.P	07
5	U.P	06
6	Maharastra	02
7	Others	03
	Total	245

Out of presented statistics from state wise, its looks like, we received very poor admission from Tamil Nadu compare to last year. But meantime it is observed that we got admission from North India, it really observable and appreciable.

4. Statistics- CET-Comed K-Management / Branch wise admission

Principal and MR briefed about admissions based on the Mode of admissions/branch wise.

1. CET/Comed K/Management/SNQ - Admission statistics				
Sl. No	Mode of Admission	Total Intake	Total Admitted	Remarks
1	CET	216	95	
2	COMEDK	141	29	
3	MGMT	120	108	
4	SNQ	24	13	
	Total	504	245	
2. Branch wise admission				

Sl. No	Branch/Department	Total Intake+SNQ	Total Admitted	Remarks
1	CSE	120+6	95	
2	ECE	120+6	56	
3	EEF	60+3	33	
4	MECH	180+9	61	
	Total	480+24	245	

5. Feedback from region coordinators/Members.

Also received the feedback from the various region coordinators. Prof. Vinay Tiwari suggested that we are failing to upgrade the innovative concepts and we are failing in the maintaining hygienic factor in the college. TO manager felt and informed that there is no proper sympathetic view between students and staffs. Prof Venugopal informed that next time if we do SGS activities, means we should concentrate on residential PU Colleges that may give good effect. Few Region coordinators suggested that CET Mock Test may not give much fruit. All results.

6. Problems/Hurdles faced - AY admission 2017-18.

MR briefed about the problems faced during the time of admissions, this year engineering craze has come down drastically at the national level. Moreover lot of confusion due to NEET exam and CET counseling process. Principal presented why we lost the more seats and what are the weaknesses and everybody agreed those facts. Some region coordinators are informed that due to more hostel fees and no proper transportation facilities. Few parents are informed during admission, college bus fees are very high, which we can't afford that much, few parents are felt Girls hostel not in the college campus and they felt not secured. Principal & MR informed that we need to build the branding of the college from our existing students. So that they will speak positive about the college, all HOD's and members are agreed.

7. Any other matter.

Principal informed that SGS initiated under CSR activities, so this will continue this year also there is no second thought of stopping. Also he has informed to the entire coordinators to plan the activities properly for the SGS AY 2017-18 and to presents their plans/activities for the upcoming year in the next schedule meeting on 22/09/2017(Friday), all coordinators and members are agreed the same.

Meeting ended with thanks from the Chair.

Note Submitted to the Chairman, SSEC, Anekal

**Sub: "Career Options in Engineering" in association with The Hindu Education Plus –
2.4.2014 (Wednesday) – Permission – Request – Reg.**

With reference to the above subject, we had planned to organize the Career Development Program "Plan Your Career" for +2 students in and around Hosur area on 2.2.2014 and Mr. Jayaprakash Gandhi, was the Speaker for the program at our Institution.

During the interaction with Principals of Hosur Higher Secondary Schools by the M.R. and the Undersigned in inviting them and their students for the Program scheduled at our Institution on 2.2.2014, they requested and advised us to organize this event after the examinations as the Laboratory and preparatory examinations are in progress and even some schools were hesitated to join us due to various factors and the response was in the ratio of 50:50.

In this regard, our M.R. discussed with CEO and taken consent for postponement to April 2014. Since, the Higher Secondary examinations in Tamil Nadu are getting over by 25th March 2014 and further discussion with the Principals of Hosur Higher Secondary Schools and based on the availability of the resource person Mr. Jayaprakash Gandhi, we planned to have this program on 2nd April 2014 (Wednesday).

Keeping in view of the above parameters, we would like to add the brand name to this event by joining **The Hindu Education Plus as Media Partner**, so as to give wide advertisement and attraction for the participants of Schools / Students from Hosur area

Apart from Hosur students, we are also inviting the II PU students of Anekal Taluk for this program.

