Note Submitted to the Chairman, SSEC, Anekal

Sub: BESCO Online Test - Conduction - Report - Reg.

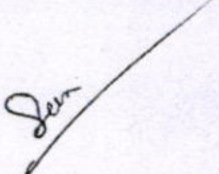

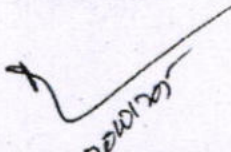

With reference to the above subject and as per the approval letter from HO, we have allowed BESCO - Karnataka state to organize one of the highly prestigious Karnataka state Online Exam for recruiting people for various posts in Electricity Board. META i Technologies are the Technology providers for conducting the Exam. 300 students are allotted for our centre out of 18 such centers in Bengaluru. 231 students are attended the Exam and all the arrangements & conduction was very smooth.

Even though we have collaborated with external agencies for conducting online exam first time, we got very good appreciation from the organizers and the same team are requested us to apply for COMED-K UGET Entrance Exam for the Engineering admissions.

Thanking you very much for giving approval to conduct the BESCO online Exam, where faculty / staff have got awareness about online Competitive Exams.

Yours faithfully
