COMPOSITION OF THE IQAC

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

- · Chairperson: Head of the Institution
- · A few senior administrative officers
- · Three to eight teachers
- · One member from the Management
- · One/two nominees from local society, Students and Alumni
- One/two nominees from Employers /Industrialists/stakeholders
- · One of the senior teachers as the coordinator/Director of the IQAC

FUNCTIONS OF IQAC:

- Development and application of quality benchmarks / parameters for various academic and administrative activities of the institution
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on qualityrelated institutional processes
- · Dissemination of information on various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- · Documentation of the various programme / activities leading to quality improvement
- Acting as a nodal agency of the institution for coordinating quality-related activities, including adoption and dissemination of best practices
- Development and maintenance of institutional database through MIS for the purpose of maintaining / enhancing the institutional quality
- · Development of Quality Culture in the institution
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC

Benefits:

- IQAC will facilitate/contribute
- Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement;
- · Ensure internalization of the quality culture;
- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- · Provide a sound basis for decision-making to improve institutional functioning;
- · Act as a dynamic system for quality changes in HEIs;
- Build an organized methodology of documentation and internal communication.

PERSPECPTIVE PLAN OF THE INSTITUTION

The institution has various perspective plans for the overall development. The plan is drafted by the Principal in consultation with Governing council body and Heads of the various departments. Academic Calendar is scheduled according to this plan.

The envisioned features of the plans are

- ✓ Enhancement of Quality admissions
- ✓ Getting NBA Accreditation
- ✓ Organizing training to improve soft skills
- ✓ Incubation Centre with help of MHRD/Govt. of Karnataka
- ✓ IPR & Entrepreneurial skills

PARTICIPATION OF TEACHERS IN DECISION MAKING BODIES

- Principal is whole and sole responsible for academic and non-academic activities and execution on par with ISO standards without any intervention from the management, as per the guidelines of Governing Council and Internal Quality Assurance Cell.
- Statutory committees like grievances redressel, Disciplinary committee, OBC, Schedule
 Caste /Schedule Tribe committee, Anti Ragging Committees, Against Sexual-Harassment
 committee, academic council committee, industry internship, placement and training.
- Coordinators and the members are empowered to take decisions based on the enquiry findings. Since Principal acting as member secretary of the Governing Council and one professor and one Assistant Professor made as members of Governing Counsel to voice their grievances and suggestions through Governing Council Agendas.
- Internal Quality Assurance Cell plays an important role both framing guidelines for academic, non-academic activities such as project based learning inculcating leadership skills amongst the students and intensifying the research activities. Innovation Centre coordinators of various branches are empowered to encourage the students to make quality projects and enable them to convert products.

Sub.:- Report on Sairam Gnana Sourabha 2019-20.

With reference to the above subject, Under Corporate Social Responsibility (CSR) and Sairam Gnana Sourabha (SGS), SGS members are decided to conduct following activities:

- 1) PU Colleges visit for getting Permission to conduct SGS activities.
- 2) Invite nearby PU colleges students to campus for campus visit.
- 3) Career Guidance Program to 2nd PU Students.
- 4) Project Expo at PU Colleges.
- 5) Compliment of 5years CET solved booklet to 2nd PU students.

Also SGS members are decided to divide PU Colleges are zone wise in Bangalore for effective conduction of SGS activities. According to members direction PU Colleges are in Bangalore divided into 7 zones and assigned coordinators for each zone.

Zone Coordinators are visited respective zone PU Colleges in the month of 4th week of November for getting permission to conduct SGS activities. From December 2nd week onwards activities are started. We have conducted activities in 37 PU Colleges and 2512 students are attended out of 3005 students. 9 PU college students are visited to our campus for attending activities and remaining PU colleges we went and conducted activities at their campus. After attending the Career Guidance program 5 years CET solved booklets are distributed each student. All PU Students are happy with our career guidance program, Project expo and CET booklet. Some of the students are given feedback like we have understood what are the courses and job opportunities are available after PU Course. Also students are expressed we got idea about projects how it will useful to society. PU College Principals are expressed about students benefit from our activities.

