## VISIONARY LEARNING COMMUNITY - INDIA (VLCI)

VISIONARY LEARNING COMMUNITY OF INDIA (VLCI) is a Program initiated as a **ISR- Institute Social Responsibility** activity by the various industries to bridge the gap between industry and academia. Through this program the industries are providing knowledge to the faculties about the requirement in industries. Then the faculties have to transform the information and the knowledge to the student's community.

The training is for **3 years with 6 modules of syllabus trained for two faculties** by **HARITHA SEATINGS- TVS Groups**. This program includes **30% of teaching** and **70% of shop floor assignments and exercises**.

**Duration:** 3years

**Participants:** 2 Faculties from Sairam College of Engineering

**Training areas:** 6 modules

- Observation skills safety and cleanliness
- Evolution of modern manufacturing
- Modern manufacturing basic knowledge & Skills
- Introduction to Flow Management System
- Flow management concepts
- Leadership skills for manufacturing

**DEPARTMENT OF MECHANICAL ENGINEERING**

**REPORT ON VLCI PROGRAMME**

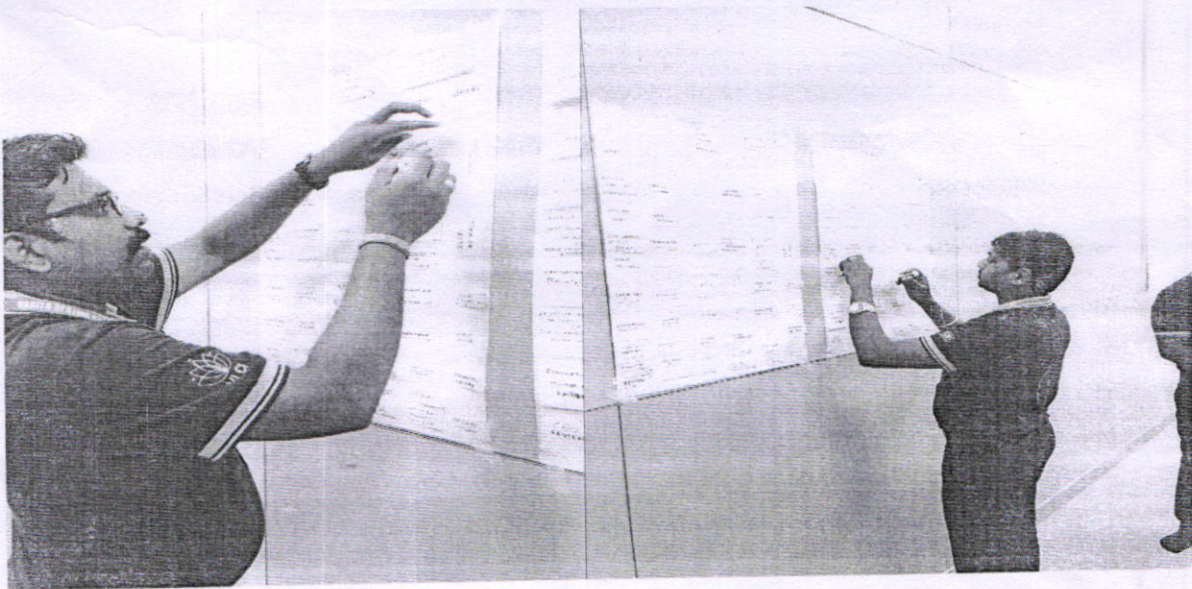

**VLCI –Visionary Learning community of India** – A Program initiated as a **CSR** activity by the various industries to bridge the gap between Industry and Academia.

Through this program the industries are providing knowledge to the faculties about the requirement in industries. Then the faculties have to transform the information and the knowledge to the students community.

The training for the faculties is for 2.5 days / year (2modules/year). The program is for 3 years (6 modules). The information and the knowledge should be transmitted to the students community throughout 3 years.

This makes the students as industry ready Engineer. This improves employability of engineering students and also it helps to get internship program for engineering students.

The program includes 30% teaching and 70% shop floor assignments and Exercises.

### VLCI LEARNING CENTRE- INAUGURATION –SRISAIRAM COLLEGE OF ENGG

The Academic institute -based Visionary Learning Community of India's –Learning centre was set up at Sri Sairam college of Engineering , Anekal, Bengaluru .