During the discussion with The Hindu at our Trust Office, Bangalore, they agreed to associate with us as Media Partner and finalized a sum of Rs.1.0 Lakh with the following deliverable services

- The Hindu Logo can be used as Media advertisement by the Institution
- 2 Advertisements in the **Hindu English** (Quarter Page – 400Sq.cm), covers Hosur, Krishnagiri and Dharmapuri Districts) in March issue.
- 1 Advertisement in the **Hindu Tamil** (2 Quarter page 400sq.cm), covering entire Vellor, Hosur, Krishnagiri in March issue

SRI LEO MUTHU INNOVATION CENTRE To bring in all the multi-disciplinary students in one platform, we are started "Sri Leo Muthu Innovation Centre" in our college. It comprises students from different disciplines where they are motivated to work on different innovative projects to improve their respective core competencies. We believe that through this multi-disciplinary approach, we can shift the focus of the students to solve the real-time problems faced by the society with path-breaking innovative ideas and solutions, as a team. Here, the students are motivated to learn things beyond their prescribed university syllabus and explore the different avenues of the Engineering world. Also, our Sri Leo Muthu innovation centre acts as a platform for students to participate in various co-curricular activities and represents our College State in both National level and International level events organised by institutions like ISRO, ROBOSUB, SAUVC, SSA, SAE, ISIE, LPU, VKC, NIOT, AICTE, ISTE, NUS etc. Over the years our students have taken part in many such events and this became a culture or routine in our college. • SAIRAM RESCUERS -Borewell Rescue Robot • SUPERSCHNELL-All Terrain Vehicle Team • POD - The Future Car • ADITI NAKSHATHRA- Space and Students Satellite Development Team • SNGE- Smart New Gen Electricity • VARUNA - Autonomous Underwater Vehicle Team • TEAM DRONA-Quadcopter team – Fire Fighting drone team • RC CRAFT TEAM -TEAM SHITHIJ – Remote controlled vehicle for the agriculture development. • RAKSHAQ - Mars Rover Vehicle: • VARUNASTRA - Students Formula Vehicle • ELLOIDS - Smart Metro Station for Public Safety • EDUVISTA – Virtual and Augmented Reality In Education- • SILLA-DE-RUEDAS "Head movement controlled system to assist the physically challenged people using IOT". • SHWA'18 - Solar Powered Heterogeneous Wearable Adapter • ELECTRIC BIKE TEAM - TEAM RAIDERS - Electric Bike Team • GOKART TEAM - TEAM MECHROCKZ - (Boys Team) • SOLAR VEHICLE TEAM - TEAM AHSWA (Single Seater and Multi Seater Teams) • TEAM INFERNO- automation of dry-wet collection to support Swachh Bharath Abhiyaan Monitoring over IOT • TEAM OLYMPUS - FREYR DRONE – Pesticides Drone for Agriculture Applications. • Signed MOU with Korean Maritime Ocean University, south Korea and various companies like Rove technologies, Udaan Shiksha Private limited, etc. • Establishing Centre of Excellence for Drone Development. • Our 2nd Year Mechanical students successfully completed Industry Consultant Project – "Groundnut Thresher for Nandhana Gardens". • Prof. Harish Babu.L received grants of Rs 3,00,000/- from VTU to organize Workshop on design and fabrication of GO-KART vehicle(women) under TEQIP Cell 2019. • A state-of-the-art BMW engine and transmission unit was donated by BMW at no cost to our institute for learning purposes

APPRECIATION LETTER

I would like to place my sincere appreciation on records for the excellent work done by your students and staff in manufacturing the GROUNDNUT THRESHER suiting my farm requirements.

The machine is functioning fine and I could able to harvest around 10 acres of land in short time with minimum labour cost.

Thank you so much and wish you the best for your future endeavours.

yours truly,

Karthi Veeraiyan

DEPARTMENT OF MECHANICAL ENGINEERING

VLCI LEARNING CENTRE- INAUGURATION –SRISAIRAMCOLLEGE OF ENGG

The Academic institute -based Visionary Learning Community of India's –Learning centre was set up at Sri Sairam college of Engineering , Anekal, Bengaluru .

Mr. P.B Kotur Head-Global Freshers Engagement Program , WIPRO Limited. inaugurated the centre on 16/8/2018. The centre has been established with the collaboration of CII (Confederation of Indian Industry) and JICA (Japanese International Cooperation Agency) .

The aim of the VLCI Learning centre is to bridge the gap between Industry and Academia and to transform skills and processes in the Manufacturing Industry to make it more efficient, competitive and world-class. VLCI modules will be delivered by the trained faculties and will be supported by the hands on application of learning through live projects in the partner Industries.