SRI SAIRAM COLLEGE OF ENGINEERING

Anekal, Bengaluru

Report on Sairam Gnana Sourabha-CET Mock Test-2015/16

Sairam Institution's has started a CSR initiative- Sairam Gnana Sourabha in the year 2014-15 with the motto of helping students and faculties of PUC Science stream by organizing various activities. It was a successful event organized in south Bangalore in the previous year. This year we have taken opportunity to spread various regions of Karnataka such as Bengaluru, Bellary, Kalaburgi, Shimoga, kolar, Chitradurga, Davanagere and Raichur to organize CET Mock Test. Our Gnana Sourabha team members visited many colleges in all the regions to get participation in CET Mock Test. CET Mock Test conducted in all the regions between the dates of 05/01/16 to 25/01/16. Details are as follows.

| Sl No | Region | Number of colleges visited | Number of colleges participated | Over All Students strength | Total Students appeared 2,385 1,897 1,607 | | |
|--|-------------|---------------------------------|---------------------------------|----------------------------------|--|--|--|
| 1 | Bellary | 26 | 22 | 3,196 | | | |
| 2 | Bengaluru | 110 | 39 | 4,090 | | | |
| 3 | Chitradurga | 20 | 19 | 2,206 | | | |
| 4 Davanagere 5 Kalaburgi 6 Kolar 7 Raichur | | 25 | 13 | 2,677 | 2,038 | | |
| | | 47 | 36 | 4,740 | 3,389 1,980 987 | | |
| | | 40 | 29 | 2,501 | | | |
| | | 27 | 20 | 2,000 | | | |
| 8 | Shimoga | 29 | 12 | 1,149 | 624 | | |
| Total 324 190 22,559 | | | | | | | |
| | | nimoga accepted d in next month | | etails collected, | 186 | | |
| Total | | | | | | | |

The response from the students is very good and this CET exam was taken very seriously by all the participated colleges. The prize winners will be honored during the right occasion. Details of every region toppers who earn cash awards and top 50 scholarship winners are as follows.

To

The Principal
Bellary Ind. PU College (Best)
Bellary

Dear Sir

Sub: CET Mock Test - Topper - Cash Prize - Disbursement - Reg.

With reference to the above subject, we sincerely thank you and your Management for recognizing and permitting us to conduct our CET Mock Exam in your College, last year.

Student who have secured FIRST rank in CET Mock Test in their respective region, are awarded Rs.5000/- as Cash Award by us. In this regard, we are glad to announce that your student V.KEERTHI of 2016 PUC pass out batch has stood first in the Bellary region in our Sairam Gnana Sourabha CET Mock Examination 2016.

We, wholeheartedly congratulate you and your entire team of faculty for taking great effort in transforming your students as outstanding academic performers. Also, herewith we are attaching a cheque bearing number 790788 dated 19.10.2016 in the name of V. KEERTHI for Rs.5000 as cash award.

So, we request you to kindly handover the same to the student as per your procedure and convey our best regard to the student & his/her parents.

Expecting similar cooperation from you and your Management in future too. Kindly acknowledge the receipt.

Thanking you

Yours faithfully

Arunkumas Paisa I

Mentoring System

Sri Sairam College of Engineering mainly focuses on Student Mentoring system as one of the best practice. The main objective of mentoring system is to establish a trusting relationship between the Mentor and the Mentee to help the mentees attain their aims. The new process has been established as 'Mentoring System'. Each faculty will be the mentor of a group of 20 to 25 students. The system also includes Internal Counseling and external counseling where, "Internal counseling" will be done by internal faculties (Mentors) in the campus and "External counseling" will be conducted in trust office by management officials for those students who are academically poor.

Responsibilities: The mentor will perform the following functions. The list of course cannot be exclusive. A mentor can always do more for the benefit of the students.