Mr. P.B Kotur Head-Global Freshers Engagement Program , WIPRO Limited, inaugurated the centre on 16/8/2018. The centre has been established with the collaboration of CII (Confederation of Indian Industry) and JICA (Japanese International Cooperation Agency) .

The aim of the VLCI Learning centre is to bridge the gap between Industry and Academia and to transform skills and processes in the Manufacturing Industry to make it more efficient, competitive and world-class. VLCI modules will be delivered by the trained faculties and will be supported by the hands on application of learning through live projects in the partner Industries.

The VLCI-Learning Centre will help develop next generation Manufacturing Change Leaders and Industry ready trained students every year equipped to serve the manufacturing sector through a unique teaching-learning process of classroom teaching and industrial training (includes 30% teaching and 70% shop floor assignments). The VLCI –Learning centre will also train the faculty and students about flow management system and productivity improvement.

This improves employability of engineering students and also it helps to get internship program for engineering students.

### VLCI-INAUGURATION –HARITA SEATISINGS SYSTEMS LTD. HOSUR

The inauguration of the program was conducted on **16<sup>th</sup> July 2018** at **Harita seatings systems Ltd. Hosur**. During Inauguration the following persons were present

- Prof. Saideep IIM, Bengaluru.
- Dr. Jayakanth Kittur, HOD, Mechanical, GOGTE Institute of Tech, Belagavi
- Management Representatives and Principals of various colleges
- Managers from Gabriel , Pvt. Ltd, Tvs Motors, Harita
- Trainees from 5 Educational Institutions

From our college **Mr. V.Balaji (Prof& Head, Department of Mechanical) & Mr. R.Vijai ,Assistant Professor**, have attended the training program.

The program was very informative, that includes 30% teaching and 70% shop floor assignments and Exercises. We have learnt 2 modules that covered "Observation Skills in cleanliness & Safety" and "Evolution of Modern Manufacturing" . This knowledge should be transform to the students of 2<sup>nd</sup> year Mechanical for another one year.

Tamil Nadu.

Sir,

**Sub: VLCI - Residential Program - Nomination Form - Reg.,**

With reference to the above subject, we are glad to nominate two Senior faculty members of Department of Mechanical Engineering for the first module VLCI program to be held between 16<sup>th</sup> to 18<sup>th</sup> July 2018 at Harita Campus. The necessary nomination form has been enclosed for your perusal.

We also would like to attend the inaugural function on 16<sup>th</sup> July morning. The details of the faculty are as follows,

- 1. Participants for the 3 day program are
  - 1. Prof. Balaji - HOD - Mechanical Engineering
  - 2. Prof. R. Vijay - Department of Mechanical Engineering.
- 2. Participants for the inaugural function
  - 1. Dr. Y. Vijaya Kumar - Principal
  - 2. Dr. R. Arunkumar - Management Representative
  - 3. Prof. Bheemeshwar Reddy - Training & Placement Officer

This is for your information.

Yours truly,

  
PRINCIPAL  
(Dr. Y. Vijaya Kumar)

Head - Mech  

Total Fees: - Institution has selected Option 2 for payment of Fees.

**Option 1** – Rs 21,000/- (One time) per participant for 3 years (Dress code+Kit Included)

**Option 2** – 1<sup>st</sup> Installment – Rs9,000/- per participant for ---- 2018  
2<sup>nd</sup> Installment – Rs 6,000/- per participant for ---- 2019  
3<sup>rd</sup> Installment – Rs 6,000/- per participant for ---- 2020

Details of account for transfer of funds will be shared in due course. Participants will have to ensure payment before module commences.

Respected sir,

Sub : Permission to renovate Room no.218 for VLCI Prog ;Reg

Visionary Leadership Community Of India Programme, a collaborative program with industry and academia. This program will help the students in building industrial skills by giving more practical sessions.

This program is to be conducted for the Mechanical students from 3rd semester onwards. We are in need to conduct the VLCI Programme sessions in an environment which is differed from class room environment.

So we request you to permit us to renovate Room no.218. for conduction of the VLCI Programme sessions.

Students of third semester Mechanical collected amount around Rs.46,000/- from students of same class for renovating the room and for the t-shirts.

I Request you to do the needful .

Thanking you

Yours faithfully.

