Our College had organized a Seminar on “**Empower women**”. Around 66 third year and few final year students participated and benefited by the event. The Speakers for the lectures was Mrs. R. Vijayalakshmi, Professor, Alliance University, Bengaluru

The two principal goals of a mission-driven formal mentoring program are:

- To align mentoring as a lifelong learning tool
- To ensure the benefits of the program understood across the Department and within each Departmental organization.

Mentoring is a special partnership between two people based on commitment to the mentoring process, common goals and expectations, focus, mutual trust and respect. Mentoring can also encompass activities that allow for transfer of knowledge and skills from one employee to others. Both the mentor and the mentee give and grow in the mentoring process. The mentee can learn valuable knowledge from the mentor’s expertise and past mistakes and competencies can be strengthened in specific areas. Mentees will have the opportunity to establish valuable connections with higher-level employees.

In this lecture, Participants learned about the awareness in women safety. The overall program was very successful.

With positive support from Management Representative R. Arun kumar, Principal Dr. Y. Vijayakumar and all HOD takes pleasure in appreciating the following faculty advisors for this remarkable achievement for their continuous support and motivation