- 1. Meet the group of students at least twice a month/need based.
- Continuously monitor, counsel, guide and motivate the students in all academic matters.
- 3. Advise students regarding choice of electives, training etc.
- Advise/Encourage students to participate in building projects and attend internship program.
- Guide/Encourage students to participate in National and International Conferences.
- Contact parents/guardians if situation demands e.g. academic irregularities, negative behavioral changes and interpersonal relations, detrimental activities etc.
- 7. Advise students in their career development/professional guidance.
- 8. Keep contact with the students even after their graduation.
- 9. Intimate HOD and suggest if any administrative action is called for.
- 10. Maintain a detail progressive record of the student (format attached).
- 11. Maintain a brief but clear record of all discussions with students.

HOD: The HOD will,

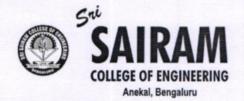

- 1. Meet all mentor of his/her department at least once a month to review proper implementation of the system
- 2. Advice mentors wherever necessary.
- Initiate administrative action on a student when necessary. Keep the head of the institute informed

Academic committee:

Institute's academic committee will discuss mentoring related issues at least twice in a semester during its meetings and revise/upgrade the system if necessary. The Institute is emphasizing towards enhancement of enhancing the institutional ambience to better serve the needs of an everchanging and dynamic learning community. Effective mentoring begins with the faculty and depends on the good relationship between faculty and students. Department assign faculties (acts as faculty advisors) for providing guidance for each year during admission till the graduation for same batch.

The faculty advisors perform the following functions:

- To maintain personal details of the students including their address, contact numbers, overall academic performance and progress. It will help the faculty advisor in monitoring the academic growth of the students. It will also help the College in tracer studies of the alumni.
- To advise the students regarding choice of electives, projects, summer training, etc.
- To counsel and motivate the students in all academic matters-direct or indirect.

- To guide the students in taking up extra academic and professional activities for value addition as a member of the society.
- To contact the parents / guardians of the students in case of their academic irregularities, behavioral changes, etc, through the Head of the Department or College.
- In all the departments faculties are working as Faculty Advisors for the students. The faculty monitors their progress and reports to teacher-in-charge. This mentoring is for over all development of the student. Faculty advisor meets the students frequently and discusses various issues including class room lectures, laboratory performances, participation of seminar / conferences and technical event, any academic difficulty faced and career development.

Types of Mentoring done are:

- Professional Guidance regarding professional goals, selection of career, higher education.
- Career advancement regarding self-employment opportunities, entrepreneurship development, morale, honesty and integrity required for career growth.
- Course work specific regarding attendance and performance in present semester and overall performance in the previous semester.
- Lab specific regarding Do's and Don'ts in the lab.

Mentoring is a proven, cost-effective strategy to engage students in undergraduate programs. Effective mentoring begins with the faculty. When it comes to academic success and persistence, there is no substitute for a healthy relationship between faculty and students. Student mentoring programs:

- Improve campus engagement and student retention Aid in career planning by providing job-specific information and potential career paths.
- Build career networking skills.
- o Can assist with job placement after graduation.

Student mentoring can take many forms:

- Peer to peer, and student to alumni. Mentoring can achieve powerful results.
- Students are 40% more likely to secure a job after graduation when they've participating in a student-alumni mentoring program

Mentoring and Guidance provides encouragement to the students as under:

- o Encourage students to discuss their ideas.
- o Encourage students to try new techniques and expand their skills.
- o Reassure students of their skills and abilities to succeed.
- Teach students how to break large scholarly tasks into smaller, more manageable ones to avoid becoming overwhelmed.
- O A Mentor Book is maintained by faculty where all details of the students of his/her group are recorded. History cards of the students are prepared in which attendance, examination marks (internal assessment, Model exam & University Semester exams) and family details are recorded. The same book is continued till the student completes his graduation.

PRACTICE PERFECT

TEST DELIVERY, METRICS & ANALYSIS PLATFORM

Dear Sir / Madam,

PracticePerfect is a product from **SkillRack.com** which helps candidates to perform well in the screening tests conducted as a part of On/Off Campus hiring process.