Teaching Method - 30% Classroom Inputs & 70% Practice

## Flagship Program Under Indo Japan Technical Cooperation Agreement

**Prof. Shoji Shiba**  
 Chief Advisor  
 (Padmashree awarded)  
 A world-renowned authority in leadership skills and techniques

**Mr. Takeyuki Furuhashi**  
 Chief Instructor of VSME  
 One of world's best experts on Flow Manufacturing

**Mr. C S Patel**  
 Mentor - VLCI  
 Conceptualized VSME  
 Retired as CEO of ANAND Group in 2009  
 Mindset for Societal change

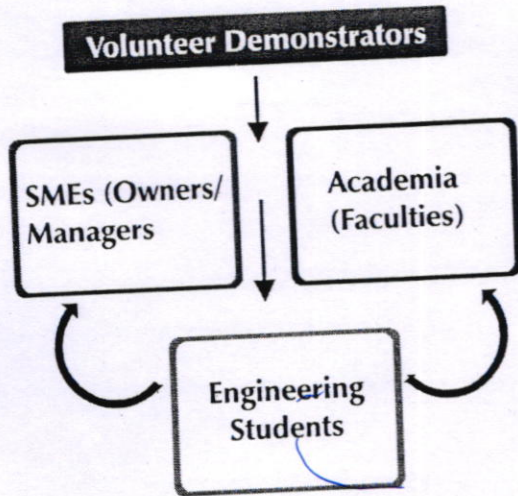

**Mr. Saideep Rathnam**  
 Chief Instructor of VLCI  
 Former Dean of Anand Corporate University and currently a visiting faculty at IIM-Bangalore

## VLCI Principles

- CoE (Center of Excellence) in GIT, Belagavi and other Regional CoE's help administer the process, including development of curriculum, text books, teaching aids etc to be shared free of cost with participating colleges.
- Volunteer demonstrator's trained by Mr. Furuhashi in Hosur (Harita), Gurugram (Sandhar) and Pune (Spicer) provide expert support by mentoring one or two colleges each.

## Learning Process of VLCI

**1  
STEP**

**Learning Community 1**  
Training of college faculty of Engineering colleges (2or3 Each) with the help of volunteer demonstrators.

**2  
STEP**

**Learning Community 2**  
The college faculty practices in nearby SME's & teach students and students also practice in these SME's.

**3  
STEP**

The skill of engineering students in the colleges is improved. As a result, the local SMEs recruit the trained engineering students.

VISIONARY LEARNING COMMUNITY

## VLCI Teacher's Training Program by Mr. Furuhashi Takeyuki :

Sr. No.	Location	Host Company	Remark

<b>Any special awards, recognition, talent :</b>	Program chair for 5 <sup>th</sup> international conference on Applied science engineering and technology. Awarded as a best familiar male faculty by ASDF. Cash prize awarded for producing 100% results from last 5 years consequently. 8 papers published in reputed journals. Certified Internal Auditor.

# Participant Profile – VLCI HSR Batch 1

(All the fields are compulsory. Write "NA" if field is not applicable, don't change the font/ font size, Limit in one page)

	<b>1. Name</b>	VIJAI R
	<b>2. Preferred Name</b>	VIJAI
	<b>3. Spouse Name</b>	ANUSUYA R
	<b>4. Name of Children</b>	(1) HARITHAA SREE (2) VARSHIKA
	<b>5. Total Experience</b>	14 Years
	<b>6. Languages known</b>	ENGLISH, KANNADA, TAMIL

## 7. Current Work Experience : (Joined since 18/08/2009)

<b>Institution Name and Address</b>	SRI SAIRAM COLLEGE OF ENGINEERING SAI LEO NAGAR, GUDDANAHALLI (P) ANEKAL – 562106 BENGALURU		
	Tel: +91-80-26635623/22455361	Mobile (Cell Phone): 8610740234	
	Fax: +91-80-22451802	E-mail: <a href="mailto:vijayr.mech@sairamce.edu.in">vijayr.mech@sairamce.edu.in</a>	
Type of Institution (Autonomous / Affiliated / Specify if others)	AFFILIATED	Affiliated University	VISVESVARAYA TECHNOLOGICAL UNIVERSITY, BELAGAVI
Present Designation	ASST. PROF.	Department	MECHANICAL ENGINEERING
Current responsibilities (50 words max)	To coordinate the activities of the department during the absence of the HOD. Responsible for discipline and academic achievement in the functional area. Conduct Internal Assessment of students and evaluation of the same • Guiding and counseling students in their personal, ethical, moral and overall character		

## 8. Previous Work experience (Before current institution, if any)

Institution / Organization Name, location	Period		Position or Title, brief job description
	From Month/Year	To Month/Year	
ADHIYAMAAN - POLYTECHNIC, HOSUR	NOV 2006	AUG 2009	LECTURER – Responsible for academic achievements in the functional area.
PTR ENGINEERING COLLEGE, MADURAI	JULY 2003	MAY 2006	LECTURER – Responsible for academic achievements in the functional area.