The VLCI-Learning Centre will help develop next generation Manufacturing Change Leaders and Industry ready trained students every year equipped to serve the manufacturing sector through a unique teaching-learning process of classroom teaching and industrial training (includes 30% teaching and 70% shop floor assignments). The VLCI –Learning centre will also train the faculty and students about flow management system and productivity improvement.

This improves employability of engineering students and also it helps to get internship program for engineering students.

DEPARTMENT OF MECHANICAL ENGINEERING

REPORT ON VLCI PROGRAMME

VLCI –Visionary Learning community of India – A Program initiated as a CSR activity by the various industries to bridge the gap between Industry and Academia.

Through this program the industries are providing knowledge to the faculties about the requirement in industries. Then the faculties have to transform the information and the knowledge to the students community.

The training for the faculties is for 2.5 days / year (2modules/year). The program is for 3 years (6 modules). The information and the knowledge should be transmitted to the students community throughout 3 years.

This makes the students as industry ready Engineer. This improves employability of engineering students and also it helps to get internship program for engineering students.

The program includes 30% teaching and 70% shop floor assignments and Exercises.

1. **Background and Purpose.** This Program Appendix ("Appendix") establishes the terms and conditions under which Partner will participate in the Red Hat Academy Program ("RHA" or "Program") in the Territory. Under the Program, Red Hat provides Partner an internet deployed and managed Curriculum, Software, and Services and Partner provides the facilities and Teachers and delivers the Courses to Students as set forth in this Appendix. Capitalized terms not defined in this Appendix shall have the meaning given to them in the Partner Agreement between the parties, including the Partner Terms and Conditions.

2. **Definitions.**

"Appendix" means this Red Hat Certified Training Partner Program Appendix, including the terms and conditions governing the relationship between the Parties as contemplated by this Appendix, and further subject to the terms and conditions of the Partner Acceptance Document ("PAD"), to which this Appendix shall be an attachment.

"Curriculum" means the Courses, Course Materials, Manuals, and any and all instructional content, assessment, tests, and instructional materials included therein whether in print or electronic format, provided by Red Hat as part of the Red Hat Academy Program.

"Course" or "Courses" means the specific courses or units of study that may be taught under the RHA and as set forth in Exhibit A, Exhibit C and as otherwise offered by Red Hat under the Red Hat Academy Program.

"Course Materials" means any and all instructional and educational content provided directly or indirectly by Red Hat, including without limitation designs, course names and numbers, course materials, Manuals, methodologies, software, scripts, processes, instructional materials, slides, notes, lab exercises, assessment tools, quizzes, tests, answer keys, scripts, files, instructor guides and/or any other materials in any format, provided in connection with the Curriculum whether distributed in print, electronic, or video format, including, without limitation, Student Kits, Exams, Exam Kits, and Exam Authorizations. Any of the foregoing may be modified by Red Hat, from time-to-time, at its sole discretion.

"Documentation" means user manuals, training materials, software descriptions and specifications, brochures, technical manuals, license agreements, supporting materials and other printed information provided in connection with the Learning Services, in any format.

"Effective Date" means the first date when both parties have fully accepted or signed the Partner Agreement including this Appendix.

"Exam" means a Red Hat performance based certification exam.

"Partner" means a qualified university, academic institution, or entity with a workforce development program that acquires the Red Hat Academy Subscription for its own use to be provided to Partner's Students and without the right to directly or indirectly sell, resell, remarket, or, in whole or in part, otherwise distribute Red Hat Academy. Eligibility of a Partner is determined at Red Hat's sole and exclusive discretion.

"Program Subscription Fee" means the annual subscription fee paid by Partner that provides Curriculum, Software and Services to the Partner and enables Partner to teach the Curriculum to Students as set forth herein or in separate mutually agreed order.

"Services" means Learning Services provided as part of the Program.

"Student(s)" is a person enrolled full or part-time in the Partner's school, institution of learning and admitted to a degree awarding program (e.g. diploma, or degree, program, or certificate program) and attends a Course as taught by a Teacher.

"Student Kit" means the individually printed and packaged, digital or online Course Materials required for one (1) Student enrolled in a single Course.