Test Delivery Modes:

Features:

- Tests including 62 topic wise tests and 20+ company pattern tests (Cognizant, Infosys, TCS, Accenture, HCL, Mahindra Satyam etc).
- 3000 unique practice questions delivered to each candidate (with detailed solution where ever applicable).
- Tests can be delivered via both ONLINE, INTRANET and PAPER PENCIL mode.
- AUTOMATED SCORING of Paper Pencil tests (Please refer the video in CD or visit http://www.skillrack.com/practiceperfect)
- Strength and weakness analysis Individual as well as cumulative score report.
- Exclusive account for Placement Officer to identify poor performing candidates and export their list to Excel (and they can take further steps for their improvement)
- 25 plus reports for Training & Placement Officer. For more info please visit http://www.skillrack.com/tpo
- Fully solved questions for easy reference.
- Audio transcript recorded Mock Interview module

Type of Reports:

- Individual Score Report (with strength/weakness and detailed solution)
- Cumulative Strength/Weakness report
- Absent Report
- Single Test Ranking Report
- Cumulative Ranking Report
- Mark Band Report
- College wise Strength/Weakness report All tests, Recent 5 tests, Recent 10 tests
- Matrix score report
- Question Summary Report
- Export candidate details in Excel

- · Time Utilization Report
- Candidate Usage Report (LogIn Report)
- Candidate Band Categorization Report

Pricing: The pricing per candidate is **Rs.100** inclusive all taxes. Example calculation is provided below.

| Number of candidates | Price (per annum) | |
|----------------------|---------------------------|--|
| 200 | 20000 inclusive all taxes | |
| 500 | 50000 inclusive all taxes | |

PRACTICE PERFECT - Steps Involved:

- 1. The college should provide the list of candidates in an Excel file.
- 2. TPO can list registered candidates and block (reject) candidates who are not eligible.
- Approved candidates are delivered exams through LAN, online or via paper tests. If delivery
 mode is paper pencil, colleges use Skill Rack's innovative product QUICKSCORE to score and
 upload results to SkillRack.com
- Reports and metrics are generated and available at SkillRack.com for both candidates and TPO.

Retention of Candidate Account:

The candidate accounts pertaining to the college will be valid and maintained for a period of 3 months from the date of completion of their graduation. This may assist them in off campus recruitment process preparation even after their graduation.

Requirements for Online Tests - LAN/Intranet or Internet based:

If the college decides to use web based delivery mode (for one or more tests) – ONLINE or INTRANET (LAN), the college should ensure there is sufficient number of computers and internet connectivity to deliver the tests. The exams can be delivered via LAN or internet.

Karthikeyan,

CEO at SkillRack.com

Skill Improvement Placement Training for students

The mission of Training & Placement Cell is to provide students a platform for exercising their potential to gain suitable placement in industry. It also works as an interface between various organizations seeking talented young graduate and post graduate engineers, Managers of different disciplines, and the institute. The Training & Placement Cell is supported by well equipped infrastructures like seminar halls with Multimedia facility for Pre Placement Talk & Presentations and computer labs for online tests.

Apart from these, Training & Placement Cell also has video conferencing facility to enable tele-interviewing. The students of all streams are motivated to undergo Industrial training and Internships at various companies across the state during the winter and summer vacations.

VALUE ADDED COURSE (VAC):

At the beginning of each academic year, a detailed training calendar is prepared to meet the training needs of all the students which include:

- Soft Skills training
- Aptitude training
- Value added training for skill development

Based on the feedback from prospective employers, the value added courses (VAC) are decided. Then the choices of the students are collected before finalizing the VAC topics. Separate time table are prepared for each department to provide training for soft skills & aptitude and VAC separately, in consultation with HoDs. At Present, Soft skills training is given to students of all year/department whereas VAC is planned only for final year students. By making use of internal resource persons (or) persons from external vendors, the soft skill trainings are imparted in line with the schedule.

VAC training is imparted by engaging external service providers. On completion of the training, feedback is collected from the student and from the trainers. The feedback is used to decide in continuing the services of the service provider in the subsequent semesters. Valuable input from the trainer feedback is shared with the concerned student for their improvement.