## 9. Educational Record (Higher Education)

Institution/University, Location	Period		Degree obtained	Major
	From Month/Year	To Month/Year		
ADHIYAMAAN COLLEGE OF ENGINEERING, HOSUR	AUG-2010	APR-2012	M.E.,	CAD
MADURAI KAMARAJ UNIVERSITY/MADURAI	Aug – 2000	APR-2003	B.E.,	Mechanical Engg.

## 10. Other Areas (50 words max)

<b>Professional Areas of Interest/passion :</b>	Teaching manufacturing related subjects, computer integrated Manufacturing and automation, computer aided Engineering Drawing/ Machine Drawing, CNC Programs/ Management subjects
<b>Any special awards, recognition, talent :</b>	Certified internal Auditor for ISO 9001:2008. Cash prize awarded for producing 100% results from last 5 years consequently. Received Certificate of Appreciation for the contribution to Electric solar vehicle championship 2016 as faculty advisor organized by from ISIE , INDIA . Recognized as departmental placement co-coordinator.

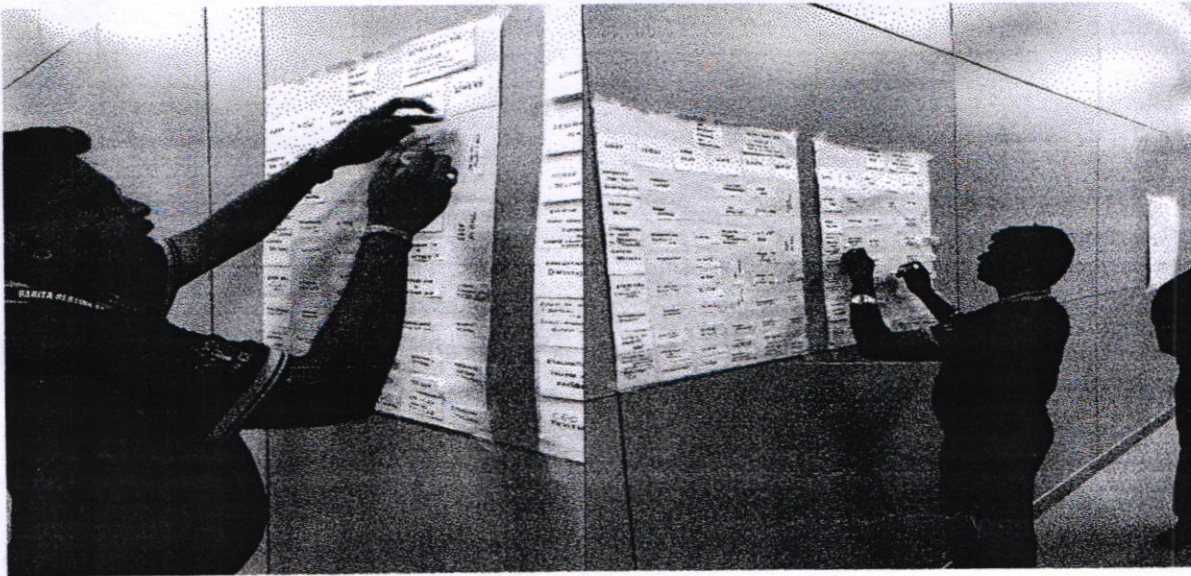

**DEPARTMENT OF MECHANICAL ENGINEERING**

**REPORT ON VLCI PROGRAMME**

**VLCI –Visionary Learning community of India** – A Program initiated as a **CSR** activity by the various industries to bridge the gap between Industry and Academia. Through this program the industries are providing knowledge to the faculties about the requirement in industries. Then the faculties have to transform the information the information and the knowledge to the students community.

The training for the faculties is for 2.5 days / year (2modules/year). The program is for 3 years (modules). The information and the knowledge should be transmitted to the students community throughout 3 years. This makes the students as industry ready Engineer. This improves employability of engineering students and also it helps to get internship program for engineering students.

The program includes 30% teaching and 70% shop floor assignments and Exercises.

