### About the College

Sri Sairam College of Engineering was established in the year 1997 by well known philanthropist MJF. Lion. Leo Muthu, Founder, Sri Sairam Group of Institutions and it is managed by Spathagiri Educational & Charitable Trust. The college was established with the vision to promote Technical Education to the Rural students in Karnataka. It is approved by AICTE, New Delhi and Govt. of Karnataka. The college is affiliated to Visvesvaraya Technological University (VTU), Belagavi. The college is ISO 9001-2008 Certified and its campus is spread over 50 acres of landscape with calm and lush greenery surroundings located at 18km from Electronic city, Bengaluru.

The Institute has well qualified and experienced teaching faculty, required for present challenging society and industrial needs. To support research activities the institute is tied up with various bodies like ISTE, IEDC, IIP, etc. All the faculty are life time members of more than one such professional bodies. All the students are also the members of ISTE, IETI, and also the professional bodies of the respective domains. We have an excellent placement and training body, where more than 50 companies have recruited our students. It accounts to 95% placement. We have been ranked one among in top 10 in Bengaluru, top 20 in Karnataka and top 100 in India by the various reputed magazines like TOI, Data Quest, Outlook, Higher Education Review, Education World and many more. The college is also having its proud alumni and is now successfully stepped in to 21<sup>st</sup> year with all the pride.

### About the Department

The Department of Science & Humanities is culmination of ideas that constitute everything in our daily life. Every Engineering field deals with the fundamental concepts in Basic science. The department has Full - Fledged faculty comprising of well qualified, experienced and dedicated faculty members with specialization in different fields. Department is involved in research activities in the areas like Fluid Dynamics, Optimization Techniques, Special functions, Numerical methods, kinetics, Corrosion & Nano Science, etc....

### Objective of FDP

The Topic of the Faculty Development Programme 'FACTO2k17' Aimed to provide Knowledge on

- Funding and Research bodies,
- Author publication like book and the types of Publication, Scopus Journals, Google scholar, Webon journals, Citation index, H- index, ISSN, ISEN, etc...
- Counsel & Motivate the students.
- Application of TQM in Educational Institute - Quality Circle training & other TQM tools.
- Opportunity and Entrepreneurship - IP & Patent Skills

### Who can Attend

- All UG & PG Faculty
- Research Scholars of any domain

### Registration Fee

- Faculty / Scholars : Rs. 500/-
- Lunch, Tea & snacks will be Provided.
- No TA / DA will be paid to the Participants.
- Accommodation will be provided based on request

**Sub: 6 Days Workshop on "Hands on Graphical Design using Lab view & Electronics Ckt Design using Multisim" for final year-Dept. of ECE in association with VI Solutions of National Instruments, Bangalore- 18.08.14 to 23.8.14-reg.**

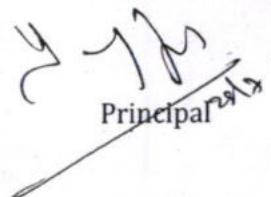

With reference to the above subject, please find herewith enclosed the representation from ECE HOD requesting the approval to conduct 6 days workshop on "Hands On Graphical Design using LabView & Electronics Ckt Design using Multisim" for final year students 18.8.14 to 23.8.14 tentatively at our college campus by VI solutions of National Instruments.

Course fee: Rs 84,000

Final fee: Rs 60,000 (after negotiation)

Nearly about 56 students out of 73 students were enrolled for the workshop. The above workshop will help to understand LABVIEW & VIRTUAL INSTRUMENTATION and avenue to execute the project work in a disciplinary way, Further the workshop will be effectively used for student's placement. Present embedded system lab can be utilized for the workshop. Since the students voluntarily accepted to bear the entire cost, we request your approval and permission to organize the workshop. No financial commitment involved from the management.

Thanking you

Sub: Requesting Permission to Organize 6-days Workshop – Final Year  
ECE - Reg.

With reference to the above subject, We would like to organize a 6-days workshop titled **“Hands on Graphical Programming using LabVIEW & Electronics Circuit Design using Multisim”** for the final year students of ECE department from 18.08.14 to 23.08.14.

This workshop will help the students to understand Virtual Instrumentation and do the final year projects in the same platform which help them to get better placement and also The Embedded System Design Lab sanctioned under MODROBS scheme can be utilized efficiently.

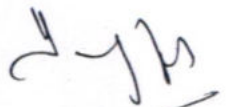

Kindly permit us to do the same.

Yours faithfully,

Dear sir,

Kindly find the attachment of the Quotation that you have requested for. As we have a good relation with your college, so i requested my officials to make a discount in the Quotation and they have done it. Hope the best from your side.

Revert back for further clarifications.

21/02/2014

Note submitted to the Chairman, SSEC, ANEKAL

**Sub.: IEDC Workshop & I2U 2014 Contest Release – Brief Report - 14/02/2014 – Reg.**

With regard to the above, IEDC, SSEC had organized **A One Day Workshop on “Innovation, Creativity & Technical Excellence”** by Prof. B A Patil and **I2U 2014 Contest Release programme on 14/02/2014**. The brief summary of the above programme is as follows:

The purpose of the workshop was to provide a right platform to be innovative in their approach and enhance creative thinking skills for the students. IEDC, SSEC, believes that by channelizing the creative thinking in students, it is possible to bring excellence in their work. To promote entrepreneurship among VI semester students, we have rolled out the contest (INSPIRED INNOVATION TO YOU) - a project proposal submission for current third year students.

