SSCE/Est/2015-16/ ౦౦ ।   31.03.2016

Note Submitted to the Chairman, SSCE, Bengaluru

Sub: ISTE-SRMC 2016-Chapter-online Competition-Examination-Brief Report-Reg.,
-----------------

       With reference to the above subject, we are glad to inform you that ISTE conducts every year Srinivasan Ramanujam Mathematical Competition for the Engineering College students. In this connection, we would like to inform you that the same examination has become online and we have conducted the examination on 27th Mar.2016 in our institution.

       Total 124 students were registered the above exam. Finally 106 students have taken the exam. The exam conducted smoothly and completed all the formalities as per ISTE-SRMC norms.
       This is for your kind information.

                        Thanking you

                                         Yours faithfully,

                                         PRINCIPAL

REPORT ON ISTE-SRMC 2015-16 CHAPTER LEVEL ONLINE EXAMINATION

With a heartfelt thanks to ISTE , New Delhi for considering **Sri Sairam College of Engineering** as one of the examination centers, we are happy to report that we Successfully conducted ISTE-SRMC 2015-16 Chapter level Online examination on 27th March 2016.

Since it is first time online examination from ISTE, we were alert in following time to time instructions from ISTE, New Delhi, our System administrator worked hard in setting up the examination server and systems, resulted in the smooth conduction of examination.

We conducted the examination in two batches

1st batch 11AM TO 1 PM – 92 students were present
2nd Batch 1.30 PM to 3.30 PM – 14 students were present
Totally 106 students were present. 100 our college students, 6 other colleges students

We are happy to say that this is a result of team work. We have very good team of ISTE faculty coordinators and student coordinators who executed their full-pledged efforts in creating wide awareness about the examination and motivating students to take up the examination.

Totally 114 students and 1 faculty were applied for the examination, since the examination rescheduled to 27th March i.e. Sunday, some students were not attended the examination. Majority of the students expressed that the question paper was tough.

I express my personal gratitude to our Principal Dr.Y.Vijaya Kumar, who motivated us to take up the work and helped us in all means. I extent my sincere thanks to our Management representative, & HOD, Computer science department for their support. I am also thankful to our system administrator, computer lab staff, and all ISTE faculty and student coordinators for their support and efforts in the success of the examination.
