**Report on multiculturalism, diversity and cooperation among students
across the globe**

- Venue : Seminar Hall
- Date: 17/11/2016
- No of Participants – Male : 17
- No of Participants – Female: 25

Our College had organized a Seminar on “International Students Day”. Around 42 third year and few final year students participated and benefited by the event. The Speakers for the Seminar was Dr. Jharna Majumdar, Professor, NITTE Meenakshi Institute of Technology (NMIT).

Students all over the world continue their commitments to fight for human rights, adequate education, healthier communities and a brighter future. The World Health Students Alliance is committed to strengthening the meaningful youth engagement of our students. Global health is a growing inter-sectoral field, with many aspects and challenges, and as we are medical, dental, pharmaceutical and veterinary students, we understand that our fields interconnect and meet in global health. The four student organizations in this alliance are committed to advocate for the best interests of our communities, to improve the culture related to health professions collaboration, and to work together in common advocacy topics related to global health. The WHSA partners thrive for youth involvement, which is vital to help develop sustainable positive health outcomes, as youth are some of the most powerful change agents in the world. The WHSA acknowledges that our strength comes from being united, and acting together against the challenges that face students, their communities and global health.

With positive support from Management Representative Mr. R. Arunkumar, Principal Dr. Y. Vijayakumar and all HODs takes pleasure in appreciating the following faculty advisors for this remarkable achievement for their continuous support and motivation.