"Software" means Red Hat Enterprise Linux, JBoss Enterprise Middleware and other software programs branded by Red Hat, its Affiliates and/or third parties including all modifications, additions or further enhancements delivered by Red Hat.

"Teacher" is a Partner employee or contractor who meets all qualifications determined by Red Hat who teaches and instructs Courses for the Partner.

Handwritten signature/initials

"Teacher Kit" means a set of materials, including a copy of the Red Hat Academy Student Kit as well as supplemental Instructor materials, assembled by Red Hat solely for use by a Red Hat Academy instructor in delivering Red Hat Academy classes.

3. License and Ownership

- 3.1 License Grant.** Upon Partner paying the applicable Fee(s), Red Hat grants Partner a non-exclusive, revocable, fully paid license, with no right to sublicense (including, but not limited to, sell), to use the Curriculum and Course Materials pursuant to the Agreement as follows: (a) distribution of Course Materials is limited to one (1) copy per Teacher and one (1) copy per Student; (b) Curriculum are provided solely for the use by Teachers and Students in the Course and such Curriculum may not be copied or transferred without the prior written consent of Red Hat; and (c) Curriculum must be taught sequentially and completed by Partner in no less than eight (8) weeks. The Curriculum shall not be used to teach or instruct to any person who is not officially enrolled as a Student and admitted to a degree, diploma, or certificate awarding program of Partner.

Notwithstanding the foregoing, all Curriculum is the sole property of Red Hat and its licensors, and are copyrighted by Red Hat unless otherwise indicated therein. Red Hat and its licensors will have sole ownership of any and all Curriculum including but not limited to methodologies, software, processes, or other intellectual property developed during the performance of the Services. Red Hat will provide Software for the use by the Partner and Students in the Course. Use of the Software is subject to the End User License Agreement set forth http://www.redhat.com/licenses/rhel_rha_eula.html. The Services may only be used by Partner. Partner is solely responsible for providing prerequisite skills, assessing its Students' suitability for use of the Curriculum, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student and Teacher information. Partner hereby agrees that Software used outside of the Program is covered under terms and conditions of the Enterprise Agreement including Appendix 1. Subscription Services, set forth at www.redhat.com/licenses, which may be amended from time to time by Red Hat in its sole discretion.

- 3.2. Retained Rights.** No part of the Curriculum may be photocopied or duplicated by any means, whether photographic, or electronic, or mechanical, or sold or distributed in any other delivery format whether in print or electronic, or used as the basis for any other training product or service, without written permission from Red Hat. Partner's rights in the Curriculum are limited to those license rights expressly granted under this Appendix, and Red Hat retains all rights not expressly granted. Partner will not (a) modify the Curriculum in any manner; or (b) use the Curriculum for any purpose not specifically permitted by this Appendix. Red Hat and its licensors will own and retain all right, title, and interest in the Curriculum and all intellectual property rights inherent therein, including without limitation all changes and improvements requested or suggested by Partner, notwithstanding any use of terms such as "purchase", "sale", or the like within the Agreement. Partner represents and warrants that its use of the Curriculum will be to fulfill obligations under this Appendix. Any unauthorized use of the Curriculum will be deemed a material breach of the Agreement. Prior to providing Students with access to Curriculum, Partner will require each Student to sign or otherwise assent (in a binding manner) to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at <http://www.redhat.com/licenses/>, which may be amended from time to time by Red Hat in its sole discretion. Partner's internal use of Courses or Exams is subject to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at <http://www.redhat.com/licenses/>, which may be amended from time to time by Red Hat in its sole discretion.

- 3.3 Permitted Marks.** Partner may only use the logo(s) set forth in Exhibit B to the Program in conjunction with the promotion of Partner providing Red Hat Academy Courses to Students. Partner may not use the logo(s) in general advertisements or marketing materials that do not specifically address or support the sale of Courses under the Program.

- 3.4 Copyright Notices.** Partner will ensure that all copies of the Curriculum in Partner's possession or control incorporate copyright and other proprietary notices in the same manner that Red Hat incorporates such notices in the Curriculum or in any manner reasonably requested by Red Hat. Partner will promptly notify Red Hat in writing upon its discovery of any unauthorized use of the Curriculum or infringement of the Curriculum or Red Hat's proprietary rights in the Curriculum.

