The training went on well and the brief report on the same is as follows.

BRIEF REPORT ON TQM QUALITY CIRCLE TOOLS WORKSHOP TRAINING

Total Quality Management Practices – Q C Training Program began at 9:30 AM on 22nd July 2014 in the Library. The Principal Dr. Y Vijaya Kumar had given a brief introduction on today's scenario in Engineering Education and the need for TQM implementation in the Institution. Management Representative Mr. R. Arun Kumar, Public Relation Officer, Mr. K. Patel, Chief Accounting Manager Mr. K. Gajendra, T O Manager Mr. Maheshwar and the entire faculty of SSEC were present on this occasion.

The first session was addressed by the Principal, Dr. Y Vijaya Kumar who had addressed the gathering on the current delineation of the contemporary Engineering edification and introduction of Washington Accord concepts in the engineering instruction, making it extremely significant. In order to hold SSEC to contend with such towering standards and values, TQM was introduced in SSEC.

Sri Dwarkanath, Principal Consultant, in association with Smt. P. Lavanya, Consultant, Creative Management Consultancy began the session with the introduction of the **Seven Quality Circle Tools** to all the Quality Circles that were formed with the faculty. At this juncture Quality Circle Work Books were distributed to the entire faculty. Along with other QC Tool explanations, a brief Illustration exercise of the Pareto diagram construction on the graph sheet with an example on the income and expenditure of a middle class family was elucidated. He also enlightened all the components of the Quality Circle Tools in the workbook. The complete day had been used by the consultants to explain the concepts of Q C with examples. The Training program ended at 5.15pm.

Workbooks were also provided to all of them regarding the components and seven tools of the Quality circle in the Total Quality Management Practices. A brief Illustration of the Pareto diagram construction on the graph sheet with an example on the income and expenditure of a middle class family was elucidated as well.

Subsequently, on the second day Smt P. Lavanya, Consultant, Creative Management Consultancy, addressed the teaching faculty about the aspects like Format, Record, Document, Quality policy of any organization and also regarding the Objective of any aspirant, which should be " SMART ", where " S " is for being **Specific**, " M " is for being **Measurable**, " A " is for being **Achievable**, " R " is for being **Reviewable** and " T " is for being **Time bound**, also about the hierarchy, In an array, Quality Apex Manual being the first, second being the Quality Procedure Manual and the third being Quality work Instructions sheet. She further enlightened the group regarding other related aspects like Literature survey, Scope of work and the advantages and the disadvantages of the hierarchy. She explicated about the concepts of **PDCA cycle or Deming Cycle**, where " P " stands for **Planning**, " D " stands for **Doing**, " C " stands for **Checking** and " A " stands for **Acting** i.e. performing.

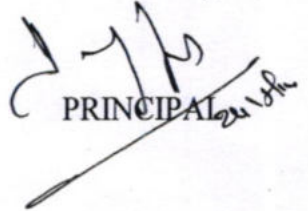

Later, Smt. P Lavanya explained the feed back to the Heads of the Departments on TQM Audit done by Mr. Ramesh on 7th and 8th July 2014. The points raised by the consultants have been taken care of.