The programme commenced with an invocation song by Ms. Chaitra – VI CSE followed by lighting the lamp by the dignitaries. The welcome address and a brief introduction of the guest **Prof. B A Patil** was delivered by Vice-Principal, Dr. B Shadaksharappa. He welcomed all and highlighted the achievements and the vision of our Chief Guest of the day.

The Principal addressed the gathering and mentioned the importance of self-sustainability to the students and also mentioned today's market scenario, he also expressed that Entrepreneurship is the only solution to the youth of India in the coming days.

Chief –Guest, Prof. B A Patil, conducted the workshop on Innovation, Creativity & Technical Excellence, and narrated the history of noble scientists, their achievements and most importantly the determination to achieve the highest awards like noble prizes. He particularly went through the life of Madame Curie' achievements, interests and social responsibilities towards the society.

Ms. Malini - IEDC coordinator gave a glimpse on the on-going projects along with the I2U 2014 contest program. She briefed about the rules and regulations to participate in the contest and highlighted that the projects shall be based on social relevance, thoughtfulness of work and the marketability.

Vote of thanks was proposed by Mr. R Arunkumar, Mgmt. Representative, and he thanked the Chairman , CEO and Dr. Rajendra Prasad, Dean, Trust Office representatives for their complete support and encouragement. He thanked the Principal, Vice- Principal and HODs for their unconditional support towards the success of the programme.

Thanking you,

Yours Sincerely,

  
PRINCIPAL 2012

Prof. B. A. Patil is an internationally recognized computer scientist and mathematician in the area of software architectures, inclusive designs technologies, and software internationalization, biomedical engineering and signal processing, pattern recognition.

He has 20+ years of experience in the academia, national (Indian Institute of Science, Bangalore) and international research institutions (Fraunhofer - Germany, USA, France, Japan) and industry (IBM, HP, CMC, Arisglobal) with roles such as professor, scientist, director and software architect.

He completed his B.E (Electronics) – 1987 from Gulbarga University, M.Tech (Communication Engineering) – 1990 from Mysore University and D. S (Fraunhofer Research Institute, Germany) – 2004.

After post-graduation, he worked as a scientist at Supercomputer Education and Research Center, Indian Institute of Science, Bangalore in the area of super computing, parallel computer architectures, parallel algorithms and scientific applications and contributed to PARAM supercomputer.

Later he worked as Asst. Professor in Computer Science & Engineering, in Gulbarga University. During this tenure, had made independent research and contributed to the inclusive design, accessible software languages and user interfaces in Indian languages (Kannada, Hindi etc.) that enabled vernacular applications.

These significant works fetched him a research opportunity at Fraunhofer Research Institute, Germany for eight years, during these professional years visited and worked with best brains in the world and had opportunity to meet Nobel laureates, including family members of Einstein and Madame Curie.

He has 35+ national and international internal research publications and contributed to two books and won one national and two international awards for developing inclusive technologies. He has four patents to his credits. He is the first person to write Kannada compiler (1996) and user interfaces, the idea was to teach computer Kannada and won Karnataka Government Award (1996).

In 2002, he won “Salzburg Fellowship Award, Austria” for inclusive technologies. He is member of IEEE, ACM, ISTE and CSI research organizations and European Science Forum (Germany/France), Founder Member, Information Science (Finland).

Currently, he is the founder president of Think and Ink Science Foundation. He and his team is on lifelong mission to make science popular, science attractive to young minds, bring a change in quality of science education and enable, inspire and guide young talented minds to fetch a Nobel Prize!

Dear Sir,

**Sub: Advisory Committee-INNOVATION AND ENTREPRENEURSHIP  
DEVELOPMENT CENTRE (IEDC) Letter of Invitation - Reg.**

SHIRDI SAI ENGINEERING COLLEGE, ANEKAL is committed to provide its students many opportunities and experiences through which to become aware of, explore, and plan for a great future. To improve our programs, curriculum, and delivery strategies, in the area of Entrepreneurship development through student projects, we have been identified for establishing **IEDC (Innovation Entrepreneurship Development Centre) Department of Science and Technology, Government of India** by sanctioning Grant in aid for student projects. In view of the IEDC operation in our college we are on the process of forming a **Advisory committee**.

To be effective and relevant, we believe it is critical that representatives from business, Academics, Research, Management, and College staff have opportunity to provide input and service on this committee.

We cordially invite you to serve on our IEDC Advisory Committee at our college. You have been recommended as a person with respected knowledge and experience, and as one who will make a valuable contribution to this committee. By serving on this committee, you have opportunity to guide the student projects and IEDC activities program, prepare students for their future, and promote and advocate the importance of entrepreneurship, exploration and planning.

Please consider our invitation and be a part of committee to encourage the Innovation and entrepreneurship. We look forward to hearing from you favorably and appreciate your consideration. Kindly rely on us if any.

Thanking You

Sincerely yours

(DR. VIJAYAKUMAR.Y)