- 3.5 Use of Red Hat Software.** Any use of Red Hat Software is subject to Red Hat's standard agreements including the Enterprise Agreement set forth at www.redhat.com/licenses, the applicable Red Hat End User Agreement(s) set forth at www.redhat.com/licenses/eulas and/or any other mutually signed written agreement with Red Hat as applicable.

4. Fees and Payment

- 4.1 General.** Any fees or charges ("Fees") will be due and payable by Partner in accordance with the Agreement. Partner may purchase from Red Hat directly, or through an Authorized Red Hat Reseller Partner. If Partner acquires Subscriptions, Courses and/or Services through a Red Hat Academy Program Reseller, the Fees for such Subscriptions, Courses and/or Services will be determined by such Reseller and may vary from the Red Hat Fees.

Handwritten initials or signature in the bottom left corner.

- 4.2 **Direct.** If Partner purchases directly from Red Hat, Fees will be identified by Red Hat in an Order Form and are (a) due upon Red Hat's acceptance of an Order Form, and (b) payable in accordance with this section. All Fees are stated in United States Dollars. Partner must pay all Fees within thirty (30) days from the date of invoice, without regard for when, and whether, Partner collects payment from a Student. Fees do not include out-of-pocket expenses or shipping costs. Partner agrees to reimburse Red Hat for its reasonable expenses incurred in performing the Services including travel, lodging and non-routine supplies, in accordance with Red Hat's travel and expense policies. All Fees are non-refundable. Red Hat will invoice Partner upon Red Hat's receipt of a purchase order for any amounts due to Red Hat pursuant to this Agreement; provided, however, that the terms of such purchase order will not amend, supplement or modify the terms of this Agreement or be binding on Red Hat. Red Hat reserves the right to change the credit terms or terminate the Agreement if Red Hat has not received payment within five (5) days of when it is due. Renewal Fees will be the same price listed in the Order Form.
5. **Publicity.** Red Hat and Partner shall each have the right to identify Partner as a Red Hat Academy partner, provided, however, that for any press release, media alert, or other public communication, each party shall obtain the other party's review and written consent before publishing such information in any form.
6. **Term, Termination, Mandatory Disclosure and Public Officials**
- 6.1 **Term.** Unless otherwise specified in writing by the parties, the initial term of this Appendix shall be one (1) year (the "Initial Term"). Thereafter, the term for this Appendix shall renew for successive terms of one (1) year each (each, a "Renewal Term"), with each Renewal Term beginning on the anniversary of the Initial Term unless either party gives written notice to the other of its intention not to renew at least sixty (60) days prior to the commencement of the next term. As used herein, the Initial Term and each Renewal Term individually refer to a "Term" and collectively the "Appendix Term."
- 6.2 **Termination.**
- 6.2.1 **Termination for Breach.** Notwithstanding anything to the contrary Red Hat may terminate this Appendix as provided for under Section 13.2 of the Partner Terms and Conditions Appendix, or in the event (a) Partner fails to pay an invoice when due, (b) Partner commits a breach of this Agreement and fails to remedy that breach within 30 days of receipt of notice of breach, or (c) as otherwise provided in the Agreement. Partner may terminate the Appendix in the event Red Hat commits a material breach of the Appendix and fails to remedy such breach within 30 days of receipt of notice of material breach.
- 6.2.2 **Termination for Convenience.** Either Party may terminate this Appendix, without prejudice to any other right or remedy, for any reason upon sixty (60) days notice in writing to the other Party.
- 6.3 **Survival.** Upon expiration or termination, all rights and obligations of the Parties under this Appendix will terminate immediately except, Section 3.2, 3.4, 4.2, Section 3 of Exhibit A, and Exhibit C will survive such termination or expiration. Termination of this Agreement shall not affect any agreements between Red Hat and any Students.
- 6.4 **Mandatory Disclosure.** For the avoidance of doubt, Partner may disclose the existence of this agreement and relevant terms, if it is required to do so by applicable law or regulation. Before disclosing the information, to the extent reasonably practical, Partner shall first notify Red Hat of the disclosure requirement (if it can provide notice without breaching any legal or regulatory requirement).
- 6.5 **Public Officials.** The Parties acknowledge that, if Partner is a public university or public education institution, notwithstanding the warranty to the contrary in Section 14.3.2 of the Red Hat Partner Terms and Conditions, Partner Officials may be government or public officials.