Every year, a list of companies for different departments is compiled at the beginning of the academic year. Details of students are shared based on the eligibility criteria of the company. Based on mutual convenience, dates are decided for the recruitment process. Offer letters are issued to the selected students on successful completion of the process.

All service and manufacturing companies is focusing on technology based hiring and with specific skill set among the students. Some companies are very domain specific expectations from the fresh engineering students. In general all companies wanted to reduce the time and cost towards training after fresher's hiring, to deploy all of them in to projects with short term orientation.

Keeping all the changes into consideration we have developed a unique kind of training program for our students. We have come up with the exclusive online training portal with the help of a third party vendor "Skill Rack" and train our students from first year on various niche technologies like C, C++, JAVA, Python, .NET etc.

The students were given individual user id and password to login to the portal where they can practice coding, data structures, algorithms, quantitative, logical, and verbal. They have online tutorial also to clarify all the doubts then and there. They also get more clarifications from the faculty in the lab environment regularly. This will improve the various technology skill set among the students to meet requirements of the changing industrial needs.

We can generate the detailed reports of the performance of the students in an extraordinary format like login details of every student, the time consumed, time taken to solve a particular question, test resume count, hint and solution seen, ranking of recent 'N' test, number of test absent, students strength and weakness report and the students activities are monitored and communicated to the respective students individually.

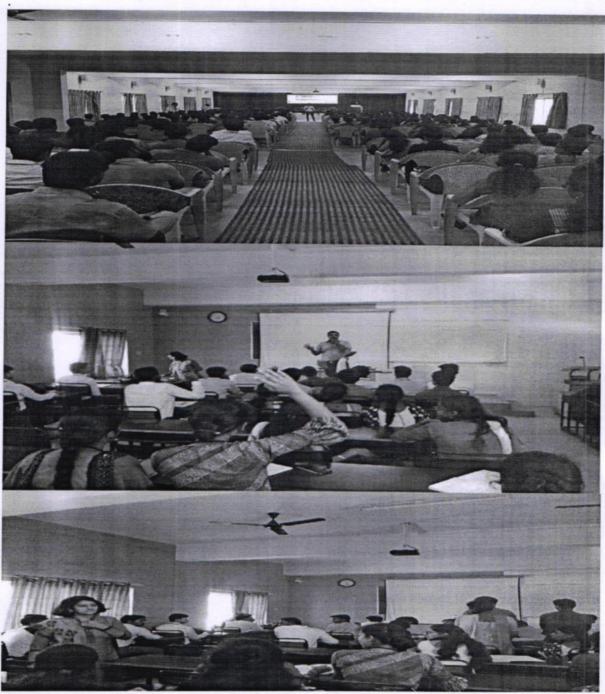

Students practiced Aptitude and Reasoning questions through Skillrack portal. www.skillrack.com

Final year TCS eligible students had undergone company specific training from FACE.

NASSCOM foundation organized training with ALTRAN & IPRIMEDi to the circuit branch students of all final year from 9th July 2018 to 11th Aug 2018 (30 DAYS).

Intellectual property Rights (IPR) Cell

SSCE Intellectual property Rights (IPR) Cell

Intellectual property plays an important role in providing a competitive edge to any Institution. The tangible assets like inventions, designs, software, brand name and other creative & innovative ideas are more valuable than physical assets. SSCE IPR Cell is committed to encourage, protect, manage and commercialize Intellectual Property such as Patent, Copyright, and Trademark etc., generated through the College. The cell creates conducive environment in the academics for the development of Intellectual Property. Faculty and students of SSCE are actively participating in the IPR filing process in different disciplines of Engineering & Technology.

Functions and Responsibilities

- To create an awareness about IPR for faculties and students of the Institution.
- To impart training on future endeavors regarding patent filing processes.
- To conduct workshops, seminars and training course on IPR.
- · To promote better understanding of IPR and to identify more IPs

Importance of IPR

It is necessary to protect the Intellectual property in order to enable organizations to earn recognition or financial benefits. Governments of various countries protect the innovative ideas of the inventors through Intellectual Property Rights (IPR). Recently, IPR has become a central issue in the developed and developing countries. The rationale for this IPR lies in the need to create awareness about the importance of IPRs as a marketable financial asset and economic tool among the researchers, faculty and students of the College.