VISIONARY LEARNING COMMUNITY, INDIA

Module 1- Observation skills

Chapter	Topic
chapter 1 introduction -safety & Cleanliness -public places	introduction to cleanliness
chapter 1 introduction -safety & Cleanliness -public places	introduction to safety
chapter 2- process of observation - public places	pre-training test
chapter 2- process of observation - public places	seeing vs observing
chapter 2- process of observation - public places	prepare the mind for effective observation
chapter 2- process of observation - public places	steps in observation process
chapter 3-presentation of observation - public places	introduction of 4W1H format
chapter 3-presentation of observation - public places	label writing
chapter 3-presentation of observation - public places	lable grouping
chapter 4-practical & Exercises- public places	learning by watching video
chapter 4-practical & Exercises- public places	site visit college campus,
chapter 4-practical & Exercises- public places	site visitpublic transport , home & housing society
chapter 4-practical & Exercises- public places	post training excersise on site visits
chapter 4-practical & Exercises- public places	post training excersise on site visits
chapter 1 introduction -safety & Cleanliness -Factory	introduction cleanliness in a factory , why cleanliness
chapter 2- cleanliness in Factory -safety & Cleanliness -Factory	how to keep cleaniless , examples of cleanliness
Chapter3-safety in a factory- safety & Cleanliness -Factory	introduction to safety in factory
Chapter3-safety in a factory- safety & Cleanliness -Factory	unsafe condition and unsafe act

VISIONARY LEARNING COMMUNITY, INDIA

SYLLABUS

Observation skills

<b>Safety and cleanliness</b>
<b>1.1 Public Places</b>
<b>Chapter 1 introduction</b>
A. Why cleanliness ?
B. Why safety ?
<b>chapter 2- process of observation</b>
A. Pre training Test
B. Seeing vs Observing
C. Prepare the mind for effective observation
D. Steps in observation process
<b>chapter 3-presentation of observation</b>
A. Introduction of 4W1H
B. Label writing
C. Label Grouping
<b>chapter 4-practical &amp; Exercises-</b>
A. Learning by Watching Video
B. Site visits (i) Home & Housing Society (ii) college campus (iii) Public transport
C. Post – Training Exercises

**Audit criteria and Scope of audit**

**To check**

- combining the process approach with risk-based thinking,
- Integrating Business management with the system management
- the process compliance and the effectiveness for the activities performed as per the standards and the documents
- employing the Plan-Do-Check-Act cycle at all levels in the organization, while taking into consideration the context in which the organization operates
- Apart from the above said processes, compliance to MRM & External Audits, Kaizen & TQM practices implementation shall be audited for all the departments in general

**To cover**

- all the processes and all the clauses of ISO 9001:2015 standard, towards readiness to meet certification audit requirements of the certification body

### REPORT ON .NET FRAMEWORK AND APPLICATIONS GUEST LECTURE

.NET Framework and Applications guest lecture had been conducted on 16 April 2018 for sixth semester students of Department of Computer Science and Engineering in our campus. Almost 70 students attended the guest lecture with all enthusiasm. The resource person Mr. Manikandan from Singapore conducted the guest lecture very effectively.

Two sessions had been conducted in which the first session include the basics of .NET Framework and application platform students were given. Second session included about how to build applications using C# programming Language. Finally, students gained confidence in their programming skills in .NET and its importance. The student's feedback was positive and they felt that the session was informative and useful.

### REPORT ON OOP CONCEPT AND PROGRAMMING SKILL GUEST LECTURE

Oop concept and programming skill guest lecture had been conducted from 15 February 2018 to 16 February 2018 for fourth semester students of Department of Computer Science and Engineering in our campus. Students attended the guest lecture with all enthusiasm. The resource person Mr. Anantaguru from AMECE conducted the guest lecture very effectively.

Two sessions had been conducted in which the first session was about the introduction on oop concepts and in the other session helped the students to improve their programming skills. Finally, students were clear about the concepts of oops. The student's feedback was positive and they felt that the session was informative and useful.

REPORT ON DOTNET FRAMEWORK FOR APPLICATION DEVELOPMENT GUEST  
LECTURE

Dotnet framework guest lecture had been conducted on 15 November 2017 for third year students of Department of Computer Science and Engineering in our campus. Students attended the guest lecture with all enthusiasm. The resource person Mrs. Suma M G from RNSIT conducted the guest lecture very effectively.

