Report on seminar on Women Safety and Awareness Program

- **Venue** : Seminar Hall
- **Time** : 15.11.2017 @ 02.00 pm to 04.00 pm
- **No of Participants – Male** :20
- **No of Participants – Female**:35

Our College had organized a Seminar/Lecture Talk on **“Women safety and awareness program”**. Around 55, third semester and few 5th Semester students participated and benefited by the event. The Speakers for the lectures was Mr. Anantha Nagu, Professor, AMC College of Engineering.

In this lecture Participants learned about the Awareness of women in society. Women are important in our society. Every woman has her own job or duty in this modern society in which men are still the 'strongest gender'; we can't forget that women's life is a lot more complicated than a man's life. A woman has to take care of her own personal life and if she is a mother, she has to take care also about her children's life too. Married women have lots of worries and believe it or not, they carry out a more stressful life than Married men. During the discussion session participants interact with the speaker for clarification regarding their doubts.

With positive support from Management Representative Mr. R. Arunkumar, Principal Dr. Y. Vijayakumar and all HODs take pleasure in appreciating the following students and faculty advisors for this remarkable achievement their continuous support and motivation