A Report on IPR session

We, Sri Sairam College of Engineering along with Karnataka State Council for Science and Technology(KSCST) jointly organized workshop on "Intellectual Property Rights" from patent information center KSCST, on dated 21/02/2017.

The speakers of the session were Mr. C.R.Pradeep and Mrs Bhavya K B from Indian Institute of Science and members from KSCST Bangalore.

The program stated at 11:15 AM with the introduction of Chief Guest Mrs Bhavya K B and Guest of honor Mr. C.R. Pradeep and then our beloved Principal addressed the gathering.

Final year students of all the branches (CSE,ECE,EEE,Mech) have participated in the workshop.

The first Session was about Introduction of patent, patentable and non-patentable items and importance of patenting.

The second session hosted by Ms.Bhavya KB was about the procedure and guidelines for patenting, tenure of a patent etc..

CORPORATE TRAINING AGREEMENT

This Corporate Agreement (hereinafter referred as "Agreement") with focus on establishing a centre of excellence for Drone based activities known as "Centre for Drone Innovation & Technologies (CDIT)" (hereinafter referred as "CDIT")is made and executed on this 15th day of August 2019 (hereinafter referred as "Effective Date") by and

2000m

- The authenticity of this Stamp Certificate should be verified at "www.shcilestamp.com". Any discrepancy in the details on this Certificate and as available on the website renders it invalid.
- The onus of checking the legitimacy is on the users of the certificate.
- In case of any discrepancy please inform the Competent Authority.

UdaanShiksha (a unit of Ejesmapa Technologies Pvt Ltd)

(here in referred to as UDAANSHIKSHA) "UDAANSHIKSHA is engaged in dronedevelopment and imparting education to develop professional skills that will prepare the students for immediate employment and provide them with a solid foundation for further education" is located at 2nd floor, R N Complex, Amma Ashrama Arch Road, Jnanabharathi BDA Layout, BDA II, Bengaluru, Karnataka 560056 and

Sri Sairam College of Engineering

(here in referred to as SSCE) "SSCE is an emerging centre for excellence in Engineering education with the vision is to develop technically qualified personnel with a strong foundation in basic engineering and innovative technical skills with exemplary professional conduct is located at Sai Leo Nagar, Guddanahalli (PO), Anekal, Karnataka - 562106.

Both hereinafter referred to as the "Parties" collectively or "Party" individually.

The scope of the Agreement, roles and responsibilities of the parties of the Agreement are given below:

1. Scope of the agreement:

CDIT is a SSCE campus Drone R&D centre of excellence, established in collaboration with UdaanShiksha. It serves as an exciting interdisciplinary research as well as a thought-leadership and innovation showcase to explore, experiment, and extend cutting-edge technologies and use-cases of drones.

Key Activities of CDIT:

- 1. Create design excellence in the area of drones to meet the disaster management.
- Work with industry partners to manufacture and deploy drones in the field for larger requirements like Agriculture, Survey and Defence Requirements.
- 3. Facilitate the drone flight testing to industries.
- 4. Develop and manufacture DIY aero-models for hobby and aero enthusiasts.
- 5. R&D projects & proposals.
- 6. Projects from industry & research labs.
- 7. Facilitating engineering student projects.

Role and Responsibilities of each parties

- a. Role of UdaanShiksha:
 - Building up the network of companies, industry associations and universities for applied research and bring in projects, membership to use flying facility and participants for training programs.
 - 2. Provide support to the faculty in applying the R&D proposal to the funding agencies.
 - 3. Itshall market the programmes to make them successful.
 - Drive towards bringing visibility and profit model through various R&D and consultancy projects.
 - 5. To take care of all the statutory and legal clearance for flying drone in SSCE campus area.

