Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours faithfully,

Sir/Madam

**Sub: Appointment of Paper Setter for Examination – December 2017**

It is my pleasure to inform that you have been appointed as a paper setter for Engineering Examinations of Dec 2017, by the directions of the Hon. Vice Chancellor. I request you to set the paper for the subject as per the details given below:

Semester	3
Branch	CSE
Subject Code	16CS/IS35
Subject Title	OOP with C++
Last date for submission: 18 <sup>th</sup> November, 2017	

SL.NO.

## DETAILS

- 1 Eight questions are to be set covering entire syllabus. (Part A - 4 Questions and Part B - 4 Questions)
- 2 There shall be a maximum of three sub divisions under each question. Numerical problems shall be set wherever possible.
- 3 Each question will carry **14 marks**.
- 4 Provide instruction on issue of handbooks, steam tables, charts etc., wherever absolutely necessary.
- 5 Take care to see that all data required are provided.
- 6 Furnish the soft copy of the question paper on a CD along with the hard copy of question paper, scheme of valuation and solution in the booklet provided. [Scheme of valuation and solution can be hand written]
- 7 The scheme of valuation and solution should contain detailed step by step solution along with distribution of marks accounting for the total marks allotted for the question. For questions seeking descriptive answers, the important points to be covered are to be mentioned; mere breakup of marks

will not be sufficient.

- 8 Set questions such that they demand specific answers.
- 9 Indicate any alternate answer or solution to a problem (if any) in the scheme. **Question paper without scheme and solution is liable for rejection.**
- 10 Ensure that no hard copy or soft copy of any material relevant to question paper is retained by you.
- 11 Kindly return the declaration form duly signed.
- 12 Prepare and enclose the bill as per the remuneration shown in the following table.

**Ensure that the question paper along with scheme and solution reaches the undersigned on or before 18<sup>th</sup> November 2017.**

REMUNERATION	
Program	Remuneration (Rs.) Paper Setting, Scheme & Solution
