SRI SAIRAM COLLEGE OF ENGINEERING

ANEKAL, BENGALURU

Seminar on Empower Women

Venue : Seminar Hall

Date : 07/03/2015

Number of Participants Male:15

Female:36

Our College had organized a Seminar on Empower Women in the occasion of "International women day" on 07.03.2015 from 02.00 pm to 04.00 pm in our college campus. Around 51 third years and few final year students participated and benefited by the event. The Speakers for the seminar was **Dr. Shekar Majumdar**, Professor, NITTE Meenakshi Institute of Technology (NMIT).

In this seminar, participants learned about the Women Empowerment activities. International Women's Day (IWD) is celebrated on every year to recognize the stellar role a woman plays, even challenging the males, in her own right as a professional, an entrepreneur, a politician or whatever else she might want to be. International Women's Day pledged for parity for women by challenging conscious and unconscious bias, committing towards helping women and girls to achieve their ambitions, and giving equal value to both men and women for the contributions that they make. Women's movement in India, to re-establish the position of women in the society started as early as the 1900s, when women participated actively in the nationalist movement. Here is no doubt about the fact that India joins the other developed nations in the fore in their fight for equal rights for women. Empowering the women in any society will only help in contributing towards the progress of the nation for they will be the architects of the society.

During the discussion, session participants interact with the speaker for clarification regarding their doubts. The overall Programme was very successful.