2000

Du Vailey

b. From SSCE:

- 1. Provide infrastructure for the CDIT.
 - Having a room with a signboard with logo of UDAANSHIKSHA and SSCE
 - Access to existing laboratories
 - Basic amenities such as electricity, water, telephone, etc.
 - Suitable and ready for delivering the training courses and other activities in conjunction with the UDAANSHIKSHAin the scope
 - Provide one page/tab in the institute website for the CDIT
- The SSCE shall provide a workable space/ room with basic amenities for the staff of The UDAANSHIKSHA to facilitate marketing & related activities for successful outcome of joint activities.
- 3. It shall help to develop market through its existing established network and would support in marketing exercise.
- 4. It shall nominate a coordinator as a point of contactfor proper operation of CDIT.
- 5. SSCE shall actively support the preparation of research proposals.
- 6. Support regular flying activities & Provide volunteers.
- 7. Provide overnight stay and food facility for industry personnel and course program registrants on charge basis or as per package defined, on availability.

3. Financial Arrangement

- A. Fee for CDIT activities under scope (1) shall be decided in mutual agreement by both the parties for all the programs to be conducted under CDIT.
- B. CDIT Accounts shall be created by the SSCE, and by the UDAANSHIKSHA.
- C. Promotional costs as mutually agreed shall be offset against total revenue to be shared.
- D. Direct Marketing cost (say advertisements in newspaper, arranging an event at the SSCE) shall be shared by both parties in the ratio of 50:50.
- E. Revenue sharing mechanism:
 - I. The UDAANSHIKSHA: 50%
 - II. The SSCE: 50%
- F. The revenue sharing shall be done within 15 days once the payment is realized.
- G. The UDAANSHIKSHA shall not be liable for discharging any financial commitments made by the SSCE or vice-versa.
- H. Initially for the first two years from the date of starting of CDIT, the SSCE part of the profitshall be used for the facility development of the CDIT. Later this can be used as profit to SSCE.

4. INSURANCE

The Parties agree that SSCE shall obtain and maintain, during the term of this Agreement the following insurances:

All risk insurance covering physical loss or damage to the Facility, Equipment and Infrastructure and other infrastructure contained therein, including against any structural damage, damage by fire, earthquake, riots, theft and other risks at its own cost for the entire value of the Premises and Equipment and Infrastructure.

5. Relationship between the parties

Neither SSCE nor UDAANSHIKSHA is or will be an agent or legal representative or partner of the other. Neither of them is or shall be responsible for the debts incurred by the other or be bound by any contracts or representations made by the other or any obligations undertaken by the other.

Due Vailing

2. SaRu

Neither of them is or shall be an employee or franchisee of the other, nor does this Agreement create a joint venture or any similar relationship between parties

6. Corporate structure

Chairman

: Sri. Sai Prakash Leomuthu, Chairman, Sairam Group of Institutions

Director'

: Dr. Y Vijaya Kumar, Principal, SSCE

Director

: S R Arya, CEO, UdaanShiksha

Director

: Dr. Arunkumar R, Management Representative, SSCE

Director

: Dr. B Shadaksharappa, Vice Principal, SSCE

CTO

: Dr. K Sivasakthi Balan, Chief Co-ordinator, SLMIC, SSCE

Associate CTO

: Arun Kumar M R, Assistant Professor, SSCE

7. Monitoring of implementation

There will be a quarterly reviewfrom the corporate committee. This review would primarily focus on progress towards the objectives of the CDIT.

8. Intellectual property

- Both parties agree that any training matter, inventions, innovations, works or intellectual
 property rights and any idea or know-how in any form delivered by UDAANSHIKSHA
 resources will notbe recorded and published in any medium without the consent of
 UDAANSHIKSHA
- Training content will remain always the property of UDAANSHIKSHA
- Parties agree to use the logo and names of the company or institution logo for displaying in digital or printed medium for better cause

9. General

- This Agreement will have a minimum contract of 2 years (24 months lock in period) within this period either of parties cannot terminate the Agreement.
- Agreement may be terminated by either party through a notice of three month after the completion of 24-month lock in period.
- The fee or financial implications for individual activities under the scope of this agreement will be decided after discussion and agreement with both the parties as and when it arises.
