ABOUT EVENT

Ayudha Pooja was celebrated in our college campus on 28.09.2017.

Ayudha Pooja is an integral part of the Navratri festival a Hindu festival which is traditionally celebrated in India. The festival falls on the ninth day. On the ninth day of the Dasara festival, weapons and tools are worshipped. In Karnataka, the **celebration** is for killing of the demon king Mahishasura by goddess Chamundeshwari. After slaying of the demon king, the weapons were kept out for worship. In our college we had celebrated by doing the pooja to all the Machines, Lab equipments, Vehicles and Buses along with the students and faculty.