Two sessions had been conducted in which the first session was about the introduction on dotnet concepts and in the other session student were explained about the application development using dotnet. Finally, students gained knowledge on dotnet concepts. The student's feedback was positive and they felt that the session was informative and useful.

### REPORT ON DESIGN AND ANALYSIS OF ALGORITHM GUEST LECTURE

Design and analysis of algorithms guest lecture had been conducted on 18 May 2017 for IV semester students of Department of Computer Science and Engineering in our campus. Students attended the guest lecture with all enthusiasm. The resource person Mrs. vibha M B from Dayananda Sagar Engineering college conducted the guest lecture very effectively.

Two sessions had been conducted in which the first session was about the introduction on design and analysis of algorithm and in the other session student were explained about the how to write an algorithm and complexity of an algorithm. Finally, students were able to write an efficient algorithm on their own. The student's feedback was positive and they felt that the session was informative and useful.

Sir,

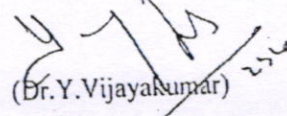

Subject: Thanks-Guest Lecture-23<sup>rd</sup> September 2015

With reference to the above, we whole heartedly thank you for having accepted our invitation & for being a Guest as well as Trainee for giving Lecture on "Signals & Systems" subject organized by EEE Dept held on 23<sup>rd</sup> September 2015.

We once again express our sincere gratitude for giving the Guest Lecture in spite of your busy schedule

Thanking you

With regards

  
(Dr. Y. Vijayakumar)

Respected Sir,

Subject: Request to arrange a Guest Lecture for critical subject Field theory (15EE45) for 4<sup>th</sup> SEM EEE Students - Reg

With reference to above subject, we would like to arrange a Guest Lecture on Field theory (15EE45) (9.15AM to 1PM -Session -I & 1.30PM to 3.30PM-session-II) from a subject expert & Academician Prof.K.Venkatesha. Associate Professor. B N M Institute of Technology. Bangalore on 29/05/18 (Tuesday) to give more knowledge and clarity of the subject.

Kindly permit us to collect the amount from account section for the arrangement of honorarium Rs2500.00 (Two thousand five hundred only) as per the college norms. Kindly do the needful.

Thanking you sir.

Yours faithfully

Sir,

Subject: Thanks-Guest Lecture-9<sup>th</sup> November 2017

With reference to the above, we wholeheartedly thank you for having accepted our invitation deliver a Lecture on "Analog Electronic Circuits (15EE34)" subject for 3<sup>rd</sup> Semester Students organized by EEE Dept on 9<sup>th</sup> November 2017.

We once again express our sincere gratitude for accepting our invitation and delivering the Guest Lecturer in spite of your busy schedule

Thanking you

Through  
HOD-EEE Dept  
Respected Sir,

Subject: Request to arrange a Guest Lecture for critical subject Signals & Systems (15EE54) & Analog Electronic Circuits (15EE34)—5<sup>th</sup> & 3<sup>rd</sup> SEM EEE Students - Reg

With reference to above subject, we would like to arrange a Guest Lecture on Signals & Systems (15EE54) (9.15AM to 1PM -Session -I& 1.30PM to 3.30PM-session-II) from a subject expert & Academician Prof.K.VenkatRao, Associate Professor, B N M Institute of Technology, Bangalore on 07/11/17 (Tuesday) to give more knowledge and clarity of the subject.

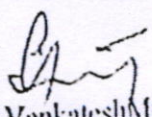

Analog Electronic Circuits (15EE34) (9.15AM to 1PM -Session -I& 1.30PM to 3.30PM-session-II) from a subject expert & Academician Prof.Kumar, Associate Professor, B N M Institute of Technology, Bangalore on 09/11/17 (Thursday) to give more knowledge and clarity of the subject.

As per Academic calendar the Guest lecture is scheduled on 09/11/17. But the speaker inconvenient on the scheduled date. In this connection kindly give permission to arrange the Guest lecture on the above said date.

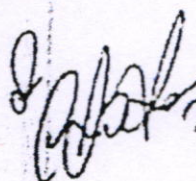

Kindly permit us to collect the amount from account section for the arrangement of honorarium Rs5000.00 (Five thousand only) for each guest Lecture Rs2500.00 as per the college norms. Kindly do the needful.

Thanking you sir.

Yours faithfully

  
(B.S. Venkatesh Murthy)  
Asst Prof - I/EEE Dept
