**iii. Frequently of the Board Meeting and Academic Advisory Body**

The Governing Council meets at least twice in an Academic Year.  
Academic Advisory Body meets at least once in an Academic Year

iv. Organizational chart and processes

**v. Nature and Extent of involvement of Faculty and students in academic affairs/improvements**

Faculty and students are equally involving in the improvement of institute and the quality of teaching learning process. Every class have a class committee consisting of teachers of the concerned class, student representatives and a chairperson who is not teaching the class. The overall goal of Committee is improving the teaching - learning process. The functions of the class committee include

- Solving Problems experienced by students in the class room and in the laboratories.
- Clarifying the regulations of the degree programme and the details of rules therein.
- Informing the student representatives the academic schedule including the dates of assessments and the syllabus coverage for each assessment.
- Informing the Student representatives the details of Regulations regarding weightages used for each assessment. In the case of practical courses (laboratory /drawing / project work / seminar etc.) the breakup of marks for each experiment / exercise / module of work, should be clearly discussed in the class committee meeting and informed to the students.
- Analyzing the performance of the students of the class after each test finding the ways and means of solving problems, if any.
- Identifying the weak students, if any, and requesting the teachers concerned to provide some additional help or guidance or coaching to such weak students.

**Student Mentor:**

One faculty member mentors maximum of 20 students, and he/she keeps track of the students' academic, attendance; sorts out any problems; sends periodic reports to parents and apprises the Principal and the Head of the Department about the progress of the students.

**Student Counselor:**

Students are free to approach the Student Counselor to talk without inhibition about academic, administrative, career and personal matters.

- A Class committee is constituted with a faculty member as a chairperson who is not handling the particular class. The
- Principal is also a part of the class committee. The chairperson is given the responsibility of coordinating the meeting and ensuring that the students provide free and fair feedback.
- A proforma consisting of important parameters pertaining to the teaching learning process has been designed for
- the purpose of collecting students' feedback.
- The responses after the Data Processing are analyzed by the HoDs and the Principal. The feedback is communicated to the faculty members concerned wherever necessary, for their improvement.
- Students' feedback on value-added programme conducted (for example guest lectures, seminars, employability camp, etc.) is obtained at the end of the programme by distributing questionnaires on the event.
- The inputs are communicated to the faculty members through HoD by the Principal for suitable improvements.
- The inference is discussed with the faculty members during the annual faculty appraisal

**viii. Grievance Redressal mechanism for Faculty, staff and students**

The Grievance Redressal Cell will enquire the grievances and suggest the final action to be initiated at the institutional level for the redressal of the same. Any student may approach the committee members, if he/she has any grievance regarding academic and non-academic matters and the committee will take up necessary action.

**Objectives:**

- To provide a support system for the students to address their grievances.
- To initiate proactive measures to redress the grievances of the students.
- To analyze the complaints and representations of aggrieved students and to take action with the appropriate authorities for redressal.
- To get suggestions periodically from the students for improvement.

**Responsibilities:**

- The grievances at departmental level are governed by the concerned mentors, class Coordinators and Department Heads then and there.
- Unresolved grievances at the departmental level are referred to the Grievance Redressal Cell of the institution.