1. Red Hat Academy Subscription. Red Hat Academy Subscriptions contain the following:

- (a) Authorization and access to, and use of, the Curriculum in accordance with the terms set forth herein. The Program Fee includes Curriculum and Fees for the initial two hundred (200) Students. Additional Student Curriculum access may be purchased on a per Student basis;
- (b) Exams and exam delivery are not included in the Red Hat Academy Subscription and may be purchased separately; and
- (c) A list of standard Course offerings in the Red Hat Academy Program is available from Red Hat or a Red Hat Academy Reseller.

2. Partner Requirements.

- (a) Partner is solely responsible for providing pre-requisite skills, assessing Student's suitability for use of the Course(s) and Curriculum, appropriate use of any Internet access, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student information.
- (b) Partner must notify Red Hat of the number of Students in each Course within one business day after the Course begins.
- (c) Partner will provide Students with access to Student software labs. Access to such labs may be purchased through a Red Hat Lab Partner, through a third party cloud hosting provider authorized to provide such software lab access, or may be provided by the Partner through its own resources.
- (d) Partner shall maintain at least one (1) Red Hat Certified Professional during the Appendix Term. Partner will notify Red Hat upon appointment or replacement of Red Hat Certified Professionals.

3. Red Hat Academy Subscription Fees. Partner shall pay the Program Fee, if applicable, annually, before the beginning of the Initial Term and each Renewal Term. Courses and additional services can be ordered by Partner from a Red Hat Academy Reseller. All Red Hat Services purchased during the Appendix Term must be used within each one (1) year Term in which it was purchased or such Red Hat Services shall be forfeited.

Abstract

In India, Agriculture is the backbone. In country like India, groundnut is grown on a small scale by farmer. The major problem in groundnut production in country like India is the lack of groundnut processing machines available to farmers. In the beginning the groundnut pods were separated from its plants by the workers. They simply remove groundnut pods by their hands and separate from the plants. The output got from this method, was very low because it was very time consuming process. It was also a boring work for the worker. Traditional method of separating pods from groundnuts plants by hands. That the traditional method is not a sufficient method for separating the groundnut pods. Due to this manual process, identify some major problem & to over-come this problems some idea or concepts generates.

INTRODUCTION

Groundnut is the sixth most important oilseed crop in the world. The production of groundnut is concentrated in Asia and Africa (56% and 40% of the global area and 68% and 25% of the global production, respectively). India is an agricultural based country. Since last 50 year's lot of changes has been occurred in agriculture sector. Many new agricultural based industries have been started new varieties and species of plant have been discovered. In our country most of the people can be depend on the agriculture sector/field. The Groundnut is one of the major seed crop. This product in the cultivated in abundant quantity. There is lot of time waste in old method of groundnut pod separating. The time required for 1 Kg of groundnut pod separating from this groundnut is about 1/2 to 1 hour. So we have produces new machine for fast groundnut pod separating. The traditional manner of stripping groundnut pods is by removing by fingers or hitting the bunch of nuts with rods. Both the traditional methods cause injuries to the fingers of farm women and damage of nuts which can then be used only for oil expelling purposes. Stripping of groundnut in this manner needs 30 women labour per acre and it is tedious to the farm women. The fields need to be made wet the previous day with scant irrigation, so that the soil becomes loose and the plants along with the pods can be pulled out easily from the soil. Once plucked, the pods need to be stripped from the shell. Stripping the pods is a traditional practice done either by removing the pods manually or hitting the bunch with the help of rods.

OBJECTIVES OF THE MACHINE

- To minimize the time for separating the groundnut pod from plant body.
- To minimize manpower. -To simplify the process.
- To improve efficiency of operation of separation of groundnut pods from plant body.
- To develop a low cost machine this can be used by farmer
- It satisfies the need of village people to earn more money.
- The aim of project is to design & develop a low-cost groundnut pod separator which will help farmer to reduce time required to separate groundnuts.
- To reduce human efforts. -To increase efficiency and get more profit.
- To reduce high requirement of labours.
