Report on “Women Mentoring Program”

- **Venue : Seminar Hall**
- **Time : 29.04.2014**
- **No of Participants – Male: 30**
- **No of Participants – Female: 36**

Our College had organized a Seminar/Lecture Talk on “**Women mentoring program**”. Around 66 third year and few final year students participated and benefited by the event. The Speaker for the lectures was **Mrs. Ruhi**, Professor, Jain University.

In this lecture Participants learned about the awareness in women safety. Self-defense, especially for women, is of prime importance due to the world of power imbalance that we live in today. Women, usually referred as the weaker sex as per the stereotype amongst the two genders are generally considered easy targets. Especially in a country like India where the cases of gender violence are on rise, while many others go unreported, self-defense for women has become imperative more than ever. During the discussion session participants interact with the speaker for clarification regarding their doubts. The overall programme was very successful.
