Submitted to the Principal,

Sub: Requisition to sanction the budget for organizing CET Mock Exam for the Students of II PUC, Bellary District. - Reg.

With reference to the above subject, I would like to bring to your kind notice that, in Bellary, out of 125 colleges around 90 colleges running Science stream.

In Bellary district, there are 3 Engineering Colleges and one Medical College. To attract students from Bellary we are planning to conduct CET Mock Test in Bellary for around 2000 students.

As per our earlier admission status, 30 to 40 students are admitted in our college, through KEA - CET and other references.

As PU colleges are more, only 3 Engineering Colleges with this ratio, still 30 to 40 students are joining, in order to attract more students we need to do this activity.

As we are doing this activity first time in Bellary District and also for next academic year onwards there is going to be a change in our college name, we need to do more publicity in this area. We are planning to organize this programme tentatively in between 15th January 2015 to 30th January 2015.

We are planning to give cash awards & Scholarships for II PUC science students. I am herewith proposing the following cash awards & Scholarships.

03	3 rd Rank (For PCM Stream)	Rs. 3,000.00	Rs. 50,000.00
04	4 th to 25 th Rank (For PCM Stream)	- -	Rs. 20,000.00
05	26 th to 50 th Rank (For PCM Stream)	- -	Rs. 15,000.00
06	51 st to 100 th Rank (For PCM Stream)	- -	Rs. 10,000.00
07	For Biology Subject Topper	Rs. 3,000.00	

The students can avail these scholarship's when taking admission in our college for their B.E Course.

Kindly permit us to do this programme in Bellary district by approving the above budget.
