

## DEPARTMENT OF MECHANICAL ENGINEERING

15/12/2023

Sri Sairam College of Engineering has always excelled in upholding research work of the highest degree. In light of this, Department of Mechanical Engineering organized a Seminar on “Build your own Electric Vehicle”. This seminar was held on 14<sup>th</sup> of December, 2023 in the AV hall.

To enhance the glory of the event we had amongst us dignified and eminent personalities Mr. Gowrisankar Gopalakrishnan, Co-founder and Powertrain Lead at Zealics, Bengaluru, and Swaroop Shekar Soora, Co-founder, Vehicle Design and Dynamics Engineer at Zealics, Bengaluru as our Chief Guest for the Day. The day was further enlightened with the presence of our honourable Principal, Dr. B Shadaksharappa, Dr. V. Balaji, Head of Mechanical Engineering Department, Staffs and all the Four Years of Students from Mechanical Engineering Department and Electrical and Electronics Engineering Department.

Dr. B Shadaksharappa, Principal, warmly greeted both the dignitaries, faculties, students and expressed his sincere gratitude to all for their valuable presence. He addressed the students mentioning the importance of Electric Vehicles and its Technology.

Next, Dr. V Balaji, HoD shared insightful details about the Importance of Seminar and Advancements in this Field and also motivated the students to make use of seminar for their Project and Research works.

This was followed by the felicitation of chief guests, following which, the Speakers was taken over the session. Having erudite knowledge, they explained about Electric Vehicles and its manufacturing technologies. They enlightened the students on the importance of research and expressed their happiness about Students Interaction.

Program was concluded by Vote of Thanks by Prof. Rajesh Kumar N, thanking the faculties and students who have contributed towards making this Seminar a grand success.
